Our Occulted History Do The Global Elite Conceal Ancient Aliens:

Our Occulted History Jim Marrs, 2013-02-12 The author of *Alien Agenda* illustrates how human civilization may have originated with non humans who visited earth eons ago and may still be here For years we ve been taught that human progress has been a long slow climb from the primordial ooze to hunter gatherers to empires But what if that s only part of the story Bestselling author and legendary conspiracy researcher Jim Marrs who has investigated the recent financial crisis the JFK assassination and the national socialist takeover of America now takes on his biggest subject the history of mankind *Our Occulted History* overturns conventional knowledge and beliefs presenting compelling evidence that the earth once hosted prehistoric civilizations using technologies that very well may have surpassed our own Sound unbelievable Just a few hundred years ago so was the concept that the earth revolved around the sun Marrs sifts through the historical scientific and cultural record showing how numerous ancient texts and tablets tell of visitors from the stars colonizing the earth From the flying vimanas of the Hindu Vedic literature and the flying shields reported by the Romans to the mysterious airships of the 1800s and the UFOs of today he argues that someone other than us is still present on this planet But are these visitors simply observers or do they play a much more active and controlling role Jim Marrs raises this shocking question and more in the provocative and persuasive *Our Occulted History* The truth is out there and in here **Ancient Aliens** Philip

Coppens, 2014-12-15 Ancient civilizations generated many innovations that are difficult to explain such as the remarkable mathematical accuracy of the pyramids of Giza the man made fertile soil of the Amazon known as terra preta and massive stone monuments too heavy to move in Peru and Lebanon among other places Given that modern science cannot explain these mysterious phenomena one theory holds that ancient aliens were responsible for them This volume examines the credibility of various paranormal hypotheses giving readers the opportunity to explore the greatest puzzles of antiquity

Extraterrestrial Legacies of God, Jesus, and the Angels Raphael-Seraphin Kutota Basisa, 2024-01-03 About the Book In some way or form this book is unassumingly a nicer and a more logical organization and interpretation of compounding existing religious writings from a variety of walks of life Herein they are presented as proof drawn synthetically from those multitude of intellectual sources written over the last 4 000 years evidencing that the central figure of the persona translated as the reincarnation of almighty God of Israel himself in Christian literature is simply another Extraterrestrial Alien visiting Planet Earth for a purpose Another visitor just like those well known Anunnaki the Elohim the Nephilim the Sons of God the Watchers the renegade Angels or other entities over several millennia ago And in the many ways how it is related to the current humanity s most pressing problem of whether we are alone and unique in the Cosmos as it is linked to the much witnessed UFO encounters phenomenon It also well outlined the latent consequences resulting from what is presented as postulate About the Author Raphael Seraphin Kutota Basisa currently resides in Lynn Massachusetts He would consider himself a futurist a researcher a world s concerned citizen and a great human being He is a chemical engineer by training

and earned an MBA and an ABD in Applied Management and Public Policy He has written and published several technical and non technical documents commentaries articles papers and other books along the subjects of his expertise He believes in extraterrestrial life in regard to religion Basia is a person whose research helped to recognize early on the theory that we are all descendants of Extraterrestrials and Cosmic religiosity should be recognized in modern theology **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

even the media Trumpocalypse explores the enigmatic prophecies and biblical codes involving Trump and asks whether God raised up President Trump as a fearless leader to guide America and the free world through a series of major crises as the biblical end time narrative unfolds as many people with prophetic gifts are predicting and shows why everyday Americans and evangelicals have rallied around Trump as their last hope of saving America and averting the horrors of the Apocalypse It further reveals why Trump and millions of deplorables are fighting to stop the hidden agenda of the Establishment and how the perplexing chaos enveloping the planet could paradoxically signal the beginning of the great end times awakening that millions are praying for Here is an invitation to join the anti Establishment surge what evangelist Franklin Graham calls the Christian revolution and discover how to fulfill your own destiny in the run up to the Second Coming of Jesus Christ **Off the Hook** Earl Wayne Heflinger, 2018-03-15 The author uses his own personal story of being born into a Christian fundamentalist family with extreme beliefs to paint a vivid picture of what life is like in toxic ideologies such as fundamentalist religion The book has three parts The first describes the spiritual abuse of his childhood due to stifling rules and restrictions inflicted by his parents caught up in their church's teachings on his thought processes and behavior The remarkably poignant stories show in painful detail how his self esteem was crushed how he was never intended to think for himself and how he was made to feel different and totally out of place in the world all by loving but misguided parents During his school days his social life was severely stunted because he felt like an outsider everywhere but in church The second part discusses his lifelong struggle with spiritual healing and his transition from a spoon fed belief system to a personally chosen worldview He thoughtfully muses about all the significant elements of religious spiritual belief systems God Jesus the Bible sin morality science life after death marriage divorce and others and contrasts his evolving beliefs with those of organized religion This is presented to give the reader a comprehensive illustration of how one particular seeker has constructed a personalized belief system through continual rethinking and updated understanding The third part calls on the author's advanced education and professional experience in business and government in analyzing and developing systems and procedures It describes with a wealth of tips and checklists the process by which he escaped a toxic ideology and came to feel intellectually free and off the hook It ends with heartfelt encouragement for anyone similarly affected by repression to accept all available helpful resources and muster the determination to claim their personal power *Wars of the Anunnaki* Chris H. Hardy, 2016-07-18 Examines the Anunnaki gods evolving relationships with humanity their power struggles and the details of their nuclear war on Earth Analyzes the crisis and rationale behind the Anunnaki decision to nuke 5 cities in the Jordan plain resulting in the obliteration of Sumerian civilization Draws upon the work of Zecharia Sitchin the Book of Genesis Sumerian clay tablets and archaeological evidence such as ancient radioactive skeletons Examines the Anunnaki's lack of higher consciousness their reliance on technology their sacred power objects and sacred geometry and the possibility of Anunnaki bases on Mars in the distant past The detonation of nuclear weapons in the 20th century was not the first time humanity has

seen such terrible destruction Drawing upon the work of Zecharia Sitchin the Book of Genesis Sumerian clay tablets and archaeological evidence such as ancient radioactive skeletons Chris Hardy reveals the ancient nuclear event that destroyed the Sumerian civilization and the power struggles of the gods that led up to it The author explains how the Anunnaki came to Earth from the planet Nibiru seeking gold to repair their ozone layer Using genetic engineering they created modern humanity to do their mining work and installed themselves as our kings and our gods Anunnaki god Enki had a fatherly relationship with the first two humans Then Enlil Enki s brother took over as Commander of Earth instating a sole god theocracy and a war against the clan of Enki and humanity for spoiling the Anunnaki bloodlines through interbreeding This shift imposed a blackout not only of the very human nature of the Anunnaki gods but also of humanity s own ancient past on Earth Two of Enlil s attacks against the Enki clan and humanity are described in the stories of the Deluge and the Tower of Babel His final attempt after coercing the Assembly of the Gods into voting yes was the nuclear bombing of 5 cities of the Jordan plain including Sodom and Gomorrah which resulted in the destruction of the Sumerian civilization and the Anunnakis own civilization on Earth including their space port in the Sinai The author reveals how after each attempt humanity was saved by Enki chief scientist Ninmah and Enki s son Hermes The author explores how the Anunnakis reliance on technology and their recurrent wars caused them to lose touch with cosmic consciousness And she reveals how we will be doomed to repeat this dynamic until humanity awakens to our true origins

DNA of the Gods Chris H. Hardy, 2014-03-21 An in depth study of humanity's Anunnaki origins and the Anunnaki battle for an intelligent versus enslaved humanity Explains the genetic engineering of humanity by an Anunnaki scientist Ninmah Shows how the concepts of sin and the inferiority of women arose from Enlil's will to keep humanity underdeveloped clashing with Enki's and Ninmah's plan to make us equal in intelligence Reveals how humanity's long history of conflict was shaped by the battle between Enki and his brother Enlil Further developing the revolutionary work of Zecharia Sitchin Chris Hardy shows that the gods of ancient myth visitors from the planet Nibiru created us using their own divine DNA first through DNA extraction from their own ribs marrow and later by direct relations with early human females Drawing upon multiple sacred texts Hardy details the genetic engineering of humanity by Anunnaki scientist Ninmah with the help of Enki and Hermes She reveals how Ninmah's first female human creation Tiamat Eve contained more alien DNA than the earlier male one Adamu and how the biblical Noah represents the perfection of her work Examining the war between Anunnaki brothers Enki and Enlil Hardy reveals how the concepts of sin and the inferiority of women were born out of Enlil's attempts to enslave and then wipe out humanity repeatedly thwarted by Enki and Ninmah The author further explains how the sacred sexuality taught to humans still seen in Tantric practice became suppressed millennia later by the patriarchal concept of original sin and how innocent Eve took the blame for the expulsion from Eden and fall from Grace Showing that the god who created us was not the same god who expelled us from Eden Hardy explains that there will be no apocalypse because the Good Evil duality has never truly existed it has been only enemy gods fighting and implicating humanity in the wake of their own competition for power With a full psychological understanding of how the ancient gods have shaped humanity's ongoing history of conflict we can move beyond the framework of my Good versus your Evil imposed by Enlil and begin to steer our own planetary destiny
