

OUT ON THE FIELD

Gender, Sport and Sexualities

HELEN JEFFERSON LENSKEYJ

Out On The Field Gender Sport And Sexualities

Lucie Thibault, Jean Harvey

Out On The Field Gender Sport And Sexualities:

Out on the Field Helen Lenskyj, 2003 This book provides an in depth examination of gender sport and sexualities an analysis of the limitations of liberal feminist responses and an exploration of radical feminist alternatives Dr Lenskyj presents illuminating case studies from Canada the United States and Australia which exposes coaches and administrators complicity in perpetuating the chilly climate for female athletes in general and for lesbians in particular It includes a content analysis of the mass media treatment of sportswomen and a discussion of how lesbian characters are portrayed in mainstream and lesbian fiction Drawing on historical and contemporary examples Dr Lenskyj contextualizes the homophobia and sexual harassment present in the everyday experiences of significant numbers of women involved in sport and physical activity She shows that despite three decades of feminist and lesbian activism and despite the apparent liberalization of attitudes since the 1960s lesbian sexuality remains largely in the closet while heterosexuality continues to be exploited in the name of selling sport

Sport, Sexualities and Queer/Theory Jayne Caudwell, 2007-01-24 The first book focusing exclusively on this subject Sport Sexualities and Queer Theory captures the newest and best writing on an emerging focus of study that brings in perspectives from a number of disciplines including sports studies gender studies sociology cultural studies lesbian and gay studies and queer studies An accessible introduction to this dynamic field this is an explorative analysis of lesbian gay transgender transsexual and intersex people s experiences of sport as well as a rigorous theoretical consideration of sociological and political issues Bringing together in a single source an exciting array of contributions this is an ideal source of inspiration for anyone involved in this rapidly growing field and fills a need for an excellent introduction to the main themes and issues

Routledge Handbook of Sport, Gender and Sexuality Jennifer Hargreaves, Eric Anderson, 2014-03-05 The Routledge Handbook of Sport Gender and Sexuality brings together important new work from 68 leading international scholars that collectively demonstrates the intrinsic interconnectedness of sport gender and sexuality It introduces what is in essence a sophisticated sub area of sport sociology covering the field comprehensively as well as signalling ideas for future research and analysis Wide ranging across different historical periods different sports and different local and global contexts the book incorporates personal ideological and political narratives varied conceptual methodological and theoretical approaches and examples of complexities and nuanced ways of understanding the gendered and sexualized dynamics of sport It examines structural and cultural forms of gender segregation homophobia heteronormativity and transphobia as well as the ideological struggles and changes that have led to nuanced ways of thinking about the sport gender and sexuality nexus This is a landmark work of reference that will be a key resource for students and researchers working in sport studies gender studies sexuality studies or sociology

Gender Politics and the Olympic Industry H. Lenskyj, 2016-01-12 This book explores how the Olympic industry has shaped hegemonic concepts of sporting masculinities and femininities for its own profit and image making ends examining its continuing marginalization of athletes

on account of their race ethnicity gender sexuality and class

The Ashgate Research Companion to Queer Theory

Noreen Giffney, Michael O'Rourke, 2016-03-23 This interdisciplinary volume of thirty original essays engages with four key concerns of queer theoretical work identity discourse normativity and relationality The terms queer and theory are put under interrogation by a combination of distinguished and emerging scholars from a wide range of international locations in an effort to map the relations and disjunctions between them These contributors are especially attendant to the many theoretical discourses intersecting with queer theory including feminist theory LGBT studies postcolonial theory psychoanalysis disability studies Marxism poststructuralism critical race studies and posthumanism to name a few This Companion provides an up to the minute snapshot of queer scholarship from the past two decades and identifies many current directions queer theorizing is taking while also signposting several fruitful avenues for future research This book is both an invaluable and authoritative resource for scholars and an indispensable teaching tool for use in the classroom

Who's Coming Out to Play Claire Carter, 2021-02-24 Queer community sports leagues by their sheer numbers are changing the energy and space of school gyms and community recreational spaces Some leagues are well established having been in existence for over twenty five years whereas others are relatively new but their collective presence tells stories about the shifting dynamics of queer communities in Canada Who's Coming Out to Play considers the potential of queer community sports to disrupt notions of the embodiment of gender and community while maintaining an awareness of numerous factors that limit this potential Exploring queer teams and leagues of varying sizes and from various locations this book focuses on leagues that have previously identified as women's or lesbian and are now becoming trans and genderqueer inclusive Queer community leagues are based in a commitment to community building prioritizing fun socializing and inclusivity over competing or winning As a result of these commitments these spaces and the people who come to play in them reflect new ways of being in and with bodies different ways of embodying gender and new or different forms of engagement notably distinct rules of play within sporting arenas Who's Coming Out to Play paints a vivid picture of the lived experiences of queer bodies in queer sporting spaces exploring both the possibilities and the continued problems they face

Gender and Equestrian Sport Miriam Adelman, Jorge Knijnik, 2013-06-20 This volume brings together studies from various disciplines of the social sciences and humanities anthropology sociology cultural studies history and literary theory that shed light on the equestrian world as a historically gendered and highly dynamic field of contemporary sport and culture From high level international dressage and jumping polo and the turf to the rodeo world of the Americas and popular forms of equestrian sport and culture we are introduced to a range of issues that are played out at local and global national and international levels Students and scholars of gender culture and sport will find much of interest in this original look at contemporary issues such as engendered women's and men's identities subjectivities as equestrians representations of girls horses and the world of adventure in juvenile fiction the current feminization of particular equestrian activities and where boys and men

stand in relation to this how broad forms of social inequality and stratification play themselves out within gendered equestrian contexts men and women and their relation to horses within the framework of current discussions on the relation of animals to humans which may include not only love and care but also exploitation and violence among others Singular contributions show how equestrian activities contribute to historical and current constructions of embodied femininities and masculinities reflecting a world that has been moving beyond the binaries while continuing to be enmeshed in their persistent and contradictory legacy

The Masculine Modern Woman Jenny Ingemarsdotter, 2018-12-17 This book takes a fresh approach to one of the most popular cultural symbols of modernity in the 1920s the masculine modern woman Uncovering discourses on female masculinity in interwar Sweden a nation that struggled to become modern but not decadent this study examines cultural representations and debates across several arenas including fashion film sports automobility medicine and literature Drawing on rich empirical material this book traces not only how the masculine modern woman reshaped the imaginary space of what women could be do and desire but also how this space was eventually shrunk in order to fit into an emerging vision of a family oriented people s home

Active Bodies Martha H. Verbrugge, 2012-06-21 During the twentieth century opportunities for exercise sports and recreation grew significantly for most girls and women in the United States Female physical educators were among the key experts who influenced this revolution Drawing on extensive archival research this book examines the ideas experiences and instructional programs of white and black female physical educators who taught in public schools and diverse colleges and universities including coed and single sex public and private and predominantly white or black institutions Working primarily with female students women physical educators had to consider what an active female could and should do in comparison to an active male Applying concepts of sex differences they debated the implications of female anatomy physiology reproductive functions and psychosocial traits for achieving gender parity in the gym Teachers interpretations were contingent on where they worked and whom they taught They also responded to broad historical conditions including developments in American feminism law and education society s changing attitudes about gender race and sexuality and scientific controversies over the nature and significance of sex differences While deliberating fairness for female students white and black women physical educators also pursued equity for themselves as their workplaces and nascent profession often marginalized female and minority personnel Questions of difference and equity divided the field throughout the twentieth century while some women teachers favored moderate views and incremental change others promoted justice for their students and themselves by exerting authority at their schools critiquing traditional concepts of difference and devising innovative curricula Connecting the history of science race and gender studies American social history and the history of sport this book sheds new light on physical education s application of scientific ideas the politics of gender race and sexuality in the domain of active bodies and the enduring complexities of difference and equity in American culture

The Gay Games Caroline Symons, 2010-04-26 The Gay Games is an important

piece of new social history examining one of the largest sporting cultural and human rights events in the world Since their inception in 1980 the Gay Games have developed into a multi million dollar mega event engaging people from all continents while the international Gay Games movement has become one of the largest and most significant international institutions for gay and lesbian people Drawing on detailed archival research oral history and participant observation techniques and informed by critical feminist theory and queer theory this book offers the first comprehensive history of the Gay Games from 1980 through to the Chicago games of 2006 It explores the significance of the Games in the context of broader currents of gay and lesbian history and addresses a wide range of key contemporary themes within sports studies including the cultural politics of sport the politics of difference and identity and the rise of sporting mega events This book is important reading for any serious student of international sport or gender and sexuality studies

Routledge Companion to Sports History S. W. Pope, John Nauright, 2009-12-17 The field of sports history is no longer a fledgling area of study There is a great vitality in the field and it has matured dramatically over the past decade Reflecting changes to traditional approaches sport historians need now to engage with contemporary debates about history to be encouraged to position themselves and their methodologies in relation to current epistemological issues and to promote the importance of reflecting on the literary or poetic dimensions of producing history These contemporary developments along with a wealth of international research from a range of theoretical perspectives provide the backdrop to the new Routledge Companion to Sports History This book provides a comprehensive guide to the international field of sports history as it has developed as an academic area of study Readers are guided through the development of the field across a range of thematic and geographical contexts and are introduced to the latest cutting edge approaches within the field Including contributions from many of the world's leading sports historians the Routledge Companion to Sports History is the most important single volume for researchers and students in and entering the sports history field It is an essential guide to contemporary research themes to new ways of doing sports history and to the theoretical and methodological foundations of this most fascinating of subjects

The Palgrave Handbook of Olympic Studies H. Lenskj, S. Wagg, 2012-04-11 A comprehensive state of the art reference collection bringing together an authoritative and international line up of scholars to examine key social and political issues related to the Olympics An essential one stop volume for a wide range of academics students and researchers

Gender Relations in Global Perspective Nancy Cook, 2007 Faced with an increasingly diverse student population an expanding field of gender scholarship and an academic emphasis on multidisciplinary social science professors often struggle to address and integrate such a broad array of gender issues in their courses This book addresses that challenge by increasing students understandings of gender relations in multiple social fields across time and space Gender Relations in Global Perspective is truly multidisciplinary It is partially drawn from the work of sociologists but articles written by gender scholars from the disciplines of cultural studies history political science geography and literary theory are also included The readings examine

historically persistent cross culturally relevant and empirically grounded concerns such as men's position in the family and women's relationship to work media and the global economy as well as the gendered problems of violence sexuality and reproduction and racism This book presents an engaging range of comparative and cross cultural gender analyses from various world regions including the Middle East South Asia South East Asia Europe the Americas and Africa As the articles are dialogically situated in this text readers will be able to analyse gender similarities and differences around the globe and learn about the diversity of gender experiences across cultures and regions This range of analyses demonstrates how a global perspective enriches feminist analyses Students will quickly learn that to investigate gender dynamics adequately attention must be paid simultaneously to the processes of racialization class colonialism and imperialism and sexuality that interweave with gender to produce complex forms of oppression

Women's Football in the UK Jayne Caudwell, 2013-10-18 This book examines the complex ways in which girls and women experience football cultures in Britain It extends current debate surrounding women and football namely how gender has functioned to shape women's experiences of playing the game by focusing on organisational administrative and coaching practices alongside the particular issues surrounding sexuality ethnicity and disability not only gender The book analyses football and gender to reveal the subtle forms of discrimination that persist It is important to highlight the many challenges and transformations made by girls and women but more importantly to consider the ways power continues to operate to devalue and undermine girls and women involved in the game The UK based authors make use of their recent research findings to offer critical debate on girls and women's current experiences of British football cultures Overall the book reveals the present day complexities of marginalisation and exclusion This book was published as a special issue of Sport and Society

LGBT Football Fans Rory Magrath, 2023-11-10 While recent years have seen the emergence of a significant body of research on LGBT inclusion in sport little is known about LGBT fans This book provides the first in depth examination of LGBT football fans experiences and sense of place in the contemporary English game Drawing on almost 100 semi structured interviews with LGBT fans it explores several important findings including how these fans represent authentic notions of fandom the emergence of LGBT Fan Groups improved stadium environment for LGBT fans LGBT themed chanting and the role of governing bodies and professional football clubs The research presented in this book extends current theorising of under represented groups of sports fans This is fascinating and important reading for those with an interest in the sociology of sport sports fandom gender and sexuality

Learning Culture through Sports Sandra Spickard Prettyman, Brian Lampman, 2010-09-16 In today's culture sports wield a weight influence this influence however is rarely examined Similar to the first edition this second edition of Learning Culture Through Sports provides coaches educators parents and others dealing with students and athletes with an engaging and critical context for probing the sociological basis of this influence The book's sections each address a particular issue in sport youth and sport gender and sexuality race and ethnicity sport media and big business and international perspectives on sport

and participation Leading experts in the field present new and exciting avenues for exploring sport in our world allowing us to recognize its tremendous influence both positive and negative in our lives and in our world This new edition also includes cutting edge research examining contemporary issues and controversies surrounding sport today These issues analyzed from multiple perspectives will inspire readers to change the game in positive ways **Sport Policy in Canada** Lucie

Thibault, Jean Harvey, 2013-12-17 Sport Policy in Canada provides the first and most comprehensive analysis of the new Canadian Sport Policy adopted in 2012 In light of this new policy the authors top scholars in the field provide detailed accounts of the most salient sport policies and programs while also discussing issues and challenges facing policy makers In Canada and around the world the last decades have known a sharp increase in state intervention and public funding in pursuit of medals on the international stage and in support of a more active lifestyle Governments at all levels have made substantial investments in hope of hosting major sporting events to benefit from the economic impact and gain international prestige The study of sport policies often neglected in the past is becoming an increasingly important research topic Sport Policy in Canada seeks to fill this void by offering the most comprehensive analysis of sport policy since Macintosh Bedeck and Franks Sport Policy in Canada 1987 Published in English **Invisible Children in the Society and Its Schools** Sue Books, 2015-04-24 The authors in this book use the metaphors of invisibility and visibility to explore the social and school lives of many children and young people in North America whose complexity strengths and vulnerabilities are largely unseen in the society and its schools These invisible children are socially devalued in the sense that alleviating the difficult conditions of their lives is not a priority children who are subjected to derogatory stereotypes who are educationally neglected in schools that respond inadequately if at all to their needs and who receive relatively little attention from scholars in the field of education or writers in the popular press The chapter authors some of the most passionate and insightful scholars in the field of education today detail oversights and assaults visible and invisible but also affirm the capacity of many of these young people to survive flourish and often educate others despite the painful and even desperate circumstances of their lives By sharing their voices providing basic information about them and offering thoughtful analysis of their social situation this volume combines education and advocacy in an accessible volume responsive to some of the most pressing issues of our time Although their research methodologies differ all of the contributors aim to get the facts straight and to set them in a meaningful context New in the Third Edition Chapters retained from the previous edition have been thoroughly revised and updated and five totally new chapters have been added on the topics of young people pushed into the school to prison pipeline the environmental landscape of two out of school Mexican migrant teens in the rural Midwest the perceptions and practices in and outside schools that construct African American boys as school failures negative portrayals of blackness in the context of understanding the collateral damage of continued white privilege and working class pregnant and parenting teens efforts to create positive identities for themselves Of interest to a broad range of researchers students and

practitioners across the field of education this compelling book is accessible to all readers It is particularly appropriate as a text for courses that address the social context of education cultural and political change and public policy including social foundations of education sociology of education multicultural education curriculum studies and educational policy

Doping in Sport and Fitness April Henning, Jesper Andreasson, 2022-12-12 Doping in Sport and Fitness argues that rigid differentiations between doping contexts are less clear than it might seem Breaking down these boundaries allows for a more complete understanding of substance use patterns behaviours and policy responses related to sport fitness and society

Sexual Diversity and the Sochi 2014 Olympics H. Lenskyj, 2014-02-07 This book examines Russia's 2013 anti gay laws and their implications for the Sochi 2014 Olympics Lenskyj argues that Putin's Russia and the International Olympic Committee wield power in similar ways as evident in undemocratic governance fraudulent voting processes hypocrisy and absence of accountability
