Otto C. Lightner, Pearl Ann Reeder, 1964 Who was who in American History, Arts and Letters Marquis Who's Who, Inc, 1975 British Books in Print, 1978 *Arts & Humanities Citation Index*, 1981 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world's leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals The Compact Edition of the Oxford English Dictionary Sir James Augustus Henry Murray, 1971 Micrographic reproduction of the 13 volume Oxford English dictionary published in 1933 **American Holiday Postcards, 1905-1915** Daniel Gifford, 2013-08-29 In the early 20th century postcards were one of the most important and popular expressions of holiday sentiment in American culture Millions of such postcards circulated among networks of community and kin as part of a larger American postcard craze However their uses and meanings were far from universal This book argues that holiday postcards circulated primarily among rural and small town Northern white women with Anglo Saxon and Germanic heritages Through analysis of a broad range of sources Daniel Gifford recreates the history of postcards to account for these specific audiences and reconsiders the postcard phenomenon as an image based conversation among exclusive groups of Americans A variety of narratives are thus revealed the debates generated by the Country Life Movement the empowering manifestations of the New Woman the civic privileges of whiteness and the role of emerging technologies From Santa Claus to Easter bunnies flag waving turkeys to gun toting cupids holiday postcards at first seem to be amusing expressions of a halcyon past Yet with knowledge of audience and historical conflicts this book demonstrates how the postcard images reveal deep divides at the height of the Progressive Era

Postcard America Jeffrey L. Meikle, 2016-01-20 From the Great Depression through the early postwar years any postcard sent in America was more than likely a linen card Colorized in vivid often exaggerated hues and printed on card stock embossed with a linen like texture linen postcards celebrated the American scene with views of majestic landscapes modern cityscapes roadside attractions and other notable features These colorful images portrayed the United States as shimmering with promise quite unlike the black and white worlds of documentary photography or Life magazine Linen postcards were enormously popular with close to a billion printed and sold Postcard America offers the first comprehensive study of these cards and their cultural significance Drawing on the production files of Curt Teich Co of Chicago the originator of linen postcards Jeffrey L Meikle reveals how photographic views were transformed into colorized postcard images often by means of manipulation adding and deleting details or collaging bits and pieces from several photos He presents two extensive portfolios of postcards landscapes and cityscapes that comprise a representative iconography of linen postcard views For each image Meikle explains the postcard's subject describes aspects of its production and places it in social and cultural contexts In the concluding chapter he shifts from historical interpretation to a contemporary viewpoint considering
