Ordinary Egyptians Creating The Modern Nation Through Popular Culture:

Ordinary Egyptians Ziad Fahmy, 2011-05-31 Examines how popular media and culture provided ordinary Egyptians with a framework to construct and negotiate a modern national identity **Ordinary Egyptians** Ziad Adel Fahmy, 2011 The Making of the Arab Intellectual Dyala Hamzah, 2012 In the wake of the Ottoman Empire's nineteenth century reforms as guilds waned and new professions emerged the scholarly estate underwent social differentiation Some found employment in the state's new institutions as translators teachers and editors whilst others resisted civil servant status Gradually the scholar morphed into the public writer Despite his fledgling status he catered for the public interest all the more so since new professionals such as doctors engineers and lawyers endorsed this latest social role as an integral part of their own self image This dual preoccupation with self definition and all things public is the central concern of this book Focusing on the period after the tax farming scholar took the bow and before the alienated intellectual prevailed on the contemporary Arab cultural scene it situates the making of the Arab intellectual within the dysfunctional space of competing states interests known as the Nahda Located between Empire and Colony the emerging Arab public sphere was a space of over and under regulation hindering accountability and upsetting allegiances The communities that Arab intellectuals imagined including the Pan Islamic Pan Arab and socialist sat astride many a polity and never became contained by post colonial states Examining a range of canonical and less canonical authors this interdisciplinary approach to *The Making of the Modern Arab Intellectual* will be of interest to students and scholars of the Middle East history political science comparative literature and philosophy

The Oxford Handbook of Modern Egyptian History Beth Baron, Jeffrey Culang, 2024 Until relatively recently scholars of Egyptian history understood the modern period to begin with the movement of European people and ideas to Egypt's northern shores precipitated by Napoleon's invasion in 1798 From this perspective modern Egyptian history was animated by the diverse and sometimes contradictory ways in which Egyptians responded over time to colonial power and modern forms of knowledge This handbook featuring 26 originally commissioned essays by top scholars in the field adds to a growing literature that complicates the facile colonizer colonized and modern tradition binaries undergirding this view Modern Egyptian history is a continuous process of translation and adaptation invention and reinvention Bringing together a dynamic and accomplished group of historians of Egypt the book maps the present state of modern Egyptian history highlighting the most promising avenues of research and laying new ground upon which future generations of scholars may build The contributors address both long persisting themes in the field though in new ways as well as new themes reshaping how we understand modern Egyptian history and thus Middle Eastern and global history These include environment family infrastructure intellectuals labor law literature medicine politics popular culture and slavery Within these categories they explore issues of gender race and class The questions these scholars consider reflect pressing contemporary concerns and debates including medical sovereignty and bodily autonomy the management of the environment the rights and movements

of workers courts and legal struggles cultural expression production and reception and the relationship between the army state and society **Islamic Knowledge and the Making of Modern Egypt** Hilary Kalmbach,2020-10-22 A history of Egypt's first teacher training school exploring 130 years of tension over the place of Islamic ideas and practices within modernized public spheres **Arab liberal thought in the modern age** Meir Hatina,2020-01-15 The provides in depth analysis of Arab liberalism which although lacking public appeal and a compelling political underpinning still sustained viability over time and remained a constant part of the Arab landscape **Recasting Islamic Law** Rachel M. Scott,2021-03-15 By examining the intersection of Islamic law state law religion and culture in the Egyptian nation building process Recasting Islamic Law highlights how the sharia when attached to constitutional commitments is reshaped into modern Islamic state law Rachel M Scott analyzes the complex effects of constitutional commitments to the sharia in the wake of the Egyptian Revolution of 2011 She argues that the sharia is not dismantled by the modern state when it is applied as modern Islamic state law but rather recast in its service In showing the particular forms that the sharia takes when it is applied as modern Islamic state law Scott pushes back against assumptions that introductions of the sharia into modern state law result in either the revival of medieval Islam or in its complete transformation Scott engages with premodern law and with the Ottoman legal legacy on topics concerning Egypt's Coptic community women's rights personal status law and the relationship between religious scholars and the Supreme Constitutional Court Recasting Islamic Law considers modern Islamic state law's discontinuities and its continuities with premodern sharia Thanks to generous funding from Virginia Tech and its participation in TOME Toward an Open Monograph Ecosystem the ebook editions of this book are available as Open Access volumes from Cornell Open cornellpress.cornell.edu/cornell-open and other repositories **Britain in Egypt** Jayne Gifford,2019-12-12 Egypt under the British tends to be looked at now through a post Suez lens an inevitable disaster and the last puncturing of a doomed empire But in fact Egypt for many years was the cornerstone of British success across the Middle East and North Africa This image of empire was shattered after the First World War by the development of nationalism in Egypt the foundation and growth of the nationalist Wafd party led by Saad Zaghlul and the creation of the Muslim Brotherhood in 1928 Throughout this period Britain continued to control the Nile Valley under Field Marshal Allenby and then George Lloyd through a policy of deliberate containment of nationalism and a slow relinquishing of powers culminating in the Anglo Egypt Treaty of 1936 This book will be the first to study that process in the Nile Valley in any great detail and contains previously unpublished primary sources *Childhood and Colonial Modernity in Egypt* Heidi Morrison,2015-10-07 This book examines the transformations of Egyptian childhoods that occurred across gender class and rural urban divides It also questions the role of nostalgia and representation of childhood in illuminating key underlying political social and cultural developments in Egypt **Media and Society** James Curran,David Hesmondhalgh,2019-05-16 Media and Society is an established textbook popular worldwide for its insightful and accessible essays from leading

international academics on the most pertinent issues in the media field today With this updated edition David Hesmondhalgh joins James Curran and a team of leading international scholars to speak to current issues relating to media and gender media and democracy sociology of news the global internet the political impact of the media popular culture the effects of digitisation on media industries media and emotion and other vital topics The media are in a state of ferment and are undergoing far reaching change The sixth edition tries to make sense of the media s transformation and its wider implications Purely descriptive accounts date fast so the emphasis has been on identifying the central issues and problems arising from media change and on evaluating its wider consequences What is judged to be the staple elements of the field has evolved over time as well as becoming more international in orientation Yet the overriding aim of the book to be useful to students has remained constant This text is an essential resource for all media communication and film studies students who want to broaden their knowledge and understanding of how the media operates and affects society across the globe

Language and Identity in Modern Egypt Reem Bassiouney, 2015-01-27 Focussing on nationalist discourse before during and after the revolution of 2011 Reem Bassiouney explores the two way relationship between language in Egyptian public discourse and Egyptian identity Her sources include newspaper articles caricatures *A History of the Modern Middle East* Betty S. Anderson, 2016-04-20 A History of the Modern Middle East offers a comprehensive assessment of the region stretching from the fourteenth century and the founding of the Ottoman and Safavid empires through to the present day protests and upheavals The textbook focuses on Turkey Iran and the Arab countries of the Middle East as well as areas often left out of Middle East history such as the Balkans and the changing roles that Western forces have played in the region for centuries to discuss the larger contexts and influences on the region s cultural and political development Enriched by the perspectives of workers and professionals urban merchants and provincial notables slaves students women and peasants as well as political leaders the book maps the complex social interrelationships and provides a pivotal understanding of the shifting shapes of governance and trajectories of social change in the Middle East Extensively illustrated with drawings photographs and maps this text skillfully integrates a diverse range of actors and influences to construct a narrative that is at once sophisticated and lucid A History of the Modern Middle East highlights the region s complexity and variation countering easy assumptions about the Middle East those who governed and those they governed the rulers rebels and rogues who shaped a region Throwing Down the Verbal Gauntlet, The Arabic Invective of Jarīr and al-Farazdaq Cory Jorgensen, 2025-01-23 Throwing Down the Verbal Gauntlet showcases Arab rapper poets Jar r and al Farazdaq This eighth century duo is best known for a series of verbal battles flytings they carried out over several decades Verbal Gauntlet argues that these poets performed in order to elevate their own prestige just as rappers do in modern day Dozens battles These were performances for performance s sake a first for a genre traditionally associated with settling tribal disputes The book provides a new interpretation of this poetry and changes the way we see the intertwining roles of poet opponent and

audience *The Egyptian Revolution of 1919* H.A. Hellyer, Robert Springborg, 2022-08-11 The 1919 Egyptian revolution was the founding event for modern Egypt's nation state. So far there has been no text that looks at the causes, consequences, and legacies of the 1919 Egyptian Revolution. This book addresses that gap with Egyptian and non-Egyptian scholars discussing a range of topics that link back to that crucial event in Egyptian history. Across nine chapters, the book analyzes the causes and course of the 1919 revolution, its impacts on subsequent political beliefs, practices, and institutions, and its continuing legacy as a means of regime legitimation. The chapters reveal that the 1919 Egyptian Revolution divided the British while uniting Egyptians. However, the revolutionary moment was superseded by efforts to restore Britain's influence in league with a reassertion of monarchical authority. Those efforts enjoyed tactical but not long-term strategic success in part because the 1919 revolution had unleashed nationalist forces that could never again be completely contained. The book covers key issues surrounding the 1919 Egyptian Revolution, such as the role played by Lord Allenby, internal schisms within the British government struggling to cope with the revolution, Muslim-Christian relations, and divisions among the Egyptians.

Radio for the Millions Isabel Huacuja Alonso, 2023-01-03 Co-winner 2023 AIPS Book Prize American Institute of Pakistan Studies Finalist 2023 Richard Wall Memorial Award Theatre Library Association From news about World War II to the broadcasting of music from popular movies, radio played a crucial role in an increasingly divided South Asia for more than half a century. *Radio for the Millions* examines the history of Hindi-Urdu radio during the height of its popularity from the 1930s to the 1980s, showing how it created transnational communities of listeners. Isabel Huacuja Alonso argues that despite British, Indian, and Pakistani politicians' efforts to usurp the medium for state purposes, radio largely escaped their grasp. She demonstrates that the medium enabled listeners and broadcasters to resist the cultural, linguistic, and political agendas of the British colonial administration and the subsequent independent Indian and Pakistani governments. Rather than being merely a tool of nation building in South Asia, radio created affective links that defied state agendas, policies, and borders. It forged an enduring transnational soundscape even after the 1947 Partition had made a united India a political impossibility. Huacuja Alonso traces how people engaged with radio across news, music, and drama broadcasts, arguing for a more expansive definition of what it means to listen. She develops the concept of radio resonance to understand how radio relied on circuits of oral communication, such as rumor and gossip, and to account for the affective bonds this talk created. By analyzing Hindi film song radio programs, she demonstrates how radio spurred new ways of listening to cinema. Drawing on a rich collection of sources, including newly recovered recordings, listeners' letters to radio stations, original interviews with broadcasters, and archival documents from across three continents, *Radio for the Millions* rethinks assumptions about how the medium connects with audiences.

Nationalism in the Vernacular Roluah Puia, 2023-08-24 Nationalism in the Vernacular illuminates our understanding of the relationship between orality and nationalist politics In doing so it provides a new angle to the understanding of nationalism by looking at the popular support and participation of ordinary people in the construction of Mizo nationalism in short the vernacularisation of nationalism The book examines this process of vernacularisation at two levels the first concerns the process of creating a vernacular language to express nationalist ideas and second the irrepressibility of the oral against state s violent response to the nationalist movement Drawing from multiple sources the book through the rich oral narratives archival materials including government and media reports shows how Mizos have remained active agents in asserting and claiming their rights to defining ideas of nationalism in their own terms by making it distinctively Mizo

The Interwar World Andrew Denning, Heidi J.S. Tworek, 2023-08-29 The Interwar World collects an international group of over 50 contributors to discuss analyze and interpret this crucial period in twentieth century history A comprehensive understanding of the interwar era has been limited by Euro American approaches and strict adherence to the temporal limits of the world wars The volume s contributors challenge the era s accepted temporal and geographic framings by privileging global processes and interactions Each contribution takes a global thematic approach integrating world regions into a shared narrative Three central questions frame the chapters First when was the interwar Viewed globally the years 1918 and 1939 are arbitrary limits and the volume explicitly engages with the artificiality of the temporal framework while closely examining the specific dynamics of the 1920s and 1930s Second where was the interwar Contributors use global history methodologies and training in varied world regions to decenter Euro American frameworks engaging directly with the usefulness of the interwar as both an era and an analytical category Third how global was the interwar Authors trace accelerating connections in areas such as public health and mass culture counterbalanced by processes of economic protectionism exclusive nationalism and limits to migration By approaching the era thematically the volume disaggregates and interrogates the meaning of the global in this era As a comprehensive guide this volume offers overviews of key themes of the interwar period for undergraduates while offering up to date historiographical insights for postgraduates and scholars interested in this pivotal period in global history

The Oxford Handbook of the Sociology of the Middle East Armando Salvatore, Sārī Ḥanafī, Kieko Obuse, 2022 The Oxford Handbook of the Sociology of the Middle East integrates the study of the social dynamics in the Middle East within history culture and politics The volume transcends a purely regional perspective to investigate the global nature of these dynamics and their impact on the life of people in the region It provides a

comprehensive perspective in connecting the vexed state society relations in the region with movements of transformation and the affirmation of rights and creativity in the public arenas **Egypt's Beer** Omar D. Foda, 2019-12-15 Although alcohol is generally forbidden in Muslim countries beer has been an important part of Egyptian identity for much of the last century Egypt's Stella beer which only coincidentally shares a name with the Belgian beer Stella Artois became a particularly meaningful symbol of the changes that occurred in Egypt after British Occupation Weaving cultural studies with business history Egypt's Beer traces Egyptian history from 1880 to 2003 through the study of social economic and technological changes that surrounded the production and consumption of Stella beer in Egypt providing an unparalleled case study of economic success during an era of seismic transformation Delving into archival troves including the papers of his grandfather who for twenty years was CEO of the company that produced Stella Omar D Foda explains how Stella Beer achieved a powerful presence in all popular forms of art and media including Arabic novels songs films and journalism As the company's success was built on a mix of innovation efficient use of local resources executive excellence and shifting cultural dynamics this is the story of the rise of a distinctly Egyptian modernity seen through the lens of a distinctly Egyptian brand
