## **Ottumwa Ia Postcard History Series:**

Ottumwa Michael W. Lemberger, Leigh Michaels, 2007-08-01 Ottumwa was established in 1843 on the banks of the Des Moines River The city quickly became a center of retail trade and industry for southeastern Iowa as well as a railroad hub that shipped products across the country More than 200 vintage postcard images show the booming industrial and retail city at the beginning of the 20th century and after from the river to the railroads from parks and recreation to business and retail from quiet residential streets to churches and ice cream parlors bringing back the bygone days of a still thriving city

Along Iowa's Historic Highway 20 Michael J. Till, 2014 US Highway 20 was designated a federal highway in 1926 For the first half of the 20th century it was the most important east west road across northern Iowa extending from the Mississippi to the Missouri River The road connected 13 counties four major metropolitan areas and many smaller communities along its route Fortunately the historic two lane road remains almost completely intact and can be driven much as travelers did in years gone by Along Iowa's Historic Highway 20 celebrates such a trip illustrated by more than 200 antique postcards that show the personality of the road town and city scenes rural vistas rivers bridges and historic sites Not to be forgotten are the tourist courts hotels diners and gas stations that made travel possible
