Bennett,2001-01-01 Presents a book of advice from our nation s founders on how to be a good citizen and a worthy member of civil society Our Country's Founders William J. Bennett,1998-01 *The History of Salt Lake City and its Founders, Volume 2* Edward William Tullidge,2019 Tullidge s monumental work on the beautiful desert metropolis its history and growth its evolution and its most significant troubles is obviously also a history of Mormonism and its growth and development in Utah written by authority of the Council and under supervision of its Committee on Revision and therefore giving a picture of Mormonism in the most favorable light in which it is possible to present the institution to the public There are too many outside evidences of material prosperity and thrift everywhere to be seen in the resourceful valley where the Mormon emigrants from Illinois and Missouri began to make their home in July 1847 and the vitality of the community has been too plainly manifested on many occasions for any one easily to escape the conclusion that the Mormon question as it is called is still one of no insignificant importance Why and how it has become of such material significance is probably more fully explained in this volume than in any other one work published This is volume two out of two

I'm Not a Celebrity Robert L. Westin, Sr.,2012-03-08 We Americans are engaged in an ideological struggle to decide whether we will remain a nation committed to the principles of individual freedom and self reliance or be transformed into an European style of socialism Westin believes too many Americans are either too busy or disinterested to take the time to study the issues and gather the information needed to make intelligent decisions Instead they allow themselves to be influenced by the diatribe spewed by late night talk show hosts TV and radio political pundits biased politicians and other celebrities Dont be fooled by the small size of *Im Not a Celebrity* It provides a mini encyclopedia of information behind the most important headline issues confronting our nation It is packed between autobiographic bookends establishing Westins credibility as a senior citizen and presenting his example of what it takes to achieve the American Dream Westin reminds us that history teaches that the decline of free democratic societies begins with the deterioration of social morality If America is to remain the leader of the free world each of us regardless of political racial ethnic or religious affiliation must take it upon ourselves to live moral lives and challenge those who turn their backs on common decency If we dont the freedoms we have enjoyed will be lost He hopes that by reading *Im Not a Celebrity* you will be moved to action
