Salvation in Fresh Perspective Matthew I. Ayars, 2015-10-28 Mainstream Christianity tends to define salvation exclusively in terms of substitutionary atonement Jesus died for me so that I can go to heaven when I die While this is not incorrect nor unbiblical this definition of salvation is incomplete Where does Israel fit into salvation And what about the covenant Most importantly what about the kingdom of God that Jesus preached fervently How do all of these dimensions that are central to the biblical text and its message fit into the bigger picture of salvation Salvation in Fresh Perspective Covenant Cross and Kingdom reminds readers that salvation is not centrally about the believer but about God and his World Renewal Plan Salvation when properly framed by the entire text that runs from Genesis to Revelation is not all about me and Jesus but about God and his plan to renew the creation through the Jewish Messiah and his covenant people Salvation in Fresh Perspective seeks to bring back into focus the often forgotten dimensions of the great story of salvation **The Lost**

My Brother's Keeper Jonathan Burnside, Joanna Adler, Nancy Loucks, Gerry Rose, 2013-06-17 Ten years ago there were no faith based units in prisons outside South America Today they are spreading all over the world including the United States Europe and the Commonwealth My Brother's Keeper is the first major study of a global phenomenon Exploring the roots of faith based units in South America it explains why the Prison Service of England and Wales set up the first Christian based unit in the western world in 1997 and its rapid expansion It also explains how at exactly the same time the United States introduced Christian based units and why they

were complimented by interfaith and multifaith initiatives At the heart of *My Brother's Keeper* is an interior account of life inside four Christian based prison units in England It draws on the findings of a detailed evaluation conducted by the authors for the Home Office Prison Service and Kainos Community between 2000 and 2001 including an updated reconviction study It is an authoritative account of an innovative programme Its analysis of what works and what doesn't in faith based units around the world makes *My Brother's Keeper* a valuable roadmap for all who care about improving prison conditions It presents a vision of justice that is not just concerned with building more prisons but with rebuilding more prisoners It argues that by making prisons more human and punishment more humane faith based units can be of value and keep faith in prisons

Combatting Totalitarianism John A. Moses, 2024-05-16 St Paul the apostle to the gentiles has bequeathed guidelines for both personal and political behavior to individual citizens and to states that have retained their relevance to humanity to this day However his statement in Romans 13 that the powers that be are ordained of God has been interpreted in conflicting ways especially since the time of Martin Luther in sixteenth

century Germany Luther's occasional insistence that the ruler had to be obeyed unquestionably led to a political culture in Prussia Germany that was systematized by the philosopher G W F Hegel 1770 1831 His teachings gave rise to the disastrous ultra authoritarian regimes of both Marxist Leninism left wing Hegelianism and National Socialism right wing Hegelianism The author of this book being equipped with a long training in Prusso German history has explained how this happened and why both Imperial Germany and the Nazi Third Reich unleashed expansionist wars and justified them with ideologies that were both hostile to Western European and transatlantic democratic parliamentary values The author's familiarity with the contemporary history of both the liberal parliamentary West Germany and the authoritarian communist East Germany has enabled him to portray the internecine German debate that was largely influenced by the remarkable ministry of the martyred Lutheran pastor Dietrich Bonhoeffer

Open Wide the Gates Brian D. Cunningham, 2023-10-13 The culture wars show no sign of abating Same sex sexuality continues to be one of the most brutal and bloody fronts in those wars and Christians the fiercest combatants Friendships families churches and denominations continue to draw their lines in the sand split and go their separate ways Meanwhile the lives of many young and old are deeply scarred and some even lost in the crossfire It doesn't have to be that way Challenging the arguments that perpetuate that conflict *Open Wide the Gates* presents a carefully developed biblical theological and ethical argument for the welcome affirmation and inclusion of gays and lesbians in the life and ministry of the local church Its irenic tone and clearly articulated presentation provides pastors denominational leaders and concerned laypeople with a reliable guide for navigating these often turbulent waters In this comprehensive study Brian D Cunningham points to a path forward a path for following Jesus in the twenty first century characterized by grace love and hope a path that demonstrates the radical presence of God's kingdom here on earth for all people regardless of their sexual orientation
