Out of God's Closet Stephen F. Uhl, Dr Stephen Frederi Uhl Ph D, 2009-04-30 This book could have been titled The Book of Tolerance The Psychologist author recognizes that every child learns a lot of traditions and beliefs when too young to evaluate them Such prejudices are very deeply ingrained into the subconscious They are difficult to overcome even in our adult years of further experience and education Dr Uhl was already in his 30s when he finally got free many people never get free Each person grows up and learns to analyze and think critically at different rates Even in the same family one sibling may remain opinionated and prejudiced stuck in the past while another thoughtfully unlearns childhood myths and becomes a broadminded adult ready for planetary friendships Therefore tolerance of such differing rates of learning and unlearning is necessary for civilized peace in a pluralistic society Such friendly understanding comes easy under the new Golden Rule Treat others as you would reasonably want and expect to be treated if your roles were reversed Out of God s Closet This Priest Psychologist Chooses Friendly Atheism shows how the author got really free and how readers can enjoy the same freedom to be proud happy planetary neighbors Generous sprinkling of earthy humor richly seasons this revolutionary book for enjoyable spiritual nourishment

The Skeletons in God's Closet Joshua Ryan Butler, 2023-08-22 How can a loving God send people to hell Isn't it arrogant to believe Jesus is the only way to God What is up with holy war in the Old Testament Many of us fear God has some skeletons in the closet Hell judgment and holy war are hot topics for the Christian faith that have a way of igniting fierce debate far and wide These hard questions leave many wondering whether God is really good and can truly be trusted The Skeletons in God s Closet confronts our popular caricatures of these difficult topics with the beauty and power of the real thing Josh Butler reveals that these subjects are consistent with rather than contradictory to the goodness of God He explores Scripture to reveal the plotlines that make sense of these tough topics in light of God s goodness From fresh angles Josh deals powerfully with such difficult passages as The Lake of Fire Lazarus and the Rich Man The Slaughter of Canaanites in the Old Testament Ultimately The Skeletons in God s Closet uses our toughest questions to provoke paradigm shifts in how we understand our faith as a whole It pulls the skeletons out of God s closet to reveal they were never really skeletons at all

Matthew Tingblad, 2023-09-12 If God is good then why did he do that Violent wars harsh laws pronounced judgments Christianity proclaims God's goodness yet the Bible is filled with passages that seem to paint a different picture On the surface such depictions can hinder our confidence in God's goodness But when we're willing to look deeper we discover a consistent purpose behind everything God does and that he is greater than we could ever imagine Alongside bestselling author Josh McDowell Matthew Tingblad invites you to discover how a good God has good reasons for his challenging actions in the Bible Throughout you will uncover the reality of God's consistent motives and purposes holiness justice and radical mercy Whether

The Rise and Fall of Faith Drew Bekius, 2017-07-01 The story of religion in the twenty first century West has been defined in part by the stories of once zealous pastors moving beyond their faith to embrace a life of reason But too often and too quickly ardent believers dismiss such accounts as aberrations and fail to consider the real life implications for those who make this transition Atheists and other skeptics meanwhile struggle to understand what took these individuals so long to make such a journey and why others aren't lining up more quickly to do the same As a result the questions posed by one side inevitably mirror those asked by the other Why do believers trust in God the way they do But what factors lead atheists to dismiss religious beliefs so easily How can believers have faith in the face of known science and history But what allows anyone to be so sure their beliefs are based in reality What would it take for believers to stop believing in God But what would it take for nonbelievers to start to believe Drawing on the author's own story as a former evangelical pastor powerless to stop his turn to atheism The Rise and Fall of Faith touches on these and other questions inviting readers into a long overdue conversation between Christians and atheists While the aim of the book is to initiate this much needed discussion the author encourages all who care about the future of humanity to carry the dialogue forward whether in the evaluation of our own inner thoughts in the assumptions we make about the other side or in how we work together in the pursuit of understanding and common ground as we navigate the world's ever changing and increasingly challenging religious and cultural landscape

[What Does God Look Like?](#) Linda Wilson, 2012-12-14 When a little boy asks his mother about what God looks like and many other questions as well she answers him with lots of details This story began when author Linda Wilson's three daughters were young This story was written and illustrated in response to their questions and the questions of many other children through the years about God Children yearn for the literal touchable truth about all things including the unseen God of the universe Understanding that truth is quite a task for children in their formative years Their eager and open minds deserve good answers to their good questions What Does God Look Like seeks to help each child know who God is and how much He loves and cares about each of them relieve any fears or misconceptions about death and reveal a biblical pleasant picture of heaven for them and reinforce the teaching that God is not only our Lord and Savior but also our comforter teacher and everlasting Father What Does God Look Like encourages each child to see God's reflection in his or her face and to make an indelible impression on them that they are made in God's image
