

stoke your lust.....
if you must,
Would there be any need?
Of great Chetan Lord.....

Eyes are sea.....
Eyes are ocean.....
deep.....unfathomable
home of placid emotion
or may be calm storm
eyes are balm.....
for the frayed nerves
eyes are lotion.....
chore exhausted.....
life's lullaby potion.....

Come....have a seat
be in the warm proximity
of EYES.....
feel like a winged creature
in passion filled....
embrace with nature.....
Will you meet all win....
never meet any defeat

Come.... Have a Konversation
to start the sojourn.....
to endlessness.....
to eternity.....
I am eager and ready
waiting since time
Immemorial.....
to LOAN you my Eyes.....
Penmanship..... your prism.....

4. Art is in the heart....
brush strokes are palpitations
paint is the liquidization
of emotions.....you as an
Artist of life spread.....
on the canvas of nature....

All flow of thoughts.....
solid dreams.... on
reams of paper.....
liquification....on the stage
....all encompassing
deluge of drama.....
unfolding in front

Poetry: A Delightful Journey Through Life Sterling H. Redd, Sr., 2021-03-20 POETRY A Delightful Journey Through Life is an arrangement of over eighty well selected classical poems into eight basic life stages in which most people pass through or experience in the course of a lifetime These eight stages are Childhood Beyond a Bumbling Society In Search of Love On Pain and Irony Satisfaction with the Simple Things of Life The Seasons On Death and Lines to Lift and Inspire Each of the eight stages is first introduced within an appropriate setting or frame of mind under which the selected poems follow The reader is then carefully introduced to each poem making it more readily understood Inasmuch as poetry generally uses figurative symbols and imagery the reader coming from any number of backgrounds of education and experience is allowed to put his or her own finishing touches on the poem and can thus experience personal enjoyment from the poetic images embodied in the poems

Transcultural Poetics and the Concept of the Poet Ranjan Ghosh, 2016-12-08 Critiquing the politics and dynamics of the transcultural poetics of reading literature this book demonstrates an ambitious understanding of the concept of the poet across a wide range of traditions Anglo American German French Arabic Chinese Sanskrit Bengali Urdu and philosophies of creativity that are rarely studied side by side Ghosh carves out unexplored spaces of negotiation and intersections between literature aesthetics and philosophy The book demonstrates an original method of global comparison that displaces the relatively staid and historicist categories that have underpinned comparative literature approaches so far since they rarely dare stray beyond issues of influence and schools or new world literature approaches that affirm cosmopolitanism and transnationalism as overarching themes Going beyond comparatism and reformulating the chronological patterns of reading this bold book introduces new methodologies of reading literature to configure the concept of the poet from Philip Sidney to T S Eliot reading the notion of the poet through completely new theoretical and epistemic triggers Commonly known texts and sometimes well circulated ideas are subjected to refreshing reading in what the author calls the transcultural now and in fusionised transpoetical matrices By moving between theories of poetry and literature that come from widely separated times contexts and cultures this book shows the relevance of canonical texts to a theory of the future as marked by post global concerns
