Ferrigno, 2002 **501 Must-Visit Destinations** D Brown, J Brown, A Findlay, 2007-10-15 A reference guide to those must see places all over the globe The book covers 501 must visit destinations ranging from remote hideaways and tropical islands to bustling cities breathtaking monuments and stunning landscapes across the world Stunning photography sits alongside informative text and a summary of don't miss features of each site *Fact Sheet*, 2005 **Geology of U.S. Parklands** Eugene P. Kiver, David V. Harris, 1999-06-15 A fascinating and accessible introduction to the principles of physical and historical geology For the millions who visit them each year U.S. national parklands offer a glittering spectacle of natural wonders But beyond the spectacular scenery these national treasures have a much bigger more awe inspiring tale to tell a sprawling story of upheaval and transformation involving forces and time spans almost beyond imagining The purpose of this book is to provide you with the knowledge you need to read and interpret that story and to make visits to the parklands even more special Requiring no prior familiarity with the geological sciences this region by region exploration of the U.S. parklands teaches the principles of physical and historical geology by example It begins with a general introduction to all important concepts terms and principles In the chapters that follow the authors take you on a tour through the geological regions of the United States Beginning with

Hawaii and the Pacific borderlands and moving progressively eastward to the Appalachian Mountains and the coastal plains of the East Coast they provide you with a geologist's eye view of the landforms mountains and bodies of water encountered in over 70 national parks and monuments and tell the fascinating story of their evolution Lavishly illustrated with nearly 300 stunning photographs and maps and featuring greatly expanded coverage of the geological story history and culture of U S parks and monuments this new edition of Dr David Harris's classic text is an ideal introduction to the principles of geology for students and nature enthusiasts alike

Hiking North America's Great Western Volcanoes Tom Prisciantelelli, 2004 Here is an excellent opportunity to learn about the volcanic events and landforms of the American West while hiking ten trails through its most scenic mountains Hikes in New Mexico Arizona Wyoming California Oregon and Washington reveal the fury of past events and demonstrate the power of volcanic activity today In this book and on the trails geology and archaeology intersect to tell a tale of landforms rising from the earth and the ancient people's struggle to persist and adapt Geologists have died studying volcanic eruptions Native Americans wrote gods into their history while watching fire burst from the ground Hiking these mountains turns exercise into awe and respect for the energy still building under these massive ranges The author explores the most interesting landforms with some trails to summit craters and others through the innards of decapitated volcanoes still standing as high mountains For more than thirty years Tom Prisciantelelli has driven the roads and hiked the trails of the American West In his first book *Spirit of the American Southwest* he explored along hiking trails the geology of the Southwest and the arrival of the Native American's ancestors From that exercise he was fascinated by a particular chapter in the geology lesson he learned on the road that dealing with volcanoes His research for this book took him along that path The author and his wife live in a solar powered adobe home in northern New Mexico in full view and respect for one of the volcanoes about which this book was written

Awakening America William Lee Michaels, 2015-12-02 This little handbook for America illustrates a journey on the spiritual path that sets a clear course into discovery As we peruse its pages we begin to feel the author's joyful certainty that a sincere dedication to find the truth will bear fruit for all who are willing to seek it The author's vision is that America finds in the spiritual path a new dream of liberty that is reachable A sweet pure love for America pours through the author's experiences with the deep conviction that America is so glorious that she can transcend beyond politics as usual and that America herself carries forward her flag of honor We all reap the glory of our sacred founding documents as we catch this vision Through the story of the author's committed spiritual quest are discussions of Ascended Masters reincarnation revelation body cleansing communion and how to cope with energy projections all explored as tools toward spiritual seasoning It appears that spiritual enlightenment can come through a careful personal cultivation of harmony and peace This book ushers in a spiritual renewal for America
