*Mother Bodies, Father Bodies* W. Bradford Wilcox, Kathleen A. Kovner Kline, 2012-10-31 Do the words mother and father mean the same thing or different things If there are differences do those differences matter In *Mother Bodies Father Bodies How Parenthood Changes Us from the Inside Out* social scientists and natural scientists come together to offer new findings on the meaning of parenthood which push the boundaries on recent assumptions *Sex Scandal* Ashley McGuire, 2017-02-13 Men and women used to cheer vive la difference But now contrary to all science and common sense we are supposed to believe that there is no difference And if you insist there is you just might be accused of a hate crime Our culture and our laws are endorsing a worldview rooted in craziness For instance we are told that Boys who think they are girls and who could change their minds tomorrow should be allowed to participate in girls sports and shower in their locker rooms Expectant mothers are now birthing individuals Coed college dorm rooms and bathrooms are great but single sex clubs are a campus danger It is horrible for stores to have separate boys and girls clothing departments let alone toy sections It would be a great idea for our military to lower physical standards and push young women and mothers into combat roles in the military If you think that is insanity you are not alone but you might be surprised at just how widespread and successful this lunatic campaign has become In her compelling new book *Sex Scandal* journalist Ashley McGuire takes this radical campaign to task and reveals How so called gender norming flies in the face of science which is proving that men and women are even more different than commonly acknowledged Why especially if you have kids it is almost impossible to avoid the dangerous consequences of a gender neutral world How embracing sexual differences can make policing safer government more efficient and hedge funds lose less money How gender neutrality is making women more vulnerable to violence How the word gender formerly a grammatical term has been used to dismiss the reality of definite biological sex male and female with fluid gender identities Why gender insanity is not something we can just ignore and hope will fade away but need to refute now with hard cold facts before it does any more damage which it likely will *Sex Scandal The Drive to Abolish Male and Female* is packed with news breaking interviews shocking examples and inconvenient facts that everyone needs to read and act on **La familia ante la revolución posmoderna** Diogo Morais Sarmento Madureira, 2024-01-10 Diogo Morais Sarmento Madureira invita a un apasionante viaje intelectual al debate político contemporáneo sobre la familia arrojando luz sobre factores históricos y antropológicos que refuerzan el valor de los lazos familiares y la necesidad de protegerlos Este libro desentraña a las complejas influencias filosóficas y políticas que frecuentemente conllevan el desprecio por aspectos estructurantes de la noción de familia ayudando a comprender el modo como la discusión sobre la familia está impactando nuestras vidas y libertades más básicas incluyendo la de educar y aprender Un tema central es la deconstrucción del concepto de género en base a una teoría que lo presenta como pura construcción social Con sensibilidad y perspicacia se exploran los efectos de esa teoría para la comprensión del parentesco y de la familia mientras se señalan los progresos en busca de la

igualdad entre los sexos y la enriquecedora complementariedad entre mujeres y hombres madres y padres Mediante una erudición sólida y una prosa cautivadora se analizan aspectos fundamentales en la definición de la familia compartidos por diversos ambientes histórico culturales se enfatiza la pertinencia de enseñanzas comprobadas y se cuestionan ideas muy difundidas pero quizás no tan consensuales *The Complementarity of Women and Men* Paul C. Vitz, 2021-04-30
