## **Our Companions Our Enemies:**

**Our Companions, Our Enemies** Steven McFadden, 2009-11 Our Companions Our Enemies is the true story of author Steven R McFadden's journey to victory over negative emotions so strong that they seemed like real people. As a child, Steve would often talk to Dee and Ann, the twin sisters he believed lived in his house. What his parents thought were imaginary friends instead turned out to be manifestations of the spirits of Depression and Anger that followed the McFaddens like members of the family. God revealed to Steve that these spirits he thought loved him were actually bitter adversaries who wanted to consume him. Though Steve began to draw closer to God, the challenges of his life took their toll. Caring for a physically disabled mother and living with a physically distant father, experiencing feelings of rejection when he was sent to live with friends and wrestling with the call of God on his life left this man broken and in need of grace. Throughout *Our Companions Our Enemies*, Steve interweaves the lessons he has learned throughout his battles with depression, anger, and rage, which led to equally challenging battles with alcohol, lust, and other addictions that lead to self-destruction. His patent honesty about his own failures and successes, his loves and losses, and his ultimate hope will resonate with anyone who needs to know that it is never too late to turn their life around.
