Our Baby Our Love Our Loss:

Living with Loss Dan Moseley, 2007 All Skye Dearborn's wishes seem to be coming true but someone with a twisted obsession is now controlling her fate Will Skye's new life prove to be all that she's dreamed of or a nightmare she can't escape *My Baby, My Baby Our Timeless Journey of Faith, Hope, and Love* Jennifer B. Sturgeon, Alma B. Allen, 2014-05-12 Life and death struggles a common thread that connects us as human beings are vividly revealed in this inspirational and unforgettable true story as told by a mother and her daughter of their babies born with life threatening birth defects Swept away on an uncharted and treacherous journey one thing clearly emerges God the ultimate thread that held them together through their darkest hours was waiting for them there He gave them beauty for ashes the oil of joy for mourning and the garment of praise for the spirit of heaviness so He might be glorified through their babies life and death struggles Isaiah 61:3b At every bend in the road lives were forever changed The baby boy unable to ever speak a word about what he endured in his fight for life went to his grave never knowing what a giant impression his tiny handprint had left on every heart he touched leaving this world a better place than he found it For the little girl the veil separating Heaven and Earth was lifted Mommy I see an angel Hoping to get a glimpse her mommy searched the hospital room eagerly Where do you see an angel her mommy asked She pointed overhead Up there in the corner of my room one angel with big pink wings Although her mommy didn't see the Heavenly being together they felt the comfort of its presence On their timeless journey of faith hope and love their loving God went with them through it all healing hearts changing lives sharing their deepest sorrows and sending his angels to comfort and help them Their stories formed in the crucible of life and death struggles were transformed by the grace of God into a thing of beauty He hath made every thing beautiful in his time Ecclesiastes 3:11a KJV Still In Love With You Mari Villarreal, 2022-11-15 Sophie Patterson Don't you dare walk away from me Logan's menacing stare bore at me I suddenly didn't feel drunk anymore I sobered up quickly What Logan You're gonna tell me that you suddenly love me again That you're here to sweep me off my feet Please I didn't need you all this time and I don't need you now He clenched his jaw fisting his hands Enough Stop being so damn stubborn You know I do I love you I never stopped loving you Sophie It was always you I left my hometown hoping to never see him again I left with his baby still inside of me Seven years after and here I am again Standing before him and a six year old wanting to know who his dad is and asking me to marry him because everyone in his class but him and his best friend don't have a daddy What am I supposed to do with all these feelings that are resurfacing I'm realizing every day that I never got over him I merely suppressed my feelings and his telling me this now to my face just made things more complicated **Experiencing Spirituality** Ernest Kurtz, Katherine Ketcham, 2015-06-16 A great master once said The shortest distance between a human being and truth is a story In *Experiencing Spirituality* Ernest Kurtz and Katherine Ketcham take readers on a journey through storytelling as a means of self discovery Recounting and interpreting great wisdom stories from all ages and all cultures as well as telling many of their own the authors shed light on

such experiences as awe wonder humor confusion and forgiveness In story after story seekers look to those whose lives reveal a special quality sometimes called spirituality and ask the masters what they must do to attain that same quality The answer is simple Come follow me and see how I live Experiencing Spirituality teaches through the example of human experience *Tails of Recovery* Nancy A. Keim,2001-06-22 The Second World War profoundly changed the people who fought in it Bill Kress a small town Depression child raised by his grandparents became a part of that great drama just a few months after his graduation from high school He enlisted mainly to delay his induction but ironically his enlistment actually brought him under the army s jurisdiction sooner than had he been drafted Through his basic training and technical schooling to become an army medic he was to learn that the army governed its people impersonally without regard for their desires or even their imagined skills There was a right way and an army way Forced to leave his first love a beautiful girl in Atlanta he was sent overseas aboard the Queen Elizabeth a woman s name that was to have a significant place in his life In a series of flashbacks and dreams aboard the ship Bill Kress tells us about his childhood and the profound influence his grandmother had upon his young life It was her gentle kindness and love for him and others that was to triumph over the brutish forces of both his grandfather a stern Pennsylvania Dutch disciplinarian and the army Grandfather taught him to survive grandmother taught him how to live Kress s life both at home and overseas was a mixture of horror and humor The humor shows in the catastrophe of his first date his army haircut the tough medical sergeant s making his own patients and the romance between the little Chinese cook and the huge English ATS girl These incidents furnish comic relief for the horrors of being pinned for hours on the beach D day and the deaths of friends there and at Bastogne Bill Kress more than just survives the war he reaches an understanding about the meaning of life through its sufferings and through the love of Elspeth She as well as his grandmother was his Elizabeth Barrett who taught him that love is unselfish and requires a complete subjugation of self for the good of others Bill Kress s lessons were hard but their very toughness taught him that life itself is a struggle a search for love **Pathway to Freedom** Gloria J.

History of Dreams Kris Waldherr,2019-04-09 A post mortem photographer unearths dark secrets from the past that may hold the key to his future in this sensual, twisting gothic tale in the tradition of A.S. Byatt's *Possession*, Diane Setterfield's *The Thirteenth Tale*, and Emily Brontë's *Wuthering Heights*. BookPage All love stories are ghost stories in disguise. This one happily succeeds at both. Kirkus Reviews starred review. When famed Byronic poet Hugh de Bonne is discovered dead in his bath one morning, his cousin Robert Highstead, a post mortem photographer, is charged with a simple task: transport Hugh's remains for burial in a chapel. This chapel, a stained glass folly set on the moors, was built by de Bonne sixteen years earlier to house the remains of his beloved wife and muse, Ada. Since then, the chapel has been locked and abandoned, a pilgrimage site for the rabid fans of de Bonne's last book, *The Lost History of Dreams*. However, Ada's grief-stricken niece refuses to open the glass chapel for Robert unless he agrees to her bargain: before he can lay Hugh to rest, Robert must record Isabelle's story of Ada and Hugh's ill-fated marriage over the course of five nights. As the mystery of Ada and Hugh's relationship unfolds, so too does the secret behind Robert's own marriage, including that of his fragile wife, Sida, who has not been the same since a tragic accident three years earlier, and the origins of his morbid profession that has him seeing things he shouldn't: things from beyond the grave. Blurring the line between the past and the present, truth and fiction, and ultimately life and death, *The Lost History of Dreams* is a surrealist, haunting tale of suspense where every prediction turns out to be
