**Trade and Romance** Michael Murrin,2024-05-31 In *Trade and Romance* Michael Murrin examines the complex relations between the expansion of trade in Asia and the production of heroic romance in Europe from the second half of the thirteenth century through the late seventeenth century He shows how these tales of romance ostensibly meant for the aristocracy were important to the growing mercantile class as a way to gauge their own experiences in traveling to and trading in these exotic locales Murrin also looks at the role that growing knowledge of geography played in the writing of the creative literature of the period

tracking how accurate or inaccurate these writers were in depicting far flung destinations from Iran and the Caspian Sea all the way to the Pacific With reference to an impressive range of major works in several languages including the works of Marco Polo Geoffrey Chaucer Matteo Maria Boiardo Lu s de Cam es Fern o Mendes Pinto Edmund Spenser John Milton and more Murrin tracks numerous accounts by traders and merchants through the literature first on the Silk Road beginning in the mid thirteenth century then on the water route to India Japan and China via the Cape of Good Hope and finally the overland route through Siberia to Beijing All of these routes originally used to exchange commodities quickly became paths to knowledge as well enabling information to pass if sometimes vaguely and intermittently between Europe and the Far East These new tales of distant shores fired the imagination of Europe and made their way with surprising accuracy as Murrin shows into the poetry of the period

**Early Stories** Anton Chekhov, 1999 Even if he had written nothing else Ivan Bunin wrote of Chekhov s early stories we would still have said that an amazing mind had flashed through Russian literature His youthful work immediately established Chekhov as a leading writer of both comic and serious fiction The humorous tales have delighted Russians since the 1880s while the many admirers of the more serious stories include James Joyce and Katherine Mansfield In this selection stories with punchy endings jostle with outrageous paradies fracical situations the pastoral comedy of Romance with Double Bass and the absurdist humour of classics such as The Death of a Civil Servant But the volume also contains some of Chekhov s finest stories about children non love stories like The Little Joke and The Kiss the hauntingly lyrical Easter Night and the chilling Let Me Sleep This translation does full justice to the masterful range of the young Chekhov for those unfamiliar with his early work this edition will be a revelation
