The Critics' Canon Richard Hudson Palmer, 1988-10-19 Palmer clearly states that his purpose is to explain 1the ways of critics to theatre practitioners the ways of theatre to inexperienced reviewers and the dynamic convergence of theatre and critic to anyone interested in theatre The work is a well written primer for writers and it will be useful primarily to performers who object to unfavorable criticism without understanding the nature and purpose of reviewing Accessible to general readers and undergraduates Choice Palmer begins with an examination of the theatrical review as a medium for informing and entertaining theatregoers documenting events of artistic of community importance and supporting theatre through critical evaluation and publicity He next comments on how journalistic pressures affect reviewers Citing brief examples from hundreds of reviews the author devotes a chapter to each of the elements that needs to be

covered in a review including performers script direction music and choreography together with stage and lighting design and other physical aspects of the production The final chapter develops criteria for assessing the strengths and weaknesses of a theatrical review based on aesthetic standards the cultural tastes of theatregoers and the interests of the community Palmer s experience as both a theatre professional and a journalist gives him an intimate understanding of the antagonism that often develops between reviewers and those who feel themselves to be the target of irresponsible criticism His book provides a clear perspective on theatrical matters and guidelines that will help to improve standards of reviewing and create an appreciation of the essential relationship between the theatre and its critics

Historical Dictionary of Contemporary American Theater James Fisher, 2021-07-15 Historical Dictionary of Contemporary American Theater Second Edition covers theatrical practice and practitioners as well as the dramatic literature of the United States of America from 1930 to the present The 90 years covered by this volume features the triumph of Broadway as the center of American drama from 1930 to the early 1960s through a Golden Age exemplified by the plays of Eugene O Neill Elmer Rice Thornton Wilder Lillian Hellman Tennessee Williams Arthur Miller William Inge Lorraine Hansberry and Edward Albee among others The impact of the previous modernist era contributed greatly to this period of prodigious creativity on American stages This volume will continue through an exploration of the decline of Broadway as the center of U S theater in the 1960s and the evolution of regional theaters as well as fringe and university theaters that spawned a second Golden Age at the millennium that produced another and significantly more diverse generation of significant dramatists including such figures as Sam Shepard David Mamet Maria Iren Fornes Beth Henley Terrence McNally Tony Kushner Paula Vogel Lynn Nottage Suzan Lori Parks Sarah Ruhl and numerous others The impact of the Great Depression and World War II profoundly influenced the development of the American stage as did the conformist 1950s and the revolutionary 1960s on in to the complex times in which we currently live Historical Dictionary of the Contemporary American Theater Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 000 cross referenced entries on plays playwrights directors designers actors critics producers theaters and terminology This book is an excellent resource for students researchers and anyone wanting to know more about American theater

The Still Small Voice Donald L. Carveth, 2018-05-01 Whereas Freud himself viewed conscience as one of the functions of the superego in The Still Small Voice Psychoanalytic Reflections on Guilt and Conscience the author argues that superego and conscience are distinct mental functions and that therefore a fourth mental structure the conscience needs to be added to the psychoanalytic structural theory of the mind He claims that while both conscience and superego originate

in the so called pre oedipal phase of infant and child development they are comprised of contrasting and often conflicting identifications The primary object still most often the mother is inevitably experienced as on the one hand nurturing and soothing and on the other as frustrating and persecuting Conscience is formed in identification with the nurturer the superego in identification with the aggressor There is a principle of reciprocity at work in the human psyche for love received one seeks to return love for hate hate the talion law My Phenomenal Time in Hollywood Goldie,2024-01-29 No About the book information available this time Callback Ginger Howard Friedman,1996 Limelight Ginger Howard Friedman is one of the most innovative and important teachers of our time Jerry Orbach You got the audition Now how do you get the part What can you do to ensure getting a callback And what can you do at the callback to demonstrate that you re the one for that role In this invaluable book veteran casting director playwright teacher Ginger Howard Friedman shares her trade secrets for successful auditioning Through creative visualization techniques and exercises she prepares you for that first all important cold reading and using those same techniques she enables you to tap into the dreams and goals of your character and give the strongest audition you can With her guidance you ll learn What tools to bring with you to a cold reading how to prepare for a callback at your first audition how to give your audition the energy of an opening night performance and how to get the part and keep it The author s exercises in creative visualization utilize scenes from such classic and contemporary plays as A Doll s House Born Yesterday Equus The Lisbon Traviata and Six Degrees of Separation The techniques developed from these exercises can be used to prepare for virtually any role whether on stage screen or television **NOW YOU KNOW ME** Teresa Dahlquist,2024-02-26 No information About the book available this time *New York Magazine* ,1985-09-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Complete Index to Literary Sources in Film* Alan Goble,2011-09-08 No detailed description available for The Complete Index to Literary Sources in Film **Act Like a Man** Robert H.
