Our Town By Thornton Wilder:

Our Town Thornton Wilder, 1965 This play is a study of life love and death in a New England town at the turn of the 20th century Our Town Donald C. Haberman, 1989 A critical study of Wilder's work examining the play in its literary and historical context **Our Town: A Play in Three Acts** Thornton Wilder, 2013-09-10 This beautiful new edition features an eyeopening Afterword written by Tappan Wilder that includes Thornton Wilder's unpublished notes and other illuminating photographs and documentary material Our Town was first produced and published in 1938 to wide acclaim This Pulitzer Prize winning drama of life in the small village of Grover's Corners an allegorical representation of all life has become a classic It is Thornton Wilder's most renowned and most frequently performed play A Study Guide for Thornton Wilder's Our Town Gale, Cengage Learning, 2015-09-24 **Another Day's Begun** Howard Sherman, 2021-01-14 A work of startling originality when it debuted in 1938 Thornton Wilder's Our Town evolved to be seen by some as a vintage slice of early 20th Century Americana rather than being fully appreciated for its complex and eternal themes and its deceptively simple form This unique and timely book shines a light on the play's continued impact in the 21st century and makes a case for the healing powers of Wilder's text to a world confronting multiple crises Through extensive interviews with more than 100 artists about their own experience of the play and its impact on them professionally and personally and including background on the play's early years and its pervasiveness in American culture Another Day's Begun shows why this particular work remains so important essential and beloved Every production of Our Town has a story to tell beyond Wilder's own One year after the tragedy of 9/11 Paul Newman in his final stage appearance played the Stage Manager in Our Town on Broadway Director David Cromer's 2008 Chicago interpretation would play in five more cities ultimately becoming New York's longest running Our Town ever In 2013 incarcerated men at Sing Sing Correctional Facility brought Grover's Corners inside a maximum security prison After the 2017 arena bombing in Manchester UK the Royal Exchange Theatre chose Our Town as its offering to the stricken community 80 years after it was written more than 110 years after its actions take place Our Town continues to assert itself as an essential play about how we must embrace and appreciate the value of life itself Another Day's Begun explains how this American classic has the power to inspire heal and endure in the modern day onstage and beyond
