**A Mother Loss Workbook** Diane Hambrook, 1997-10-07 To tell you how to use this workbook would be like giving you instructions on how to grieve Impossible The only thing we know for sure is that no two people will approach this work in the same way If there s one thing you should remember as you begin this process it is this You are not alone With that knowledge you ve already begun to heal from A Mother Loss Workbook Inspired by Hope Edelman s bestselling *Motherless Daughters* authors Diane Hambrook and Gail Eisenberg have created a sensitive m accessible workbook for women suffering the wounds of early mother loss A Mother Loss Workbook is designed to help the motherless daughter tell the story she needs to tell her story Its varied exercises open ended questions writing topics and activities drawn from Hambrook s years of work with motherless daughters provide both careful direction and generous room for self expression This book is a safe place where no one will judge a woman where the work she must do can be done in her own time at her own pace and at any stage of mourning A Mother Loss Workbook is an ideal supplement for personal therapy and support groups but it is an important and perhaps the only tool for women just starting their journey or who are hesitant to go public with their feelings Whether a woman uses it privately or shares it with a group no matter how long its been since her mother died A Mother Loss Workbook will guide her toward fully understanding her loss and taking charge of her future
