Orthodoxy Of The Church The:

The Orthodoxy of the Church Watchman Nee, 1973 *The Orthodoxy of the Church & Authority and Submission*
Watchman Nee, Volume 47 of The Collected Works is composed of two books by Watchman Nee on the subject of the church and authority in the church The Orthodoxy of the Church is based on a Bible study conducted by Watchman Nee during the period between 1942 and 1948 This section of Volume 47 has been previously published as a separate title Authority and Submission based on a series of messages given by Watchman Nee in his training at Kuling Mountain in 1948 through 1949 contains two distinct but related parts In 1988 the Living Stream Ministry published the first part under the title Authority and Submission covering the general subject of spiritual authority and submission Volume 47 of The Collected Works includes a second previously untranslated part covering the matter of being God's deputy authority **The Holy Word for Morning Revival - Returning to the Orthodoxy of the Church** Witness Lee, 2016-10-15 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the International Training for Elders and Responsible Ones held in Gold Coast Australia on October 6-8 2016 The general subject of the training was Returning to the Orthodoxy of the Church Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ **The Orthodox Church** John Anthony McGuckin, 2010-12-13 This important work offers the most comprehensive and up to date account of the Orthodox Church available providing a detailed account of its historical development as well as exploring Orthodox theology and culture Written by one of the leading Orthodox historians and theologians in the English speaking world Offers an in depth engagement with the issues surrounding Orthodoxy's relationship to the modern world including political cultural and ethical debates Considers the belief tradition spirituality liturgical diversity and Biblical heritage of the Eastern Churches their endurance of oppressions and totalitarianisms and their contemporary need to rediscover their voice and confidence in a new world order Recipient of a CHOICE Outstanding Academic Title for 2009 award *The Eastern Orthodox Church* Ernst Benz, 2008-07-31 Western European Christendom finds it difficult to comprehend the Eastern Orthodox Church because it knows little about the practice and doctrines of Orthodoxy Even what is known is overlaid by many strata of prejudices and misunderstandings partly political in nature One of the obstacles has been the natural tendency to confound the ideas and customs of the Orthodox Church with familiar parallels in Roman Catholicism To escape this tradition pitfall Ernst Benz focuses on icon painting as a logical place to begin his examination of the Orthodox Church Beginning with a brilliant discussion of the importance of icons in the Eastern Church and the far reaching effects of icons on doctrine as well as art Benz counteracts the confusion explaining simply and clearly the liturgy and sacraments dogma constitution and law of Eastern Orthodoxy In brief history he describes the rise of Orthodox national churches schismatic churches and churches in exile the role of

monasticism and its striking differences from Roman Catholic monasticism the missionary work of the Orthodox Church and the influence of Orthodoxy on politics and culture The role of the church can be defined in terms of the image Benz writes that the church exists so that members may be incorporated into the image of Jesus Christ in that individual believers are changed into his likeness as Paul writes in the second letter to the Corinthians Thus Orthodox theology holds up the icon as the true key to the understanding of Orthodox dogma The Eastern Orthodox Church will be valuable to anyone interested in learning more about the church its thought its life and its ideals Ernst Benz 1907 1978 was one of the most distinguished contemporary German theologians and perhaps the leading Western authority on Eastern Orthodoxy He studied classical philology and archeology at Tbingen Berlin and Rome and turned to the study of Protestant theology He became professor of ecclesiastical and dogmatic history at the Philipp University at Marburg on the Lahn He is the author of Buddhism or Communism and Theology of Electricity On the Encounter and Explanation of Theology and Science in the 17th and 18th Centuries

Mystery of the Church William Bush, 1999-06 If C S Lewis were alive today and a convert to the Orthodox Church this is the book he would write Professor Bush has written the most uplifting and at the same time informative book on the Orthodox Church I have ever read If you are going to read only one book on Orthodoxy this is it Writing both for the Orthodox and the non Orthodox the author explains why in spite of wide ethnic diversity Orthodox Christians speak confidently of the Orthodox Church This stimulating and informative presentation of Orthodoxy as the right glory of apostolic Christianity still alive in the world today is illuminated by pertinent examples from Orthodoxy's long glorious but often suffering history as the Kingdom of the Holy Trinity on earth The author proposes that the Holy Fathers teaching that God is beyond human concepts applies equally to God's Church its mystery being rooted also in the dual nature of Christ and the triune nature of God Like holiness the church's mystery becomes a personal reality only through an ongoing ascetic love for Orthodoxy's liturgical life whereby the believer gains an ever deepening intimacy with Holy Scriptures and Holy Tradition as well as with Jesus Christ as Lord and God

A Long Walk To Church Nathaniel Davis, 2018-10-08 Making use of the formerly secret archives of the Soviet government interviews and first hand personal experiences Nathaniel Davis describes how the Russian Orthodox Church hung on the brink of institutional extinction twice in the past sixty five years In 1939 only a few score widely scattered priests were still functioning openly Ironically Hitler's invasion and Stalin's reaction to it rescued the church and parishes reopened new clergy and bishops were consecrated a patriarch was elected and seminaries and convents were reinstituted However after Stalin's death Khrushchev resumed the onslaught against religion Davis reveals that the erosion of church strength between 1948 and 1988 was greater than previously known and it was none too soon when the Soviet government changed policy in anticipation of the millennium of Russia's conversion to Christianity More recently the collapse of communism has created a mixture of dizzying opportunity and daunting trouble for Russian Orthodoxy The newly revised and updated edition addresses the tumultuous events of recent years including schisms in

Ukraine Estonia and Moldova and confrontations between church traditionalists conservatives and reformers The author also covers battles against Greek Catholics Roman Catholics Protestant evangelists and pagans in the south and east the canonization of the last Czar the church's financial crisis and hard data on the slowing Russian orthodox recovery and growth Institutional rebuilding and moral leadership now beckon between promise and possibility

The Ministry of the Word, Vol. 21, No. 04 Various Authors, 2017-04-01 This issue of The Ministry of the Word contains the first eight messages given during the fall 2016 term of the full time training in Anaheim California The general subject of this series of messages is The Failures in the Churches the Degradation of the Church the Overcomers in the Church the Recovery of the Church and the Stages of the Church This issue comprises the first three components of this fivefold subject This general subject unveils the decline of the church and illuminates our need to return to the orthodoxy of the church The term orthodoxy refers to God's way for the church as ordained by Him and revealed in His Word The practice of the church that is according to God's original intention was present in the early years of the church before degradation set in We may say that orthodoxy is the equivalent of the word normal Thus the orthodoxy of the church is the normal Christian church life The overcomers are normal Christians in a time of abnormality Moreover the principle of returning to the orthodoxy is the same as that of recovery In order to be faithful to the Lord and to His word we must forsake mere tradition and return to what God originally intended for the church Concerning the actual practice of the church life three particular matters must become clear to us and real within us First we need to have a genuine vision of the church and see the church as the Lord Himself sees the church From the Scriptures that have been opened and rightly expounded to us through the ministry may we have the veil lifted from our heart receive the shining of the divine life and have the sight under the anointing Then we will begin to realize what the church is to Christ and how He views the church in its actual condition In Revelation 2 and 3 the Lord Himself addressed many matters in the church but before doing so He presented to John a vision of the church as golden lampstands In the eyes of the Lord all seven churches including Thyatira Sardis and Laodicea as actual local churches were seven golden lampstands This indicates that intrinsically these seven churches were the embodiment and expression of the Triune God Second we need Christ's view and understanding concerning the degradation of the church The Lord Jesus is absolutely clear about the degradation in the churches nevertheless it is He who regards the churches intrinsically as golden lampstands Although the churches in their history and actual practice may be degraded in various ways we need to see everything not from our natural perspective but as the Lord sees Third we need to know and carry out His way to care for the church in its condition We are able to do so because we are governed by the vision of the church and have the Lord's view and understanding of the degradation in the church We need to know how to minister life how to conquer the satanic chaos and how to present the truth The co workers in particular need to learn of the Lord how to represent Him and how to carry out His administration to establish and maintain the order in the churches We need to be one with the Lord to minister Him

according to the various situations Message 1 identifies that the weaknesses and failures in the churches are due to the principle of Babylon which is hypocrisy To overcome this principle we must take Christ as our burnt offering As the burnt offering Christ is the One who is absolute for God and for His satisfaction When we take Christ as our burnt offering and consecrate ourselves to in with by and through Him as our burnt offering we become ashes The ashes of the burnt offering were handled by the priests in a very stately and dignified way by placing them on the east side of the altar The east side is the side toward the sunrise and is an allusion to resurrection By being brought into resurrection we are brought into the transformation of the Triune God to become gold pearl and precious stones which are the building materials of the New Jerusalem Hence the ashes eventually become the New Jerusalem This should be our daily experience Messages 2 through 4 show that we need to consider the degradation of the church so that we may be inoculated against the decline This divine and mystical vaccine will prevent us from repeating the failures in the churches and from falling into degradation This inoculation will bring us back to the straight way of God s economy concerning the church We need to take the straight way to be one with the persecuted Jesus by going outside the camp and bearing His reproach The straight way is for the believers to be brought into the church in the way of life and built up in this life into the Body of Christ to bear the testimony of Jesus The Lord s recovery is for the preparation of the bride and in order for the bride to be prepared the local churches must become in reality both the Body of Christ and the one new man The Body is an organism through which the Lord can move to carry out His administration and the one new man is a corporate person who will fulfill Genesis 1:26 expressing God with His image and representing Him with His dominion In God s wise organic salvation the Body and the one new man become the bride Messages 5 through 8 consider the overcomers in the church Instead of expressing a hope that everyone in the church will suddenly become absolutely faithful to the Lord the Lord calls for overcomers The Lord Jesus Himself is the first Overcomer Rev 3:21, 5:5 and He will reproduce Himself in those who have the heart to be produced as overcomers The Reports and Announcements section of this issue contains reports from the January and February 2017 gospel trips to South Africa and Europe There is also a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe

Orthodoxy Paul Evdokimov, 2011 Originally published in 1965 Evdokimov's *Orthodoxy* presents a synthesis of the essential elements of Orthodox traditions as they appear throughout Church history revealing the fruit born from the Russian diaspora in Western Europe and the interface of Orthodoxy with both the Christian and atheist West Evdokimov quotes the Fathers in order to bring their wisdom to bear on the modern spirit and in modern discourse Rooting things in the anthropological teaching that God became human so that humans might become God Evdokimov considers asceticism mysticism ecclesiology the faith of the Church the prayer of the Church and Eschaton or Last Things In his preface to the 1979 edition Olivier Clément wrote that Evdokimov's descriptions of the Last Things show that the eschatological process is already at work and that the Parousia will not be the return of Christ into the world but the passing over of the world into Christ Evdokimov appeals to a saintliness that is both kenotic and creative humble but capable of radiating life into all the complexity of history He speaks to all who desire not accommodations between churches whether diplomatic or whatever people are willing to settle for but the centre where the Lines converge Book jacket

The Church in Anglican Theology

Kenneth A. Locke, 2009 This book is the first systematic attempt to describe a coherent and comprehensive Anglican understanding of Church Rather than focusing on one school of thought Dr Locke unites under one ecclesiological umbrella the seemingly disparate views that have shaped Anglican reflections on Church He does so by exploring three central

historical developments 1 the influence of Protestantism 2 the Anglican defence of episcopacy and 3 the development of the Anglican practice of authority Dr Locke demonstrates how the interaction of these three historical influences laid the foundations of an Anglican understanding of Church that continues to guide and shape Anglican identity he shows how this understanding of Church has shaped recent Anglican ecumenical dialogues with Reformed Lutheran Orthodox and Roman Catholic Churches Drawing on the principle that dialogue with those who are different can lead to greater self understanding and self realization Dr Locke demonstrates that Anglican self identity rests on firmer ecclesiological foundations than is sometimes supposed

The Greek Orthodox Church in America Alexander Kitroeff, 2020-06-15 In this sweeping history Alexander Kitroeff shows how the Greek Orthodox Church in America has functioned as much more than a religious institution becoming the focal point in the lives of the country's million plus Greek immigrants and their descendants Assuming the responsibility of running Greek language schools and encouraging local parishes to engage in cultural and social activities the church became the most important Greek American institution and shaped the identity of Greeks in the United States Kitroeff digs into these traditional activities highlighting the American church's dependency on the mother church the Greek Orthodox Patriarchate of Constantinople and the use of Greek language in the Sunday liturgy Today as this rich biography of the church shows us Greek Orthodoxy remains in between the Old World and the New both Greek and American

Is Eastern Orthodoxy Christian? Robert A. Morey, 2007 To many Americans Eastern Orthodoxy is limited to such ethnic immigrant communities as the Greek Russian Syrian and Coptic churches The Greek Orthodox Church is primarily known for its annual festivals The Evangelical and Orthodox worlds are basically isolated from each other To many Christians Eastern Orthodoxy is simply Roman Catholicism without a Pope But beginning in the 1980's thousands of evangelical pastors missionaries and artists converted to Eastern Orthodoxy The Orthodox Church in America has now experienced the largest mass conversions in its history Dr Robert Morey PhD DMin DD MDiv BA has spent over five years investigating the truth claims of Eastern Orthodoxy With meticulous research and massive documentation Dr Morey has traced the historical and philosophic origins of its doctrines and rituals and has now written the definitive Evangelical response to Eastern Orthodoxy This work has already received international recognition for its careful scholarship logical analysis and biblical insight into the history and teachings of Eastern Orthodoxy and will be considered the classic Evangelical response to the Eastern Church for many years to come
