

1. What happened to Roderigo after the fight with Cassio?

Roderigo is wounded in the fight by Cassio, and Cassio is wounded by Roderigo, or possibly by Iago in the darkness. When Iago pretends to "discover" the fight with Lodovico and Gratiano, he takes advantage of the confusion to stab and kill Roderigo before he can talk.

Before the fight, he explained in an aside that it didn't matter to him whether Cassio, Roderigo or both were killed in the fight he set up. Any combination of events could be used to his advantage.

2. How does Iago succeed in implicating Bianca in the attack on Cassio? What is his motivation for doing this?

In the presence of Lodovico and Gratiano, Iago directly accuses Bianca of being involved in the attack. When Emilia enters, Iago tells her that Cassio was attacked by Roderigo, now dead, and "others." Knowing that Cassio was with Bianca earlier, he asks Emilia to find out where Cassio had dinner that evening, and then implies that Bianca's reaction to this question is a guilty one.

Iago tries to implicate Bianca in order to divert guilt away from himself. Since Roderigo was his friend, suspicion might be aroused. In doing so, Iago attempts to destroy yet one more innocent person.

Some critics have theorized that Iago's attempt to implicate Bianca is really unnecessary, and is an example of his evil continuing at a pace that even he cannot control.

3. Before he kills her, what news does Othello bring Desdemona about Cassio, what is her reaction?

Othello tells Desdemona that Cassio has confessed to their affair, and Iago has killed him.

Desdemona's sympathy for Cassio enrages Othello further and provides the final impetus for him to murder her.

4. Who finally reveals the truth about Iago and his evil plot against Desdemona and Othello?

Emilia realizes that her husband's "odious damned lie" about Desdemona has brought about her murder.

Ignoring her husband's command, Emilia refuses to be quiet in the play's final scene and admits she found Desdemona and gave it to Iago. When Othello realizes the truth, he lunges for Iago, but in the confusion, Iago kills Emilia and flees.

through political fixes poorly thought out compromises and misguided legislative or Executive tinkering the English law of homicide is in a mess Even the most adept legal minds are faced with what has been described in Parliament as fine lines and distinctions What must juries make of messy laws and how can anyone have confidence in criminal justice if laws affecting some of the most serious offences in the criminal calendar are deeply flawed To make matters worse the entire subject of homicide in England and Wales is further distorted by the existence of the mandatory life sentence for murder Building on unrivalled knowledge extensive research close practical observation and incisive analysis Professor Terence Morris and Sir Louis Blom Cooper QC trace the development of the law of homicide from early times to the present day They counter and dismantle specious arguments for preserving the status quo and point out that only root and branch reform of the basis of liability for homicide and its sentencing regime will serve to restore justice fairness and political probity Professor Terence Morris and Sir Louis Blom Cooper QC are two of the UK's leading experts on the law of homicide having studied developments together for over 50 years This has led them to recognise the extent of disquiet especially following particularly troubling cases and to conclude that the law of homicide in England and Wales is an unsatisfactory law enveloped in a political fix Their suggestion of a replacement single offence of criminal homicide coupled with abolition of the mandatory life sentence for murder in favour of discretion at the sentencing stage demands close study by judges lawyers legislators academics penal reformers and anyone who senses that something is seriously amiss This is no dry legal tome The authors present their case in a bracing persuasive and highly readable way This is an important and stimulating work that should engage not just the legal practitioner politician or law student but anyone concerned with our justice system or puzzled by the conduct and outcome of a murder trial guardian.co.uk Fine Lines and Distinctions prompted me to pay more attention to and reflect further on those who have killed Though its primary focus is the law specifically a potentially significant improvement to the law I also warmly recommend it to anyone interested in lifers Independent Monitor This timely provocative and certainly topical book puts forward a closely argued and well supported case for encouraging a root and branch reform of the law of homicide and provides ample evidence and ammunition to those who would agree that such a reform should be put in place as a matter of urgency by Phillip Taylor MBE and Elizabeth Taylor of Richmond Green Chambers
