Original Six True Stories From Hockey's Classic Era

Jason Blake, Andrew C. Holman

Original Six True Stories From Hockey's Classic Era:

The Same but Different Jason Blake, Andrew C. Holman, 2017-08-21 From coast to coast hockey is played, watched, loved and detested but it means something different in Quebec. Although much of English Canada believes that hockey is a fanatically followed social unifier, in the French speaking province in reality it has always been politicized, divided and troubled by religion, class, gender and language. In *The Same but Different*, writers from inside and outside Quebec assess the game's history and culture in the province from the nineteenth century to the present. This volume surveys the past and present uses of hockey and how it has been represented in literature, drama, television and autobiography. While the legendary Montreal Canadiens loom throughout the book's chapters, the collection also discusses Quebecers' favourite sport beyond the team's shadow. Employing a broad range of approaches including study of gender, memory and culture, the authors examine how hockey has become a lightning rod for discussions about Quebec's identity. Hockey reveals much about Quebec and its relationship with the rest of Canada. *The Same but Different* brings new insights into the celebrated game as a site for community engagement, social conflict and national expression.

Canadian Hockey Literature Jason Blake, 2010-01-01 Hockey occupies a prominent place in the Canadian cultural lexicon as evidenced by the wealth of hockey centred stories and novels published within Canada. In this exciting new work Jason Blake takes readers on a thematic journey through Canadian hockey literature examining five common themes: nationhood, the hockey dream, violence, national identity and family as they appear in hockey fiction. Blake examines the work of such authors as Mordecai Richler, David Adams Richards, Paul Quarrington and Richard B. Wright, arguing that a study of contemporary hockey fiction exposes a troubled relationship with the national sport. Rather than the storybook happy ending common in sports literature of previous generations, Blake finds that today's fiction portrays hockey as an often glorified sport that in fact leads to broken lives and ironic outlooks. The first book to focus exclusively on hockey in print, *Canadian Hockey Literature* is an accessible work that challenges popular perceptions of a much beloved national pastime.

The Way It Looks from Here Stephen Brunt, 2010-06-11 In the first ever anthology of its kind, Canada's premier sportswriter, *Globe and Mail* columnist and author of the internationally acclaimed bestseller *Facing Ali*, brings together the best writing on sport in this country with a strong contemporary flavour. It's all here: classic reports on Canada's great sporting triumphs from Joe Carter's World Series winning home run for the Toronto Blue Jays in 1993 to the excitement of the back-to-back men's and women's hockey gold medals in Salt Lake City. Stephen Brunt gives an entire section to writers who, unlike those covering other beats, must work tightly by the clock, submitting their stories just as soon as the action for the day is over. But he has also chosen our best writers' more thoughtful pieces on our national obsessions, such as Ed Willes on the WHA's seven tumultuous years and Wayne Johnston on the Original Six, and a good sampling of the great sportswriters such as Trent Frayne, Peter Gzowski and Milt Dunnell. The net effect is an examination of the deep role sport plays in our lives and imaginations in our sense of self.

and nationhood Stephen Brunt has cast his net widely He includes superb stories of lower profile Canadian sports such as wrestling and horse racing even Monster Truck battles and allows space for his own unequalled and unforgettable profiles of Muhammad Ali and Mike Tyson as well as his post mortem on Ben Johnson's fall from grace Full of triumph and heartbreak great writing and great passions and a few wonderful surprises this book will be essential reading for every serious sports fan Including Ian Brown on the stud horse business Christie Blatchford on the 2003 Women's Olympic Hockey Gold Rosie DiManno on the Men's James Christie on Ben Johnson's 1988 Olympic triumph in Seoul Michael Faber on Pat Burns Red Fisher on Lemieux and Gretzky at the 1987 Canada Cup Trent Frayne on Canadian Open golf champ Ken Green deciding to play Sun City during apartheid Bruce Grierson on Canada's best squash player Peter Gzowski on the Oilers with Gretzky Tom Hawthorn on John Brophy's last brawl Brian Hutchinson on Owen Hart's widow's revenge Wayne Johnston on the Montreal Canadiens Guy Lawson on curling Allan Maki on the 1989 Hamilton Saskatchewan Grey Cup Dave Perkins on the biggest home run in World Series history Mordecai Richler on snooker's Cliff Thorburn Steve Simmons on Donovan Bailey Mike Ulmer on Cujo's charm and more

Galveston Paul Quarrington, 2010-01-11 From one of Canada's beloved fiction writers comes a tale of love and loss guilt and forgiveness and finding redemption in the eye of a hurricane Few people seek out the tiny Caribbean island of Dampier Cay Visitors usually wash up there by accident rather than by design But this weekend three people will fly to the island deliberately They are not coming for a tan or fun in the sun They are coming because Dampier Cay is where it is and they have reason to believe that they might encounter something there that most people take great measures to avoid a hurricane A lottery windfall and a few hours of selfishness have robbed Caldwell of all that was precious to him while Beverly haunted by tragedy and screwed by fate since birth has given up on life Also on the flight is Jimmy Newton a professional storm chaser and videographer who will do anything for the perfect shot Waiting for them at Dampier is the manager of the Water's Edge Hotel Bonefish Maywell Hope who arrived at Dampier by the purest accident of all the accident of birth A descendent of the pirates who sailed the Caribbean hundreds of years ago Hope believes if he works hard enough he can prevent the inevitable Until that is the seas begin to rise Cinematic and harrowing spiced with Quarrington's trademark humour Galveston shows just how far people will go to feel alive

King Leary Paul Quarrington, 2011-08-10 Selected as the 2008 CBC Canada Reads Winner A dazzling display of fictional footwork The author has not written just another hockey novel he has turned hockey in a metaphor for magic Maclean's Percival Leary was once the King of the Ice one of hockey's greatest heroes Now in the South Grouse Nursing Home where he shares a room with Edmund Blue Hermann the antagonistic and alcoholic reporter who once chronicled his career Leary looks back on his tumultuous life and times his days at the boys reformatory when he burned down a house the four mad monks who first taught him to play hockey and the time he executed the perfect St Louis Whirlygig to score the winning goal in the 1919 Stanley Cup final Now all but forgotten Leary is only a legend in his own mind until a high powered advertising agency

decides to feature him in a series of ginger ale commercials With his male nurse his son and the irrepressible Blue Leary sets off for Toronto on one last adventure as he revisits the scenes of his glorious life as King of the Ice *Refereeing Identity* Michael Buma,2012-03-09 Hockey novels in Canada have emerged and thrived as a popular fiction genre building on the mythology of Canadian hockey as a rough testosterone fuelled bastion of masculinity However recent decades have also been a period of uncertainty and change for the game where players and teams have been exported to the US and traditional gender assumptions in hockey have increasingly been questioned In *Refereeing Identity* Michael Buma examines the ways in which the hockey novel genre attempts to reassure readers that threatened traditional Canadian and masculine identities still thrive on the ice In a period of perceived crisis and flux hockey novels offer readers the comforting familiarity of earlier times when the game was synonymous with Canada and men were defined by their physical strength This comprehensive study of Canadian hockey novels draws on history sport sociology and literary criticism to challenge assumptions and stereotypes about identity With the return of the Winnipeg Jets refuelling hockey nationalism and the public debate over hockey violence intensifying *Refereeing Identity* is a timely and incisive account of how the game is represented and misrepresented in Canadian society *The Publishers Weekly* ,1996 **The Library Journal** ,1997 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately *The Gregg Reference Manual* William A. Sabin,1999 The Gregg Reference Manual is a handbook of grammar usage primarily intended for office administration students Students in this market spend most of their time editing reports and letters for grammar style and format With the Gregg manual students become proficient at editing business communication through the instruction on grammar spelling usage and have exercises to refine their skills in the accompanying worksheets This edition has been updated to include only references to word processing software while eliminating mention of the typewriter While the emphasis is on grammar there is some instruction on general office procedures dictating filing *The Canadian Forum* ,1996 Includes critical reviews **Reader's Choice** Kim Flachmann,Michael Flachmann,Alexandra MacLennan,2002 Designed for Developmental Writing courses Essay level An appealing alternative to the popular Reader's Choice now in its third Canadian edition Reader's Choice Essays and Stories adds fiction to provide a broader range of models of writing The book's primary purpose continues to be helping students improve their ability to think read and write on progressively more sophisticated levels *Canadian Who's Who 2008* Elizabeth Lumley,2008-01-05 Now in its ninety eighth year of publication this standard Canadian reference source contains the most comprehensive and authoritative biographical information on notable living Canadians Those listed are carefully selected because of the positions they hold in Canadian society or because of the contribution they have made to life in Canada The volume is updated annually to ensure accuracy and 600 new entries are added each year to keep current with developing trends and issues in Canadian society Included are outstanding Canadians from all walks of life politics media

academia business sports and the arts from every area of human activity Each entry details birth date and place education family career history memberships creative works honours and awards and full addresses Indispensable to researchers students media business government and schools Canadian Who's Who is an invaluable source of general knowledge The complete text of Canadian Who's Who is also available on CD ROM in a comprehensively indexed and fully searchable format Search astronaut or entrepreneur of the year aboriginal achievement award and Order of Canada and discover a wealth of information Fast easy and more accessible than ever the Canadian Who's Who on CD ROM is an essential addition to your electronic library *The Seventies in America* John C. Super, Tracy Irons-Georges, 2006 Presents volume two of a three volume encyclopedia that describes the events movements trends people sports science music politics and more of the 1970s listed in alphabetical order Library Journal ,1997 Index de Périodiques Canadiens ,1998 Canadian Books in Print ,1997 The Writers Directory 2008 Michelle Kazensky, 2007-06 Features bibliographical biographical and contact information for living authors worldwide who have at least one English publication Entries include name pseudonyms addresses citizenship birth date specialization career information and a bibliography Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 **New York Magazine** ,1993-09-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Book Review Digest** ,1999
