James Bennett is known the world over as the perfect catch, handsome, wealthy, and the owner of an intimidating castle on a Cornish Cliff. Chy An Als Point. Belle and James meet and in one night they fall in love. The problem is Belle's dating James's brother. As quickly as they fall together, Belle and James are torn apart. Not long after, circumstances throw them back into each other's lives and they find they were right that first romantic night they were meant to be. Even if their families want them together, James's brother Miles does not. Bounty Kristen Ashley, 2016-04-18 Justice Lonesome has enjoyed a life of bounty. Even so, she's inherited the curse of the Lonesome, a poet's soul. Which means she's still searching for something. Searching for peace. Searching for the less that's more. And when the foundation of her life is pulled out from under her, grieving, she goes to the mountains to find her oasis. She hits Carnal, Colorado, and decides to stay. Deke Hightower lost everything at the age of two. He lost it again at fifteen. His life has not been about bounty. It's been about learning to live with less because there's no way to get more. Deke's also watched all his friends go down to the women who gave them what they needed. He wants that for himself. But he knows that search isn't going to be easy because he's a rider. His home is the road. That's the only place he can breathe. And the woman who takes her place at his side has to do it sitting on the back of his bike. When Deke meets Justice, he knows she's not that woman. She's cute. She's sweet. And she's into him, but she's got it all and Deke knows he won't fit into that. So he holds her at arm's length. Establishes boundaries. And Justice
