compelling and illuminating **American Baptists in Mission** ,1992 Spirit Speech Dr. Luke A. Powery,2010-10-01

That the Holy Spirit is present in preaching is something we take for granted How the Spirit is present is a question we seldom ask Luke Powery suggests that we fail to ask that question to the detriment of our preaching Drawing on the tradition of African American preaching he locates the Spirit s activity in the sermon in two primary places First in celebration the joyous acceptance of God s gifts to the church and to the world But equally as powerful is the expression of lament the lifting up of our sorrow grief and suffering In these two experiences the Spirit plays the decisive role enabling the preacher to lay the congregation s joys and sorrows at the feet of the living God and announcing God s presence in both our celebration and our lament **The Spectator** ,1877 A weekly review of politics literature theology and art **Catalogue of the books in the Town of Haddington's Library, etc** Gray Library (HADDINGTON),1828 **Library of Famous Fiction** ,1875
