**Our Lady of Good Success** Marian Therese Horvat, 1999-01-01 Relates the most important revelations in the 17th century of Our Lady to a Conceptionist nun in Quito Ecuador Our Lady told her that a great crisis in the Church would begin in the middle of the 20th century and continue to our days The Story of Our Lady of Good Success and Novena Manuel Sousa Pereira, Paul M. Kimball, 2013-08-01 On January 16 1599 the Most Holy Mother of God appeared to Mother Marianna of Jesus Torres in the convent of the Convent of the Immaculate Conception in Quito Ecuador asking her to have a statue made of herself as she appeared with the Child Jesus in her left arm and a crosier and the keys of the cloister in her right hand Our Lady holds the crosier as a sign that she herself governs the convent and likewise asked that that her statue be placed in the throne of the abbess where this statue is still kept to this day The statue was consecrated by the bishop of Quito on February 2 1611 with title Mary of Good Success of the Purification or Candlemas During the various apparitions granted to Mother Marianna until her death on January 16 1635 Our Lady of Good Success foretold the evils of our times in great detail She was told that her visions and life would only be known beginning from the twentieth century and was asked to help by her prayers and penances the souls of that time in which there would be an enormous decadence of the faith It was God's will to reserve these revelations and the story of the life of Mother Mariana for our time when the corruption of behavior is universal and the precious light of the faith is almost extinct fulfilling the prophecies of Our Lady The Mother of God also foretold that this devotion would obtain mercy and pardon for all sinners who have recourse to her with a contrite heart since she is the Mother of Mercy Likewise she said The consoling title of Good Success will be the support and safeguard of the faith in the presence of the complete corruption of the twentieth century. The novena presented here was written by Fr Jose Urrate which has an imprimatur by the Archbishop of Quito Carlos Maria de la Torre on July 31 1941

Revelations Xavier Reyes-Ayral,2022-05-31 From 1846 to the present day the Vatican has maintained quite the same message brought forth from Heaven by different messengers across time and across vast distances and continents This message echoes the gravest of admonitions and calls mankind to convert and find refuge through the knowledge of the truth which today threatens the very basis of world peace Today in 2022 the message of La Salette La Fraudais Tilly Fatima Garabandal Akita and Medjugorje and their secrets take a meaning of the greatest importance as the admonitions brought forth by the Blessed Virgin Mary warn of a cataclysmic global disaster which has now become imminent The Church s apprehension of frightening the masses inspired inaction and Rome s decision to silence founded more on fear than on caution led millions of faithful to the darkness of ignorance and therefore to a lack of necessary conversion prayers and intercession for peace This book proposes unveiling the light and thus asking humanity to respond to the call of a warm and loving mother who merely seeks the salvation of her children **The Holy Bread of Eternal Life** Peter Kwasniewski, 2020-11-19 A powerful and timely book by scholar Peter Kwasniewski that exalts the divine gift of the Blessed

Sacrament which can never be too much adored too much loved too much cared for or too much sacrificed for Pensées Catholiques Edward L. Helmrich, 2022-01-12 Perhaps the most fundamental barrier to faith is that every scheme of meaning is seen as a construction i e that reality in itself is meaningless. One constructs a meaning and lives within it to make life workable and bearable This current view though is based on the assumption that reality has no meaning In contrast the claim here is that reality is not meaningless in itself and that Judeo Christianity and Catholicism in particular and other understandings to the extent that they agree with these two are not constructions but are true in reality Reality has meaning and that meaning is revealed and accessible to us It's not pushing one construction over another it is to claim that Catholicism Christianity describes the nature of reality At the same time it has to be acknowledged that our culture has recently moved beyond discourse and discussion of which this collection is a part making it sort of out of date we have moved on to simple conflicts of power and now to even worse In general it might be that our situation is that of Revelation 22 11 Let the one who does wrong continue to do wrong let the vile person continue to be vile let the one who does right continue to do right and let the holy person continue to be holy From the forward Maria und ihre Heiligtümer in der Kultur der Gegenwart Manfred Hauke, 2023-12-15 Der Band untersucht an zahlreichen Beispielen die Bedeutung Marias in der Kultur der Gegenwart Besondere Aufmerksamkeit finden Wallfahrtsorte Gebetsst tten und Marienheiligt mer etwa Alt tting Maria Schnee in Aufhausen Marienfried K ln Mariazell sterreich Disentis Schweiz Lourdes und Pontmain Frankreich oder Ouito Ecuador Die Bedeutung Marias in der Gegenwartskultur wird ferner anhand von Musik Kunst Literatur Film und Rundfunk diskutiert oder in spezifischen Publikationen wie dem Marienlexikon oder dem Gotteslob untersucht Besondere Verehrung erf hrt Maria auch in Laienbruderschaften in Orden oder in marianischen Verb nden The Crown of Sanctity Daniel O'Connor,2019-03-04 2 000 years ago the Son of God prayed to His Father Thy Will be done on Earth as it is in Heaven This prayer the greatest ever uttered by the lips of man will not go unanswered Jesus has revealed to an Italian mystic named Luisa that the time has now at last arrived for its fulfillment that is for the restoration of what was destroyed by Adam 6 000 years ago in the Fall of Man In brief the entire world is about to be radically transformed like never before in its history This is probably something you should know about This book has been written to inform you about the transformation and to enable you to take part in it and hasten it But this transformation will not be achieved through human effort It will be given directly from Heaven by way of God's greatest Gift the Gift of Living in the Divine Will which is the Crown of Sanctity and which even now we must all strive to receive In this sanctity is found The Culmination of Deification the Fruitfulness of Mystical Marriage the Aspiration of the Unification of Wills and the Essence of Marian Consecration This is none other than the Triumph of the Immaculate Heart of Mary promised at Fatima It is the coming of the Kingdom of God This is a long book but its length should turn away no one as a thorough and detailed table of contents is given so that each reader can easily select only those sections in which he is interested for his perusal And any reader is sure to find much that interests him
