The Australian Oxford Dictionary Bruce Moore, 2004 An authoritative guide to

contemporary Australian English Publisher Grape Expectations Caro Feely,2012 Filled with vivid descriptions of delicious wines great food and stunning views this is a unique insight into the world of the winemaker and a story of passion dedication and love When Caro and Sean find the perfect 10 hectare vineyard in Saussignac it seems like their dreams of becoming winemakers in the south of France are about to come true But they arrive in France with their young family a toddler and a newborn to be faced with a dilapidated 18th century farmhouse and an enterprise that may never ever make them a living Undeterred by mouse infestations a leaking roof treacherous hordes of insects visits from the local farm police and a nasty accident with an agricultural trimmer Caro and Sean set about transforming their beyond eccentric winery into a successful business as they embark on the biggest adventure of their lives learning to make wine from the roots up

Waking Noah's Vines Vahan Zanoian,2019-12-05 A group of adventurous vintners from around the world embarks on a wine infused journey to revive the 6 000 year old wine industry in Armenia after the country gains its independence from the Soviet Union Haig Koleyian a veteran winemaker arrives from Tuscany with little more than a dream to modernize a wine industry nearly moribund under 70 years of Soviet rule Aram Almayan sells several of his casinos in Moscow and moves to Armenia to plant a vineyard and build a major winery with his charming daughter Carla Van Dorian the philosopher vintner sells much of his Los Angeles company and moves to Armenia with the same passion He develops an elaborate theory and practice about how wines can and should be paired with the deepest and most nuanced human emotions Henry Cobb a famous American winemaker from Sonoma California soon joins the group to satisfy his constant quest for new terroir As they start transforming the wine industry in Armenia a major scam is underway in Moscow where cheap blends of one of Haig's top wines the Korah are being sold to unsuspecting collectors for 100 times their market value At the same time personal and professional peeves start clouding the atmosphere among the winemakers within Armenia When the scam in Moscow leads to the murder of one of the employees of the largest wine merchant in Russia and endangers the life of an employee of the Almayan winery it falls upon Aram Almayan with his close contacts in the Moscow police department to solve the murder and diffuse tensions in Armenia **The Wild Vine** Todd Kliman,2010-05-04 A rich romp through untold

American history featuring fabulous characters The Wild Vine is the tale of a little known American grape that rocked the fine wine world of the nineteenth century and is poised to do so again today Author Todd Kliman sets out on an epic quest to unravel the mystery behind Norton a grape used to make a Missouri wine that claimed a prestigious gold medal at an international exhibition in Vienna in 1873 At a time when the vineyards of France were being ravaged by phylloxera this grape seemed to promise a bright future for a truly American brand of wine making earthy and wild And then Norton all but vanished What happened The narrative begins more than a hundred years before California wines were thought to have put America on the map as a wine making nation and weaves together the lives of a fascinating cast of renegades We encounter the suicidal Dr Daniel Norton tinkering in his experimental garden in 1820s Richmond Virginia Half on purpose and half by

chance he creates a hybrid grape that can withstand the harsh New World climate and produce good drinkable wine thus succeeding where so many others had failed so fantastically before from the Jamestown colonists to Thomas Jefferson himself Thanks to an influential Long Island New York seed catalog the grape moves west where it is picked up in Missouri by German immigrants who craft the historic 1873 bottling Prohibition sees these vineyards burned to the ground by government order but bootleggers keep the grape alive in hidden backwoods plots Generations later retired Air Force pilot Dennis Horton who grew up playing in the abandoned wine caves of the very winery that produced the 1873 Norton brings cuttings of the grape back home to Virginia Here dot com millionaire turned vintner Jenni McCloud on an improbable journey of her own becomes Norton s ultimate champion deciding against all odds to stake her entire reputation on the outsider grape Brilliant and provocative The Wild Vine shares with readers a great American secret resuscitating the Norton grape and its elusive inky drink and forever changing the way we look at wine America and long cherished notions of identity and reinvention

Families of the Vine Michael S. Sanders,2006-04-04 Author Michael Sanders spent two years in the vineyards of southwest France with three families whose destinies are determined each year every year by the soil the weather and the quality of the grape and shared with them the hopes of spring the anguish of summer drought and the mad rush of the fall harvest In Families of the Vine he offers a vivid heartfelt portrait of these authentic winemakers in a fascinating intensely human saga of strength dedication and savoir faire Though their wines may differ they all share a powerful uncompromising passion for the timeless craft that defines them
