*Our Old Home* Nathaniel Hawthorne,1863 **Our Old Home** Nathaniel Hawthorne,2018-01-23 Excerpt from *Our Old Home A Series of English Sketches* Such in short was the dusky and staid chamber in which I spent wearily a considerable portion of more than four good years of my existence At first to be quite frank with the reader I looked upon it as not altogether fit to be tenanted by the commercial representative of so great and prosperous a country as the United States then were and I should speedily have transferred my head quarters to airier and loftier apartments except for the prudent consideration that my Government would have left me thus to support its dignity at my own personal expense Besides a long line of distinguished predecessors of whom the latest is now a gallant general under the Union banner had found the locality good enough for them it might certainly be tolerated therefore by an individual so little ambitious of external magnificence as myself So I settled quietly down striking some of my roots into such soil as I could find adapting myself to circumstances and with so much success that though from first to last I hated the very sight of the little room I should yet have felt a singular kind of reluctance in changing it for a better About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Nathaniel Hawthorne's Our Old Home* Nathaniel Hawthorne,Miriam Allen De Ford,Haldeman-Julius Company,1945 **Our Old Home: A Series of English Sketches** Nathaniel Hawthorne,2019-11-26 In *Our Old Home A Series of English Sketches* Nathaniel Hawthorne offers a contemplative exploration of English culture landscape and history through a series of vivid essays Written during his years

in England the work is characterized by Hawthorne's signature style a blend of romantic sensibility and keen observation The sketches delve into a variety of subjects from the idyllic English countryside to the haunting remnants of its storied past In this book Hawthorne also grapples with the contrast between American and English cultural life reflecting on themes of identity nostalgia and national character Hawthorne a prominent figure in American literature and a master of psychological depth was shaped by his Puritan ancestry personal struggles and a profound fascination with his surroundings His experiences in Europe particularly in England provided him a lens through which he could examine not only his own American upbringing but also the broader implications of cultural heritage This context enriches the sketches allowing them to resonate with readers across generations as they evoke both personal and universal sentiments Recommended for both fans of Hawthorne and new readers alike *Our Old Home* offers a unique window into 19th century English life through the eyes of one of America's greatest literary figures The intimate reflections and historical insights make it a compelling read inviting contemplation of the intricate connections between place identity and literature
