The Burning Time Virginia Rounding, 2024-05-01 This gruesomely entertaining book examines the Tudor zeal for burning people in the name of religion it both purifies and leaves little or no trace The Times of London Book of the Week Smithfield settled on the fringes of Roman London was once a place of revelry Jesters and crowds flocked for the medieval St Bartholomew s Day celebrations tournaments were plentiful and it became the location of London s most famous meat market Yet in Tudor England Smithfield had another more sinister use the public execution of heretics The Burning Time is a vivid insight into an era in which what was orthodoxy one year might be dangerous heresy the next The first martyrs were Catholics who cleaved to Rome in defiance of Henry VIII s break with the papacy But with the accession of Henry s daughter Mary soon to be nicknamed Bloody Mary the charge of heresy was leveled against devout Protestants who chose to burn rather than recant At the center of Virginia Rounding s vivid account of this extraordinary period are two very different characters The first is Richard Rich Thomas Cromwell s prot g who almost uniquely remained in a position of great power influence and wealth under three Tudor monarchs and who helped send many devout men and women to their deaths The second is John Deane Rector of St Bartholomew s who was able somehow to navigate the treacherous waters of changing dogma and help others to survive The Burning Time is their story but it is also the story of the hundreds of men and women who were put to the fire for their faith

30 Events That Shaped the Church Alton Gansky, 2015-01-20 The church of today did not appear on the earth fully formed but developed over the centuries through historical events that while they may seem distant have a direct effect on our everyday lives Following Jesus s command to spread the gospel to the ends of the earth the apostles and their spiritual descendants have grown the church through times of peace and times of war through persecution and pilgrimage The church that began as a rag tag group of Middle Eastern fishermen tax collectors and zealots became the multi ethnic multifaceted church of today Now thirty of those course altering events are brought to life by consummate storyteller Alton Gansky Spanning twenty centuries of history this lively book will entertain and educate readers who love history and who want to know why the church is the way it is today

Preaching from the Cross Frank J. Anderson,2009-05-26 Today traditional forms of preaching are being scrutinized and challenged The biblical sermon is not immune to the pressure to evolve or even fall by the wayside leaving pastors and seminary students confused over how best to communicate to today s listeners In this forward looking textbook Kenton Anderson delivers a strong call to current and future ministers to indeed choose to preach biblical sermons despite the obstacles to doing so While preaching itself is non negotiable the exact form it takes can be much more flexible allowing people to hear from God as they hear his Word preached Rather than presenting one model or process for preparing a sermon Anderson explains several available options As you discern your message from the Bible will you begin with the text deductive or with the listener inductive Will you focus on the idea cognitive or the image affective The choices you make lead to five possible sermon structures DECLARATIVE make an argument PRAGMATIC solve a mystery NARRATIVE tell a story VISIONARY paint a picture INTEGRATIVE sing a song Each model is described in detail and related to well known contemporary preachers including John MacArthur Rick Warren Eugene Lowry and Rob Bell This book equips you with a variety of tools for your preaching tool kit A CD ROM with additional helpful resources is included as well as discussion questions and practical exercises The Child's Story Bible Catherine F.
