Orientation Manual for Radiologic and Imaging Nursing American Radiological Nurses Association, 2008-01-01

Historically our radiology nurse colleagues walked into their respective imaging departments not fully understanding their new role or how to make it reality Very few nurses had a formal introduction into radiology rather nurses began to apply our skills in this technology dominated world as we identified the need Entering radiology proved to be a challenge as we mastered a foreign language and gained an appreciation for the radiologists and technologists with whom we work Over time nurses began to compile their knowledge to pass onto new nurses thus the formal orientation process was born **ARIN**
