African Americans that serving in the military offered a sure path to freedom Once a black man became a soldier Douglass declared there is no power on earth or under the earth which can deny that he has earned the right to citizenship in the United States More than 180 000 black men heeded his call to defend the Union only to find the path to equality would not be so straightforward In this sharply drawn history Professor Elizabeth D Leonard reveals the aspirations and achievements as well as the setbacks and disappointments of African American soldiers Drawing on eye opening firsthand accounts she restores black soldiers to their place in the arc of American history from the Civil War and its promise of freedom until the dawn of the 20th century and the full retrenchment of Jim Crow Along the way Leonard offers a nuanced account of black soldiers involvement in the Indian Wars their attempts to desegregate West Point and gain proper recognition for their service and their experience of Reconstruction nationally as blacks worked to secure their place in an ever changing nation With abundant primary research enlivened by memorable characters and vivid descriptions of army life *Men of Color to Arms* is an illuminating portrait of a group of men whose contributions to American history need to be further recognized *The Routledge Sourcebook of Religion and the American Civil War* Robert R. Walther, 1992 Late to the Fight Alexandre F. Caillot, 2025-05-07 In *Late to the Fight* Alexandre F Caillot explores the combat performance of the Union soldiers who filled newly raised regiments that fought through the Civil War's final year Historians have typically regarded these late enlistees as substandard to those who signed on at the war's start Using the experiences of the 17th Vermont and 31st Maine Volunteer Infantry Regiments to assess the record of late arriving soldiers under fire Caillot shows that these forgotten boys in blue left behind a record of valor and sacrifice essential to achieving the destruction of the Confederacy
