New Maternalisms: Tales of Motherwork (dislodging the Unthinkable) Rokhsana Badruddoja, 2016-04-01 New Maternalisms Tales of Motherwork Dislodging the Unthinkable explores the perceptions of those who engage in and or research motherwork or the labour of caregiving and how mothers view themselves in comparison to broader normative understandings of motherwork Here the anthology serves to deconstruct motherwork by highlighting and dislodging it from maternal ideology the socially constructed good mom read as sacrificial mom and feminized hegemonic discourse The objective of the edited volume then is to critically explore how we experience motherwork what motherwork might mean and how motherwork impacts and is impacted by the communities in which we

live Such an examination involves contesting dominant ways of thinking about motherwork The Political Uses of Motherhood in America Cynthia Stavrianos, 2014-11-13 As various contemporary groups use the language of motherhood to advance their political causes maternal rhetoric has become very visible in the American political discourse of late Yet while it has long been recognized that women have invoked their political status as mothers to organize and authorize their political action in the past scholars have only just begun to examine the recent reemergence of this frame This book describes the wide variety of political causes that mothers are organizing to address and analyses whether ideologically conservative organizations are disproportionately represented among groups using motherhood to mobilize women Stavrianos examines the use of maternal discourses in closer detail through a comparative case study of five groups using motherhood as their primary frame for collective political action Mothers Against Drunk Driving Million Mom March Mothers Against Illegal Aliens Mainstreet Moms Organize or Bust and Mothers in Charge Scholars interested in women and politics interest group politics social movements political behavior women s studies motherhood studies and framing strategies will find this book noteworthy as it adds to a growing body of literature exploring the use of motherhood as an emerging political frame and to the interdisciplinary discussion of contemporary discourses of motherhood
