Osez Faire Confiance Emmanuel Delessert:

Oser faire confiance Emmanuel Delessert, Adèle Van Reeth, 2020-02-05 Notre époque ne sait plus faire confiance Les autres l'étranger le voisin le collaborateur l'être aimé ou l'enfant nous inquiètent dès que leur liberté les conduit un peu au-delà de nos attentes Nous les voudrions fiables lisibles transparents alors même que leur force ultime résiderait peut-être davantage dans cette surprise cette imprévisibilité que leur différence nous promet Faire confiance c'est accepter de se rendre vulnérable pour viser l'autre au-delà de toute attente et créer la possibilité de changements profonds et renouvelés Emmanuel Delessert professeur de philosophie Annecy est aussi confrencier musicien et organisateur d'événements culturels

Self-Confidence Charles Pépin, 2019-12-31 Inspired by great figures from Emerson and Nietzsche to Madonna and Serena Williams this engaging philosophical essay explores the workings of self confidence and how to develop it Where does self confidence come from How does it work What makes it stronger or weaker Why are some people more confident than others Is it only a question of temperament or the result of conscious self improvement How do you get closer to those who stand out thanks entirely to their confidence in themselves Drawing on philosophical texts ancient wisdom positive psychology and a wide range of case studies that feature famous thinkers artists and athletes but also unsung heroes such as a fighter pilot and an urgent care doctor Charles Pépin brings to light the strange alchemy that is self confidence In doing so he gives us the keys to having more confidence in ourselves
