Our Moon Has Blood Clots:

Our Moon Has Blood Clots Rahul Pandita, 2017-10-29 Rahul Pandita was fourteen years old when he was forced to leave his home in Srinagar along with his family. They were Kashmiri Pandits, the Hindu minority within a Muslim majority Kashmir that was by 1990 becoming increasingly agitated with the cries of Azaadi from India. *Our Moon Has Blood Clots* is the story of Kashmir in which hundreds of thousands of Pandits were tortured, killed, and forced to leave their homes by Islamist militants and forced to spend the rest of their lives in exile in their own country. Pandita has written a deeply personal, powerful, and unforgettable story of history, home, and loss.

Our Moon Has Blood Clots Rahul Pandita, 2017 Rahul Pandita was fourteen years old when he was forced to leave his home in Srinagar along with his family who were Kashmiri Pandits, the Hindu minority within a Muslim majority Kashmir that was by 1990 becoming increasingly agitated with the cries of Azaadi, freedom from India. The heartbreaking story of Kashmir has so far been told mainly through the prism of the brutality of the Indian security forces, the pro-independence demands of Muslim separatists, or India and Pakistan's rivalry. But there is another part of the story that has remained unrecorded and buried. *Our Moon Has Blood Clots* is the untold chapter in the story of Kashmir in which hundreds of thousands of Kashmiri Pandits were tortured, killed, and forced to leave their homes by Islamist militants and to spend the rest of their lives in exile in their own country. Rahul Pandita has written a deeply personal, powerful, and unforgettable story of history, home, and loss. Page 4 of cover

[The Routledge Encyclopedia of Indian Writing in English](#) Manju Jaidka, Tej N. Dhar, 2023-09-29 Today Indian writing in English is a field of study that cannot be overlooked. Whereas at the turn of the 20th century writers from India who chose to write in English were either unheeded or underrated, with time the literary world has been forced to recognize and accept their contribution to the corpus of world literatures in English. Showcasing the burgeoning field of Indian English writing, this encyclopedia documents the poets, novelists, essayists, and dramatists of Indian origin since the pre-independence era and their dedicated works. Written by internationally recognized scholars, this comprehensive reference book explores the history and development of Indian writers, their major contributions, and the critical reception accorded to them. *The Routledge Encyclopedia of Indian Writing in English* will be a valuable resource to students, teachers, and academics navigating the vast area of contemporary world literature.

Kashmiri Life Narratives Rakhshan Rizwan, 2020-04-19 *Kashmiri Life Narratives* takes as its central focus writings, memoirs, non-fictional and fictional Bildungsromane published circa 2008 by Kashmiris, Indians living in the Valley of Kashmir, India, or in the diaspora. It offers a new perspective on these works by analyzing them within the framework of human rights discourse and advocacy. Literature has been an important medium for promoting the rights of marginalized Kashmiri subjects within Indian-occupied Kashmir, successfully putting Kashmir back on the global map and shifting discussion about Kashmir from the political boardrooms to the international English language book market. In discussing human rights advocacy through literature, this book also effects a radical change of perspective by highlighting positive

rights to enjoy certain things rather than negative ones to be spared certain things Kashmiri life narratives deploy a language of pleasure rather than of physical pain to represent the state of having and losing rights Scars of War Maria Anita Stefanelli,Izabela Skórzyńska,2025-01-20 Echoing the sentiments expressed in pivotal UN resolutions and positions which emphasize the inherently destructive nature of warfare on sustainable development the chapters focus on the importance of adhering to international legal frameworks for safeguarding the environment during armed conflicts Kashmir and the Future of South Asia Sugata Bose,Ayesha Jalal,2020-12-29 This book uses an innovative people centered approach to the Kashmir problem to shed new light on why postcolonial partitions remain unfinished and why the wounds of postcolonial nation state formation in South Asia continue to fester Kashmir is viewed as a metaphor for the permanent internal wars of partition that mark the South Asian experience Chapters sensitively bring Kashmiri voices to the fore to examine Kashmir in the national discourses of India and Pakistan resistance in the Kashmiri imagination and the Kashmir conflict in a global context The book foregrounds how the space of Kashmir as a cultural historical and political sphere persists and continues to haunt the postcolonial national present as the people of Kashmir and their cultural literary and artistic productions cannot be contained within the regnant paradigms of the nations across which the region is partitioned Additionally the book explores how long term resolution would demand engagement with historical forces political actors and social formations that exceed the nation state An important contribution to the study of this troubled region this book will be of interest to academics and researchers of modern South Asian history and politics as well as comparative politics and international relations **On Trauma and Traumatic Memory** Bootheina Majoul,2017-06-23 On Trauma and Traumatic Memory focuses on the role of writing to preserve memories to excavate traumas and to heal the ever present scars of the past The first part of the book focuses on trauma recalled through films fiction and documentaries The second chapter is devoted to analysing trauma in fiction while the third deals with trauma in poetry The topic of trauma is of interest to scholars across the globe both students and professors and is taught in almost all universities This volume gathers research papers from different universities around the world including India Italy Tunisia and the USA Prominent English Novelists of Jammu and Kashmir Bushra sarwar khan,2023-10-15 This book has been written to provide a concise guide to the major novelists of jammu and Kashmir and their respective works Much care has been taken to give due and proper credit reference and acknowledgement to the writers whose works have been included in the text Omissions expected Hopefully It will cater to the needs of undergraduate graduate and research students of English Literature Inspite of my best efforts some errors or omissions might have crept in the text I shall be grateful to the teachers and the students if they bring to my notice any mistakes or misprint that they come across Proceedings of the Innovative Multidisciplinary Approaches to Global Challenges: Sustainability, Equity, and Ethics in an Interconnected World (IMASEE 2025) Harshita Sharma,Deepali Singh,DVS Bhagavanulu,Bashir Saad Ibrahim,Garima Chauhan,2025-07-16 This open access volume presents select

Lies, Lies and More Lies Vivek, 2014-10-15 It is no coincidence that India's recent rise as a major global power has been closely linked to the increasing influence of the Bharatiya Janata Party BJP in Indian politics Driven by the philosophy of Hindu Indian Nationalism this entity more of a movement than a political party has served to instill in Indians a sense of confidence and restore lost self esteem in a people who suffered foreign domination for over a thousand years Detractors of this ideology have attempted to paint this philosophy as hate rant and supremacist indoctrination Far from being that it is the agonizing cry for justice and dignity of a people long suppressed and long tortured a cry that embodies the agony of the past and a new found confidence of the present and which together hopes to ensure a secure future a future that envisions an inclusive all round economic and social development of a people The BJP's spectacular victory crafted by Narendra Modi in the 2014 Indian elections serves to emphasize the central role of Hindu Indian Nationalism in Indian politics its broad appeal and its comprehensive agenda Therefore it is imperative for the world at large to attempt a better understanding of this phenomenon an objective assessment based on hard facts and sound logic instead of the skewed image propagated in the West by its ideological opponents This book is a must for international statesmen politicians businessmen academics and others alike who wish to interact with India and Indians
