Food and Femininity Kate Cairns, Josée Johnston, 2015-09-24 Over the space of a few generations women's relationship with food has changed dramatically Yet despite significant advances in gender equality food and femininity remain closely connected in the public imagination as well as the emotional lives of women While women encounter food related pressures and pleasures as individuals the social challenge to perform food femininities remains as the nurturing mother the talented home cook the conscientious consumer the svelte and health savvy eater

In *Food and Femininity* Kate Cairns and Josée Johnston explore these complex and often emotionally charged tensions to demonstrate that food is essential to the understanding of femininity today Drawing on extensive qualitative research in Toronto they present the voices of over 100 food oriented men and women from a range of race and class backgrounds Their research reveals gendered expectations to purchase prepare and enjoy food within the context of time crunches budget restrictions political commitments and the pressure to manage health and body weight The book analyses how women navigate multiple aspects of foodwork for themselves and others from planning meals grocery shopping and feeding children to navigating conflicting preferences nutritional and ethical advice and the often inequitable division of household labour What emerges is a world in which women's choices continue to be

closely scrutinized a world where failing at food is still perceived as a failure of femininity A compelling rethink of contemporary femininity this is an indispensable read for anyone interested in the sociology of food gender studies and consumer culture **Please Be Seated** Shari Wells,2008-12 A young girl newly awaked to vampirism and the fact that she belongs to a family of vampires is forced to kill and fight for her friends as she attends a school for young vampires Learning of her family s past and the hatred others have for them she finds not everyone is her friend She discovers she has powers beyond most of the vampires she knows including her father a vampire assassin who keeps the school a secret She finds love hatred and betrayal from those around her and discovers secrets hidden for ages as she tries to complete her first year at school Book 1 J s Atonement Book 2 J s Regret Book 3 J s Sorrow Organic Agriculture, Environment and Food Security Nadia Scialabba,Caroline Hattam,2002-01-01 Organic agriculture is defined as an environmentally and socially sensitive food supply system This publication considers the contribution of organic agriculture to ecological health international markets and local food security It contains a number of case studies of the practical experiences of small farmers throughout the world including India Iran Thailand Uganda and Brazil who have adopted fully integrated food systems and analyses the prospects for a wider adoption of organic agriculture The book also discusses the weakness of institutional support for nurturing existing knowledge and exchange in organic agriculture **Smart Medicine for a Healthier Child** Janet Zand,Robert Rountree,Rachel Walton,2003-01-06 Revised updated and expanded to reflect the latest thinking and information on children s health issues Smart Medicine for a Healthier Child enables parents to combine the best of conventional and alternative approaches Part One explains the full spectrum of techniques that can be employed to effectively treat childhood health problems providing an overview of the history fundamentals and uses of conventional medicine herbal medicine homeopathy acupressure diet and nutritional supplementation Part Two contains a comprehensive A to Z guide to the various health problems of childhood from acne to chickenpox to thumb sucking Finally Part Three offers guidance on using the therapies and procedures suggested in Part Two from locating acupressure points to preparing herbal remedies Written by a naturopathic physician a medical doctor and a pediatric nurse this unique book gives parents easy access to current information and advice regarding their children s health and acts as a bridge between time honored healing systems and mainstream medicine Illustrated with line art
