Passionate Modernity Sanjay Srivastava, 2020-11-29 Combining historical and ethnographic analysis this book deals with the making of the heterosexual imagination from the beginning of the twentieth century to the present in the Indian context This unique book uses methods from anthropology cultural studies and history to explore the making of modern cultures of sexuality in India It provides an analysis of the sexual and domestic politics of the period by focusing on the vast corpus of publications and journals on sexology from the 1920s to the 1940s and links Indian activities with those in other parts of the world The author analyzes material that has thus far been outside the purview of

scholarly studies namely footpath pornography magazines such as Sexology Mirror in Hindi women's magazines dealing explicitly with sex and sexuality **Heteronormativity, Passionate Aesthetics and Symbolic Subversion in Asia** Saskia Wieringa, 2015 This book examines life trajectories among three categories of women living beyond the bounds of heteronormativity in Jakarta and Delhi two major cities with substantively different religious and social values women who have lost their husbands either through divorce or death sex workers and young urban lesbians The Indian state is constitutionally committed to secularism and equal respect to all regions despite right wing Hindu fundamentalism The Indonesian state is constitutionally secular but religion plays a large role in public life and is embedded in regulations that strongly impact people's private lives Recently there have been strong political currents to impose stricter Islamic codes The public arena of sexual politics in which the media play an important role is explored in both cities **The Ashgate**

Research Companion to Planning Theory Patsy Healey, 2016-11-03 At a time of potentially radical changes in the ways in which humans interact with their environments through financial environmental and or social crises the *raison d'être* of spatial planning faces significant conceptual and empirical challenges This Companion presents a multidimensional collection of critical narratives of conceptual challenges for spatial planning The authors draw on various disciplinary traditions and theoretical frames to explore different ways of conceptualising spatial planning and the challenges it faces Through problematising planning itself the values which underpin planning and theory practice relations contributions make visible the limits of established planning theories and illustrate how by thinking about new issues or about issues in new ways spatial planning might be advanced both theoretically and practically There cannot be definitive answers to the conceptual challenges posed but the authors in this collection provoke critical questions and debates over important issues for spatial planning and its future A key question is not so much what planning theory is but what might planning theory do in times of uncertainty and complexity An underlying rationale is that planning theory and practice are intrinsically connected The Companion is presented in three linked parts issues which arise from an interactive understanding of the relations between planning ideas and the political institutional contexts in which such ideas are put to work key concepts in current theorising from mainly poststructuralist perspectives and what discussion on complexity may offer planning theory and practice

Love & Will Rollo May, 2011-03-07 An extraordinary book on sex and civilization An important contribution to contemporary morality Newsweek The heart of man's dilemma according to Rollo May is the failure to understand the real meaning of love and will their source and interrelation Bringing fresh insight to these concepts May shows how we can attain a deeper consciousness Love and Will Rollo May, 1969 Includes sections on Freud Puritanism and Eros *Passionate Embrace* Elisabeth Gerle, 2018-01-01 Protestant ethics has often been associated with work and duty excluding sensuality sexuality and other pleasures In an age of body worship as well as body loathing Elisabeth Gerle explores new paths embarking on a conversation with Martin Luther in dialogue with contemporary theologians on attitudes towards desire

ethics and politics She draws on Eros theology to challenge traditional Lutheran stereotypes such as the dichotomies between different forms of love as well as between spirit and body Gerle argues that Luther's spiritual breakthrough where grace and gifts of creation became central provides new meaning to sex and desire as well as to work body and ordinary life Women are seen in a new light as companions autonomous ethical agents part of the priesthood of all This had revolutionary consequences in Europe at the time and it represents a challenge to contemporary theologies with a nostalgic appetite for austerity asceticism and female submission Luther's erotic and genderfluid language is a healthy challenge to oppressive political structures centred on greed profit and competition A revised Scandinavian creation theology and a deep sense of the incarnational mystery are resources for contemporary theology and ethics *The Twelfth Wonder of the World* Jerry L. Rhoads, 2017-08-31 Poetry is so personal It is hard to convince readers to take the time to feel the words not just read them The Eighth Wonder of the World presents something we all possess and don't realize its value So for this fifth book The Twelfth Wonder of the World to resonate with the buyer reader a love of poetry will initially be the reason it sells After that it will be the value to each reader as they capitalize on the wonders we all possess The series of Wonders of the World poems are to relate all humans on Earth to a common denominator The mind eighth wonder and the soul ninth wonder are our human metaphysical commonalities whereas the heart tenth wonder and the brain the eleventh wonder are physical commonalities to all of us as individuals And finally the spirit twelfth wonder our infinite energy is what each of us are metaphysically for the infinite trip from here to there the final wonder

Passion and Addiction in Sports and Exercise Attila Szabo, Zsolt Demetrovics, 2022-06-07 Passion and Addiction in Sports and Exercise is about the bright and dark aspects of sports and exercise behavior and revolves around two closely related yet distinct concepts Passion is a joyful and healthy reflection of one's enjoyment and dedication to an adopted sport or exercise At the same time exercise addiction is an obligatory and must be done training regimen This book is the first to attempt to explain the significant differences between passion and addiction in sports and exercise as well as the relationship between the two This book presents an overview of three dimensions of passion and offers a new frame to contextualize exercise addiction The work also addresses the misinterpretation of certain aspects of training e.g. intensity frequency and commitment often related to the risk of exercise addiction After introducing the health benefits of exercise the book looks at the passion for sports and exercise training and the transition into maladaptive practice Then it presents definitions and theoretical models for exercise addiction It then examines exercise addiction cases while also illustrating how excessive or high exercise volumes could be beneficial instead of problematic The last chapter offers a new approach for a better understanding of exercise addiction Passion and Addiction in Sports and Exercise is helpful for students researchers and clinicians interested in sport and exercise psychology athletic training behavioral addictions and physical education As well as being valuable reading for all regular exercisers and physically active individuals including athletes competing at various levels in different sport disciplines
