Orion Skyquest Manual:

Star Ware Philip S. Harrington, 2002-10-16 This is the third edition of Phil Harrington's popular and comprehensive guide to astronomical equipment written for both new astronomers as well as experienced amateurs. It includes numerous tips and tricks from other experienced astronomers. In this revised and updated edition of Star Ware the essential guide to buying astronomical equipment award-winning astronomy writer Philip Harrington does the work for you analyzing and exploring today's astronomy market and offering point by point comparisons of everything you need. Whether you're an experienced amateur astronomer or just getting started. Astronomy Now, 2008 Andean Insights Gurth Walton, Maria Walton, 2003 A greater contrast between Whistler's outrageously flamboyant life he was famously a friend of Oscar Wilde and Dante Gabriel Rossetti and the subdued touchingly melancholic style of the painting of his Puritan mother is hard to imagine. Painted in 1871 at the height of the Victorian age of family values Whistler gave the painting the provocative modernist title *Arrangement in Grey and Black*. While restoring the painting for the Louvre Sarah Walden was intrigued by its extraordinary and complex history which has hitherto never been fully uncovered. Delving deep in sources not available in the UK she wrote this book of its complex birth which reads like a detective story. Her view of restoration for which she received the support of Ernst Gombrich is that it is more than a technical job involving an aesthetic and historical approach.
