Morales, Claudio Fuentes**

## **Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy:**

*Ordinary People in Extraordinary Times* Nancy G. Bermeo, 2003-08-10 Sample Text      **Shock to the System** Michael K. Miller, 2021-07-20 How violent events and autocratic parties trigger democratic change How do democracies emerge Shock to the System presents a novel theory of democratization that focuses on how events like coups wars and elections disrupt autocratic regimes and trigger democratic change Employing the broadest qualitative and quantitative analyses of democratization to date Michael Miller demonstrates that more than nine in ten transitions since 1800 occur in one of two ways countries democratize following a major violent shock or an established ruling party democratizes through elections and regains power within democracy This framework fundamentally reorients theories on democratization by showing that violent upheavals and the preservation of autocrats in power events typically viewed as antithetical to democracy are in fact central to its foundation Through in depth examinations of 139 democratic transitions Miller shows how democratization frequently follows both domestic shocks coups civil wars and assassinations and international shocks defeat in war and withdrawal of an autocratic hegemon due to autocratic insecurity and openings for opposition actors He also shows how transitions guided by ruling parties spring from their electoral confidence in democracy Both contexts limit the power autocrats sacrifice by accepting democratization smoothing along the transition Miller provides new insights into democratization s predictors the limited gains from events like the Arab Spring the best routes to democratization for long term stability and the future of global democracy Disputing commonly held ideas about violent events and their effects on democracy Shock to the System offers new perspectives on how regimes are transformed      [The Routledge Handbook of Autocratization](#) Aurel Croissant, Luca Tomini, 2024-05-14 The Routledge Handbook of Autocratization comprehensively and systematically explores the current understanding and uncharted research paths of autocratization With wide reaching regional coverage and expert analysis from Asia North and South America Europa the Middle East and North Africa this handbook reveals cross country and cross regional analysis and insights and presents in depth explanations and consequences of autocratization Arranged in five thematic parts chapters explore the basic aspects of conceptualization theorization and measurement of autocratization the role of various political and non political actors as perpetrators supporters bystanders or defenders of democracy against autocratization processes and the consequences across various policy fields Showcasing cutting edge research developments the handbook illustrates the deeply complex nature of the field examining important topics in need of renewed consideration at a time of growing concerns for democracy and the global spread of authoritarian challenges to democracy The Routledge Handbook of Autocratization will be a key reference for those interested in and studying authoritarianism democratization human rights governance democracy and more broadly comparative politics and regional area studies Chapter 2 and Chapter 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC

BY NC ND 4 0 International license chapter 2 and Creative Commons Attribution CC BY 4 0 International license Chapter 11

Introducing Comparative Politics Stephen Orvis, Carol Ann Drogus, 2019-12-30 Introducing Comparative Politics The Essentials is focused on core concepts and the big picture questions in comparative politics Who rules What explains political behavior Where and why Stephen Orvis and Carol Ann Drogus demonstrate the strengths and weaknesses of commonly debated theories structures and beliefs and push students to apply their understanding While detailed case studies can go in depth on specific countries and political systems this book distills its country material into the narrative increasing global awareness current event literacy and critical thinking skills Adapted from the authors Introducing Comparative Politics Fifth Edition The Essentials version offers the same framework for understanding comparative politics in a briefer format allowing you to teach the course the way you want to teach it

The International Politics of Authoritarian Rule Oisín Tansey, 2016 Autocrats must overcome a range of challenges as they seek to gain and maintain political power including the threat that comes from both rival elites and discontented publics The International Politics of Authoritarian Rule examines the ways in which international forces can encourage and assist autocratic actors in overcoming these challenges Often autocratic incumbents are strengthened in power by events on the international stage and by the active support of international allies The book offers a typology of different international forms of influence on authoritarianism and examines the ways in which external forces shape autocratic rule at the domestic level The typology distinguishes between three broad forms of international influence passive influences unintended consequences and active forms of external autocratic sponsorship The book focuses in particular on the latter category and examines intentional autocratic sponsorship in the post Cold War period A central contribution of the book is to address the question of how international autocratic sponsorship can bolster authoritarian rule It highlights the ways in which international sponsorship can contribute to authoritarian practices is three significant ways by increasing the likelihood that authoritarian regimes will pursue authoritarian practices such as coups repression or election fraud by contributing to the implementation of those practices and finally by shielding autocratic actors from international punishment after such practices are pursued External sponsorship can thus lower the costs of authoritarian behaviour and protect and shield authoritarian regimes from the negative consequences of their actions Oxford Studies in Democratization is a series for scholars and students of comparative politics and related disciplines Volumes concentrate on the comparative study of the democratization process that accompanied the decline and termination of the cold war The geographical focus of the series is primarily Latin America the Caribbean Southern and Eastern Europe and relevant experiences in Africa and Asia The series editor is Laurence Whitehead Senior Research Fellow Nuffield College University of Oxford

Democratic Culture and Moral Character Jerome Braun, 2013-06-03 This book returns critical theory to its roots in both psychology and the social sciences It shows some of the relationships between equality in a political and social sense and personal identity that either relates well to such equality or rebels against it All this reflects processes of

social and cultural influence that involve not only random change but also processes of social and cultural evolution that themselves have effects regarding potentials for self fulfillment and even public morality This book provides a framework to help one study the interaction between individual aspirations and social opportunities Jerome Braun known for his writings in interdisciplinary social science an approach he calls pragmatic critical theory here provides a book that discusses issues relevant to the moral underpinnings of democratic society including issues of social evolution and of culture and personality This book will be of particular interest to scholars and students of Psychology particularly in the areas of Psychology of Personality and Cultural Psychology Sociology especially those interested in Sociology of Alienation and Sociology of Culture as well as Sociology of Mental Health Anthropology particularly in the area of Psychological Anthropology Cultural Studies and Social Theory in general

**Confucianism and Democratization in East Asia** To-ch'öl Sin,2012 This book examines how Confucianism affects the development of democratic citizenship in East Asia To what extent do East Asians remain attached to the particular way of life and system of government that Confucius and Mencius advocated to bring about a community of grand harmony How does such attachment to Confucian civic norms affect their engagement in civic affairs How does attachment to Confucian paternalistic meritocracy affect their commitment to democracy The book addresses these question in the context of public opinion surveys conducted in East Asia and other regions Provided by publisher

**Malaise in Representation in Latin American Countries** Alfredo Joignant,Mauricio Morales,Claudio Fuentes,2016-12-23 This edited volume examines malaise with democracy within three middle income Latin American countries Chile Argentina and Uruguay In particular the book focuses on the gap within public opinion on democratic system within the context of crisis of representation and breakdowns of democracy Based on a study using comparative and systematic survey data the contributors of this volume provide a solid analysis on the state of democracy in three Latin American countries whose lessons are useful for all types of democracy in the north and the south

**Dragon in the Tropics** Javier Corrales,Michael Penfold,2015-02-25 This new and expanded edition of Dragon in the Tropics the widely acclaimed account of how president Hugo Ch vez 1999 2013 revamped Venezuela s political economy examines the electoral decline of Chavismo after Chavez s death and the policies adopted by his successor Nicol s Maduro to cope with the economic chaos inherited from previous radical populist policies Corrales and Penfold argue that Maduro has had to struggle with the inherent contradictions of a large and heterogeneous social coalition a declining oil sector the strength of entrenched military interests and fewer resources to appease international allies which have strenghtened the autocratic features of an already consolidated hybrid regime In examining the new political realities of Venezuela the authors offer lessons on the dynamics of succession in hybrid regimes This book is a must read for scholars and analysts of Latin America

**Autocratization in post-Cold War Political Regimes** Andrea Cassani,Luca Tomini,2018-12-14 This book deals with post Cold War processes of autocratization that is regime change towards autocracy While these processes are growing in number and frequency autocratization

remains a relatively understudied phenomenon especially its most recent manifestations In this volume the authors offer one of the first cross regional comparative analyses of the recent processes of regime change towards autocracy Building on an original conceptual framework the two authors engage in the empirical investigation of the spreading of this political syndrome of the main forms that it takes and of the modes through which it unfolds in countries ruled by different political regimes with different histories and belonging to different regional contexts The research is conducted through a mix of research techniques that include descriptive statistical analysis Qualitative Comparative Analysis and case study This book will be of interest to a heterogeneous readership that encompasses the broader community of scholars analysts observers journalists and practitioners interested in political development and regime change in different geographical areas

**Democratizing Central and Eastern Europe** Luca Tomini, 2015-05-22 At first it was believed that accession to the EU would have a positive effect on the process of democratization in former communist countries However over time it became clear that difficulties with the democratic system endured in a number of these countries This book reconsiders the results of the process of democratization in Central and Eastern Europe and evaluates the nature and effectiveness of the Europeanization process It comparatively explores the process of democratic consolidation and accession to the European Union in Poland Slovakia and Bulgaria Using these case studies the book assesses the impact of the EU on the accountability and integrity of governments in this part of Europe This text will be of key interest to scholars and students of democratization studies European studies EU studies transition studies area studies and international relations

Democratic Deficit Pippa Norris, 2011-02-14 Many fear that democracies are suffering from a legitimacy crisis This book focuses on democratic deficits reflecting how far the perceived democratic performance of any state diverges from public expectations Pippa Norris examines the symptoms by comparing system support in more than fifty societies worldwide challenging the pervasive claim that most established democracies have experienced a steadily rising tide of political disaffection during the third wave era The book diagnoses the reasons behind the democratic deficit including demand rising public aspirations for democracy information negative news about government and supply the performance and structure of democratic regimes Finally Norris examines the consequences for active citizenship for governance and ultimately for democratization This book provides fresh insights into major issues at the heart of comparative politics public opinion political culture political behavior democratic governance political psychology political communications public policymaking comparative sociology cross national survey analysis and the dynamics of the democratization process *Continent at a Crossroads* Frances K. Scott, 2006 **Special Bibliography Series**, 1957 *New Challenges to Democratization* Peter Burnell, Richard Youngs, 2009-12-04 This important text explores the widespread contention that new challenges and obstacles have arisen to democratization assessing the claim that support for democratization around the world is facing a serious challenge Bringing together leading international scholars of democratization including Thomas Carothers Michael

McFaul Laurence Whitehead Bassma Kodmani Nancy Bermeo Marina Ottaway Shaun Breslin and Renske Doorenspleet this book examines the issues relating to developments within non democratic states and issues related to the democratic world and its efforts to support the spread of democracy Featuring in depth studies on the limits of US democracy promotion the Middle East Russia China and new democracies the book sheds light on such questions as Is the wave of democratization now in retreat or should we be careful not to exaggerate the importance of recent setbacks Do serious sustainable alternatives to democracy now exist Is international democracy promotion finished New Challenges to Democratization brings together a variety of academics and writers from major think tanks in the United States and Europe and makes the book ideally suited to a wide international readership This book will be of particular interest to students and scholars of democratization comparative politics and international politics Democratic Stability in an Age of Crisis Agnes

Cornell, Jørgen Møller, Svend-Erik Skaaning, 2020-04-15 The interwar period has left a deep impression on later generations This was an age of crises where representative democracy itself a relatively recent political invention seemed unable to cope with the challenges that confronted it Against the backdrop of the economic crisis that began in 2008 and the rise of populist parties a new body of scholarship frequently invoked by the media has used interwar political developments to warn that even long established Western democracies are fragile Democratic Stability in an Age of Crisis challenges this interwar analogy based on the fact that a relatively large number of interwar democracies were able to survive the recurrent crises of the 1920s and 1930s The main aim of this book is to understand the striking resilience of these democracies and how they differed from the many democracies that broke down in the same period The authors advance an explanation that emphasizes the importance of democratic legacies and the strength of the associational landscape i e organized civil society and institutionalized political parties Moreover they underline that these factors were themselves associated with a set of deeper structural conditions which on the eve of the interwar period had brought about different political pathways The authors empirical strategy consists of a combination of comparative analyses of all interwar democratic spells and illustrative case studies The book's main takeaway point is that the interwar period shows how resilient democracy is once it has had time to consolidate On this basis recent warnings about the fragility of contemporary democracies in Western Europe and North America seem exaggerated or at least that they cannot be sustained by interwar evidence Comparative Politics is a series for researchers teachers and students of political science that deals with contemporary government and politics Global in scope books in the series are characterized by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit [www.ecpr.net/eu](http://www.ecpr.net/eu) The series is edited by Susan Scarrow Chair of the Department of Political Science University of Houston and Jonathan Slapin Professor Department of Political Science University of Zurich Defeating Authoritarian Leaders in Postcommunist Countries Valerie J. Bunce, Sharon L. Wolchik, 2011-06-30 From 1998 to 2005 six elections took place in

postcommunist Europe that had the surprising outcome of empowering the opposition and defeating authoritarian incumbents or their designated successors Valerie J Bunce and Sharon L Wolchik compare these unexpected electoral breakthroughs They draw three conclusions First the opposition was victorious because of the hard and creative work of a transnational network composed of local opposition and civil society groups members of the international democracy assistance community and graduates of successful electoral challenges to authoritarian rule in other countries Second the remarkable run of these upset elections reflected the ability of this network to diffuse an ensemble of innovative electoral strategies across state boundaries Finally elections can serve as a powerful mechanism for democratic change This is especially the case when civil society is strong the transfer of political power is through constitutional means and opposition leaders win with small mandates

**Latin American Politics** Eduardo Alemán, 2020-07-23 While it is true that poverty political instability and economic under performance continue to be major problems in Latin America the region has made substantial progress in raising standards of living and overcoming military authoritarianism Latin American Politics reflects just how much the region has changed in the last two decades Eduardo Alemán draws on contemporary research in comparative studies on institutions elections and public opinion to highlight the big questions that political scientists seek to answer today What are the causes of political instability What factors have influenced changes in economic and gender inequality What are the implications of different political institutions for political outcomes

**How Democracies Die** Steven Levitsky, Daniel Ziblatt, 2018 Fateful alliances Gatekeeping in America The great Republican abdication Subverting democracy The guardrails of democracy The unwritten rules of American politics The unraveling Trump against the guardrails Saving democracy

*The Third Wave of Democratization in Latin America* Frances Hagopian, Scott P. Mainwaring, 2005-06-06 The late twentieth century witnessed the birth of an impressive number of new democracies in Latin America This wave of democratization since 1978 has been by far the broadest and most durable in the history of Latin America but many of the resulting democratic regimes also suffer from profound deficiencies What caused democratic regimes to emerge and survive What are their main achievements and shortcomings This volume offers an ambitious and comprehensive overview of the unprecedented advances as well as the setbacks in the post 1978 wave of democratization It seeks to explain the sea change from a region dominated by authoritarian regimes to one in which openly authoritarian regimes are the rare exception and it analyzes why some countries have achieved striking gains in democratization while others have experienced erosions The book presents general theoretical arguments about what causes and sustains democracy and analyses of nine compelling country cases

Thank you extremely much for downloading **Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy**. Maybe you have knowledge that, people have seen numerous times for their favorite books subsequent to this Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy, but end stirring in harmful downloads.

### **Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy Introduction**

In today's digital age, the availability of Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy books and manuals for download has revolutionized the way we access information. Gone are the days of

physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and

historical documents. In conclusion, Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy books and manuals for download and embark on your journey of knowledge?

### **FAQs About Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy is one of the best book in our library for free trial. We provide copy of Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy. Where to download Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy online for free? Are you looking for Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and
