Conştientizarea. Cheia pentru a trăi în armonie Osho, 2016-06-14 nv turile lui Osho unul dintre cei mai cunoscu i lideri spirituali ai secolului XX r stoarn tiparele clasice de g ndire provoc ndu ne la o permanent punere sub semnul ntreb rii a certitudinilor i la un proces de con tinentizare de sine C r ile din seria Incursiune ntr un nou mod de via prezint viziunea lui Osho privind cele mai importante probleme pe care i le pun oamenii interesa i de tiin a transform rii de sine i de o spiritualitate adaptat la provoc rile cotidiene ale vie ii contemporane OSHO - Meditatie OSHO, 2019-11-01 Medita ia nu nseamn altceva dec t capacitatea de a te implica r m n nd n acela i timp deta at Po i s faci un lucru cu bucurie i totodat s fii doar un martor s observi ceea ce faci ca i cum l ar face altcineva Bucur te i n acela i timp aminte te i c nu e ti dec t o oglind n care se reflect norii copacii p s rile i oamenii A Course in Meditation Osho, 2019-09-03 A 21 day course for modern meditators It can be difficult for the hyperactive 21st century mind to relax into an experience of silence and awareness Recognizing this the revered mystic Osho developed new meditation techniques to address the challenges of the modern mind A Course in Meditation demonstrates these techniques in an easy to navigate format Each day learn a new aspect of meditative living followed by a simple practical meditation and awareness practice After each experience reflect on the accompanying quote of the day or use the provided space to take notes Throughout the course Osho imparts his unique insights on love anger relaxation and more to guide you toward a space of inner acceptance joy and mindfulness A Course in Meditation shows how we can reclaim the meditative nature that we each come in to the world with but lose over time as we are initiated into the ways of society From beginners eager to find stillness to more experienced meditators who wish to elevate their practice Osho s guide to meditation can teach everyone to separate themselves from their minds for a transformation of consciousness that brings a new understanding of what it means to be alert and responsive to whatever life brings Without meditation you do not know the secrets of life you know only the surface of life OSHO Osho known for his revolutionary contribution to the science of inner transformation continues to inspire millions of people worldwide in their search to define a new approach to individual spirituality that is self directed and responsive to the everyday challenges of contemporary life Osho was described by UK s Sunday Times as one of the 1000 Makers of the 20th Century His internationally bestselling works are available in 60 languages around the world **Conştientizarea** Osho, 2014

Philosophia Perrenis Series 2 Osho, 2017-09-30 My message to humanity is a new man Less than that won t do Not something modified not something continuous with the past but utterly discontinuous Osho Far from being a dry academic centre of learning the mystery school of Pythagoras was alive with music dance celebration and meditation Osho named Pythagoras a seeker of truth par excellence In this second collection of talks on the timeless laws of existence Philosophia Perennis Osho talks about how the combination of these seemingly polar opposites creates a unique meeting of religion and science With the wisdom of Pythagoras Osho blends in his insight to topics that include psychoanalysis education politics

revolution sex and religion making this book an extraordinary read      The Independent Mind Osho,2017-08-08 Although the word psychology does not come up in this book this early work by Osho shows his deep understanding of the subject and his attempt to make the connection between meditation and a modern understanding of psychology that includes the importance that our minds play in determining and giving direction on many levels to our lives Osho has taught for many years that meditation is not a religious exercise but a scientific method to understand what the mind is and how it works and to learn how to create a healthy distance from what is in many ways a programmed and robot like mechanism that seems to be dominating our lives and decisions and activities more and more and not always in a positive way As Osho has said so often beginning many decades ago that humanity is afflicted by a deep and fundamental insanity and that we initiate each new generation of children into that madness is now becoming more and more obvious The children who refuse to be initiated into that madness will appear rebellious or mad to their elders who persist with the best intentions to force them onto the same path to participate in the same madness It is utterly dangerous to be sane in this world Osho says A sane person has to pay a heavy price for his sanity Osho pleads in this book for what he calls an independent mind independent thinking and challenges us to question our belief that we are already great independent minds a belief based on the lack of understanding that our thoughts mostly come from others like a computer program full of malware downloaded into our brains What I mean by the thinking state is that you should have eyes what I mean is the ability to think on your own But I don t mean a crowd of thoughts We all have a crowd of thoughts within us but we don t have thinking within us So many thoughts go on moving within us but the power of thinking has not been awakened In his early days of teaching Osho ran meditation camps in which he introduced people into meditation and his morning and evening talks created the framework of understanding for this work This book is a fascinating record of one of these camps in a short period of three days Osho introduces his participants to an understanding that our minds are running on malware programs and he introduces meditation as an antivirus to clean our minds of the conditionings and indoctrinations that are preventing us from realizing our full potential and to be happy In the coming three days I will talk to you about the search for life I must first say that life is not what we understand it to be Until this is clear to us and we recognize in our hearts that what we think of as life is not life at all the search for the true life cannot begin When you have something authentically your own in your mind you start moving toward the soul Then you become worthy then you are able to know the soul Until you have an independent mind it is simply impossible for individuality to be born      **Superficially Civilized** Osho,2012-09-30 Osho describes humanity as superficially civilized Underneath of our so called civilization we are still animals but our cultures cannot accept this fact This Osho talk is about about unconsciousness repression and expression of emotions In responding to two personal questions Osho describes unconsciousness as the basement of our minds in which many things are buried which find expression through your conscious Like millions of people watch boxing or football matches and their enjoyment is the expression of hidden violence

**You Are in Prison and You Think You Are Free** Osho,2012-09-30 This book is about the starting point of all personal and spiritual growth the realization of your own reality Osho introduces George Gurdjieff one of the most significant masters of this age He used to say You are in prison If you wish to get out of prison the first thing you must do is realize that you are in prison or you are the prison Osho emphasizes this as something to be always remembered as one of the first principles for any seeker of truth From a series of OSHO Talks titled The Invitation This OSHO Talk is complete in itself Recorded at the Osho International Meditation Resort Pune India The series The Invitation is available in audio format *The Heart of Yoga* Osho,2017-12-09 Can Yoga make you happy what is the secret of happiness While the practice of Yoga is now being widely embraced by the West in context with health benefits body flexibility and as a relaxation method in a world where most of us now have on a material level almost everything we need the spiritual aspects and questions of quality of life happiness and well being are center stage questions now To be happy is now more valued than material riches money and prestige which many have but realize that they did not find happiness through them Osho continues his presentation and analysis of the original Yoga sutras by Patanjali Yoga The Science of the Soul with ten extraordinary talks addressing key issues in our lives Such incredible teachings and lessons are hidden in these ancient scriptures According to ordinary thinking to be friendly with someone who is happy is very easy The truth is it is not In fact it is one of the most difficult things in life If somebody is happy immediately you are shocked how is it possible How come you re not happy and the other is This seems like injustice With the happy you feel jealous in a subtle competition You feel inferior with happy people Or you may show your happiness but that s just a facade a show a mask Learn about the secret and once the secret is known once you know how one becomes happier and how with others happiness you create a situation for yourself to be happy there is no barrier you can go as far as you like Learn the secret of being happy with the whole universe with every flower river rock and star become one with this continuous eternal celebration This remarkable OSHO Classic belongs in everybody s library **Life Is a Soap Bubble** Osho,2014-12-16 Rarely are written statements available from enlightened masters or mystics Lao Tzu s statements of the Tao Te Ching came into being only at the end of his life Mystics usually don t write books they speak and work directly with people in a transformational way In the same way Osho s books are transcriptions of his daily talks This book is a rare exception 100 letters written by Osho and mailed to a disciple Yoga Sohan in connection with events during a meditation camp in which she participated Osho promised her that he would send her a letter every day and that she should keep them so they could be published one day This unique selection of these letters contains Osho s very personal instructions and insights on a meditative life In one he says That s what meditation is all about writing love letters to life If you have come to the point where you feel there must be something more to life and are ready to explore other dimensions of being this collection will provide an essential road map The one hundred short passages in this book are full of diverse and pertinent gems They will touch your heart and inspire you showing you how to turn each and every moment of your life into a

*The Book of Understanding* Osho,2006-02-14 The path to freedom is filled with questions and uncertainty Is it possible to truly know who we are Do our lives have a purpose or are we just accidental What are we meant to contribute What are we meant to become to create and to share In *The Book of Understanding* Osho one of the most provocative thinkers of our time challenges us to understand our world and ourselves in a new and radical way The first step toward understanding he says is to question and doubt all that we have been taught to believe All our lives we ve been handed so called truths by countless others beliefs we learned to accept without reason It is only in questioning our beliefs assumptions and prejudices that we can begin to uncover our own unique voice and heal the divisions within us and without Once we discover our authentic self we can embrace all aspects of the human experience from the earthy pleasure loving qualities that characterize Zorba the Greek to the watchful silent qualities of Gautam the Buddha We can become whole and live with integrity able to respond with creativity and compassion to the religious political and cultural divides that currently plague our society In this groundbreaking work Osho identifies loosens and ultimately helps to untie the knots of fear and misunderstanding that restrict us leaving us free to discover and create our own individual path to freedom      *Meditation* Osho,2004-12-17 Revised and resized edition of the perennial Osho classic      *Discovering Your Center* Osho,2018-07-25 The longing to be who we really are Osho explains how we became alienated from our own essence what it means to live in that disconnect and how to rediscover our authenticity Osho delivers a lot in one small talk      *Existence Is Not Just Matter* Osho,2012-09-30 This eBook is a beautiful example and a fascinating insight into the work of a master with his audience of seekers Osho responds to questions coming from his audience A variety of questions and Osho s responses give a taste of Osho s insights and teachings on subjects of intelligence the compulsion for power questions re the personal experience of Osho and the ongoing game of questions and answers between the audience and Osho itself      *The Beauty of the Human Soul* Osho,2016-05-24 *The Beauty of the Human Soul* continues the AUTHENTIC LIVING series by Osho with talks by the contemporary mystic during his stay in the United States All of the Osho books are created from his extemporaneous talks and in this volume reflect the intimate setting in which they were given with small audiences of those gathered in the Oregon commune around him Everything is on the table belief in God the meaning of compassion what happens when we die In sharing stories from his own life bringing new insights to old parables and challenging his listeners to examine their own conscious and unconscious beliefs he begins to create a new and more authentic narrative about what we human beings are doing on this planet and why we are here The entire Authentic Living series is a manifesto of the priceless gift of individuality of both the freedom and the responsibility that comes with living life according to your own light free from fixed concepts and ideologies given by others whether that be parents teachers priests or politicians The challenge is to take nothing for granted leave no sacred cow unexamined And to take the courage to step into the unknown with no idea of what is going to happen with great creativity sensitivity and

awareness but with no fixed ideology Osho says You have to go through a transformation and that only you can do Except you nobody can reach there And this is the beauty of the human soul that it is absolutely unavailable to anybody Your center is so protected by existence that nobody can even touch it OSHO - Frica OSHO,2016-04-28 nv turile lui Osho unul dintre cei mai cunoscu i lideri spirituali ai secolului XX r stoarn tiparele clasice de g ndire provoc ndu ne la o permanent punere sub semnul ntreb rii a certitudinilor i la un proces de con tientizare de sine C r ile din seria OSHO prezint viziunea acestuia privind cele mai importante probleme pe care i le pun oamenii interesa i de tiin a transform rii de sine i de o spiritualitate adaptat la provoc rile cotidiene ale vie ii contemporane Bucuria este antidotul pentru fric Frica apare dac nu te bucuri de via Dac te bucuri de via frica dispare A a c ncearc s fii pozitiv i s se bucuri mai mult s r zi mai mult s c n i i s dansezi mai mult

**OSHO 3 Steps to Awakening** Osho,2018-01-10 Waking up or awakening means that the dream is over the dream of unconsciousness we all spend most of our lives in often a life of tensions anguish feeling unfulfilled and running after illusions which are just substitutes of what we are really looking for This little book is actually a big book containing Osho s entire teaching from an early period of his public life and teachings He takes us through three steps on the path to awakening steps to help us to get out of our conditioning our limitations and frustrations There are only three steps freedom of consciousness simplicity of mind and emptiness of mind For freedom of thought for liberation of thought and for the awakening of intelligence the first thing the first awareness that is needed is No thought is mine No thought is mine While we read this book Osho takes us through this experience of letting go of identification allows us to get a glimpse what a life of awakening can be

**The Perfect Way** Osho,2017-12-12 The book you hold in your hand or you are just ordering from an online store is a unique book It is the first book by the contemporary mystic Osho At the beginning of his public life Osho who is at that time a professor of philosophy at Jabalpur University introduces people to a new and unique understanding of meditation during experiential meditation camps He speaks to the participants and responds to questions This book is the first published records of Osho s first meditation camp in Rajasthan India In fifteen small chapters he gives a condensed presentation of his understanding of meditation which he then elaborates in many more talks and publications but the essential message is already available in this book Osho speaks to the individual not to a collective not the abstract collective of humanity or a collective defined by religion or nationality or race but to individuals as the core element of existence We used one of his opening comments as a longer quote on the front cover of the book as it seem so important The individual is the unit of the whole and it is through him that both evolution and revolution can take place You are that unit Osho mentions this book on several occasions in his later talks When the second prime minister of India traveled to Russia a copy of The Perfect Way was with him And when someone in contact with Osho at the age of ninety stumbled upon The Perfect Way he commented All my learning of the scriptures was futile only this small book is enough In The Perfect Way the reader meets a human being who knows but who also knows how to convey what he knows His genius in full flight he points us as far as one

can with words toward the inner world of the self toward the zone of silence What starts on a hot summer day in the early 1960 s will prove to be the first seed of a revolutionary experiment in the flowering of human consciousness one which will eventually transform the lives of millions of people all over the world To be without thoughts is meditation Osho says When there are no thoughts it is then we come to know the one hidden by our thoughts When there are no clouds the blue sky is revealed This book is page after page of blue sky **Hypnosis in the Service of Meditation** Osho,2012-09-30 Can hypnosis support meditation This is the focus and question of this Osho Talk Osho speaks about a time when hypnosis was a recognized door towards meditation In the Middle Ages hypnosis was condemned alongside witchcraft That condemnation still lingers on Osho speaks here about hypnosis as a very helpful tool to enter into meditation he discusses hypnosis and self hypnosis as useful tools combined with modern audio recording technology to support the process
