Out In The Army My Life As A Gay Soldier:

Out in the Army James Wharton, 2013-06-17 A highly readable and distinctly 21st century boy's own tale BEN SUMMERSKILL OBE Seeking escape from the quiet countryside of North Wales the young James Wharton joined the British Army with adventure on his mind and he found it At basic training boozing and brawling accompany the daily trials of army life but all the while James faces a battle of his own he is gay and finding the courage to tell not only his family and friends but also his fellow soldiers will be the biggest challenge of all Written with searing honesty and updated to include a new chapter James charts his incredible journey from punchbag to poster boy describing the troubles and trials of coming to terms with his sexuality via late nights in Soho clubs and early mornings at ceremonial events The first openly gay person to appear on the cover of Soldier the British Army's official magazine James has played an active role in developing support networks for gay men and women within the forces A courageous and candid account from the soldier who escorted the Queen to the wedding of Prince William and Kate Middleton endured rocket attacks in the deserts of Iraq and served bravely alongside Prince Harry on the plains of Canada this is James's life out in the army A fascinating and charming insight into a remarkable life that wouldn't have been possible just a few years ago MATT CAIN FORMER CULTURE EDITOR CHANNEL 4 NEWS

Pride in Defence Noah Riseman, Shirleene Robinson, 2020-11-03 Since the Second World War the Australian military has undergone remarkable transformations in the way it has treated lesbian gay bisexual transgender and intersex service members it has shifted from persecuting hunting and discharging LGBTI members to embracing them as valued members who enhance the Force's capabilities LGBTI people have served in the Australian military since its very beginnings yet Australian Defence Force histories have been very slow to recognise this Pride in Defence confronts that silence It charts the changing policies and practices of the ADF illuminating the experiences of LGBTI members in what was often a hostile institution Drawing on over 140 interviews and previously unexamined documents Pride in Defence features accounts of secret romances police surveillance and traumatic discharges At its centre are the courageous LGBTI members who served their country in the face of systemic prejudice In doing so they showed the power of diversity and challenged the ADF to make it a far stronger institution

Bringing War to Book Rachel Woodward, K. Neil Jenkins, 2018-05-04 This book explores how military memoirs come to be written and published Looking at the journeys through which soldiers and other military personnel become writers the authors draw on over 250 military memoirs published since 1980 about service with the British armed forces and on interviews with published military memoirists who talk in detail about the writing and production of their books A range of themes are explored including the nature of the military memoir motivations for writing authors reflections on their readerships inclusions and exclusions within the text the memories and materials that authors draw on the collaborations that make the production and publication of military memoirs possible and the issues around the design of military memoirs distinctive covers Written by two leading commentators on the sociology of the military Bringing

War to Book offers a new and original argument about the representations of war and the military experience as a process of social production The book will be of interest to students and scholars across a range of disciplines including sociology history and cultural studies The Moral Lessons of Chemsex Maurice Nagington,2024-12-23 This book explores how gay and bi men s lived experiences of chemsex intersect with its cultural representations It argues that while normative moral frameworks are often used to talk about chemsex chemsex sub cultures contain their own valuable moral frameworks that can provide lessons about some of the most pressing concerns of contemporary society Drawing from a tradition of scholarship that views queer sub cultures as having pedagogical value for all of society Maurice Nagington critiques norms that govern lives in relation to the interactions of bodies sex and capitalism trauma and tragedy the regulation of boundaries and the disciplinary apparatuses in modern society Each chapter takes its lead from themes informed by the analysis of longitudinal interviews conducted over a two year period by the author and an archive of materials concerning chemsex such as films soundtracks health promotion pamphlets newspaper articles blogs and ethnographic field notes Linking the accounts of interviewees to wider debates about and representations of chemsex this innovative book develops a cohesive narrative about the moral lessons chemsex can teach us Contributing to the emerging field of critical chemsex studies this volume is of interest to advanced students and scholars interested in gender and sexuality studies sociology of health and illness medical anthropology critical public health and criminology as well those who are involved in chemsex and wish to read and reflect about it as more than just a problem The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license *Gender, Sexuality and Law* Chris Ashford,Alexander Maine,2024-10-03 This textbook combines pioneering feminist and queer judgments and statutes with critical and intersectional theories to provide a comprehensive overview of the field of gender sexuality and law A diverse range of socio legal experts set out the theoretical and legal foundations of the topic before examining the ongoing struggle for rights and contemporary dissenting voices **Harry** Marcia Moody,2014-03-13 Comprehensive yet entirely accessible Harry A Biography paints a revelatory portrait of the coolest member of the royal family *Army Life of an Illinois Soldier* Charles Wright Wills,1906 **The Advocate** ,2002-11-26 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States *The Advocate* ,2005-09-27 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **The Prime Time Closet** Stephen Tropiano,2002-05-01 Applause Books Television history was made on April 30 1997 when comedian Ellen DeGeneres and her sitcom alter ego Ellen Morgan came out to her close friends and 36 million viewers This groundbreaking episode represented a significant milestone in American television For the first time a TV series centered around a lesbian character who was portrayed by an openly gay actor The millions of viewers who tuned in that historic night

were witnesses to a new era in television The Prime Time Closet offers an entertaining and in depth glimpse into homosexuality on television from the 1950s through today Divided into four sections each devoted to a major television genre this unique book explores how gay men and lesbians have been depicted in over three hundred television episodes and made for TV films These include medical series police detective shows situation comedies and TV dramas The Prime Time Closet also reveals how television s treatment of homosexuality has reflected and reinforced society s ignorance about and fear of gay men and lesbians At the same time it celebrates programs like Ellen and Will Grace that have broken new ground in their sensitive and enlightened approach to homosexuality and gay related themes This book is witty and insightful accessible and illuminating a look into what has become an integral part of American media culture **Coming Out Under Fire** Allan Bérubé, 2010-09-07 During World War II as the United States called on its citizens to serve in unprecedented numbers the presence of gay Americans in the armed forces increasingly conflicted with the expanding antihomosexual policies and procedures of the military In Coming Out Under Fire Allan B rub examines in depth and detail these social and political confrontation not as a story of how the military victimized homosexuals but as a story of how a dynamic power relationship developed between gay citizens and their government transforming them both Drawing on GIs wartime letters extensive interviews with gay veterans and declassified military documents B rub thoughtfully constructs a startling history of the two wars gay military men and women fought one for America and another as homosexuals within the military B rub s book the inspiration for the 1995 Peabody Award winning documentary film of the same name has become a classic since it was published in 1990 just three years prior to the controversial don t ask don t tell policy which has continued to serve as an uneasy compromise between gays and the military With a new foreword by historians John D Emilio and Estelle B Freedman this book remains a valuable contribution to the history of World War II as well as to the ongoing debate regarding the role of gays in the U S military **Murder in the Vatican** Lucien Gregoire, 2010 Driven by Paul VI s edicts Populorum Progressio and Liberation Theology there were two fronts on which the CIA was confronted by communism as a democratic society Italy and Central America If Italy fell to communism all of Europe would surely follow If Central America fell to communism all of Latin America would surely follow It was in these parts of the world communism was raising its head as the will of the people that was so dangerous to the United States and its capitalistic allies Henry Kissinger sounded the alarm Domination by Moscow is not the issue Communist control of Italy and Central America is the issue It would have terrible consequences for the United States and it is the number one threat to its national security On the afternoon of March 13 1978 fifteen men sat around a table in a sidewalk caf in a remote mountain village in northern Italy In casual clothes they went unnoticed though one was the reigning Pontiff and another Aldo Moro and the others ranking cardinals of poverty stricken countries who comprised the leadership of the Marxist movement in the Church and the western world They left at four o clock Aldo reserved the table for this time next year On March 13 1979 Cardinals Benelli and Felici decided not to travel to Vittorio

Making British Defence Policy Robert Self,2022-06-16 This book explores the process by which defence policy is made in contemporary Britain and the institutions actors and conflicting interests which interact in its inception and continuous reformulation Rather than dealing with the substance of defence policy this study focuses upon the institutional actors involved in this process This is a subject which has commanded far more interest from public Parliament government and the armed forces since the protracted bloody and ultimately unsuccessful British military involvement in Iraq and Afghanistan The work begins with a discussion of two contextual factors shaping policy The first relates to the impact of Britain s special relationship with the United States over defence and intelligence matters while the second considers the impact of Britain s relatively disappointing economic performance upon the funding of British defence since 1945 It then goes on to explore the role and impact of all the key policy actors from the Prime Minister Cabinet and core executive to the Ministry of Defence and its relations with the broader Whitehall village and the Foreign Office and Treasury in particular The work concludes by examining the increasing influence of external policy actors and forces such as Parliament the courts political parties pressure groups and public opinion This book will be of much interest to students of British defence policy security studies and contemporary military history
