Outland Far From Home Book 17:

Pannell's Reference Book for Home and Office Pannell,1907 The Social Service Review Edith Abbott,Sophonisba Preston Breckinridge,1978 Includes sections Book reviews and Public documents **The Literary Digest International Book Review** Clifford Smyth,1923 **Corrective Psychiatry and Journal of Social Therapy** ,1972 **Corrective and Social Psychiatry and Journal of Behavioral Technology Methods and Therapy** ,1971 **Notes and Queries** ,1914
Reformatory Press ,1910 *Flying Magazine* ,1975-01 **Who's who in America** ,1926 **Starvation in a Land of Plenty** Michael Cathcart,2013-10-01 When Robert O Hara Burke and William John Wills set out on their fateful journey with the Victorian Exploring Expedition Wills brought with him a diary in which to record his experiences His entries would go on to help historians understand the circumstances that led to the tragic end of the expedition Today the diary is held by the National Library of Australia and forms the foundation of *Starvation in a Land of Plenty* Between 23 April and 28 June 1861 Wills documented the torments and disappointments that led to his and Burke s destruction Surprising to many though Wills was not the second in command but rather the party s surveyor astronomical and meteorological observer His resulting misfortune and the words he left behind have transformed the young English surveyor into both an Australian martyr and hero Combined with images from the Library s collection this poignant and telling publication draws on Wills at times matter of fact account of his fatal weeks revealing him to have been a man of great dignity and bravery **Cruising Modernism** Michael Trask,2018-05-31 Modern society Michael Trask argues in this incisive and original book chose to couch class difference in terms of illicit sexuality Trask demonstrates how sexual science s concept of erotic perversion mediated the writing of both literary figures and social theorists when it came to the innovative and unsettling social arrangements of the early twentieth century Trask focuses on the James brothers in a critique of pragmatism and anti immigrant sentiment shows the influence of behavioral psychology on Gertrude Stein s work uncovers a sustained reflection on casual labor in Hart Crane s lyric poetry and traces the identification of working class Catholics with deviant passions in Willa Cather s fiction Finally Trask examines how literary leftists borrowed the antiprostitution rhetoric of Progressive era reformers to protest the ascendance of consumerism in the 1920s Viewing class as a restless and unstable category Trask contends American modernist writers appropriated sexology s concept of evasive unmoored desire to account for the seismic shift in social relations during the Progressive era and beyond Looking closely at the fraught ideological space between real and perceived class differences *Cruising Modernism* discloses there a pervasive representation of sexuality as well **The United States Catalog Supplement, January 1918-June 1921** Eleanor E. Hawkins,1921 Corrective and Social Psychiatry and Journal of Behavior Technology Methods and Therapy ,1972 An American Dictionary of the English Language Noah Webster,1849 **Collier's Once a Week** ,1912 **The United States Catalog** ,1921 **The United States Catalog** Eleanor E. Hawkins,1921 **Thorndike-Barnhart High School Dictionary** Edward Lee Thorndike,Clarence Lewis

Barnhart,1968 **Queer Lasting** Sarah Ensor,2025-02-04 What queer modes of resilience and care can teach us about enduring environmental collapse What does it mean to live at the end of life the end of a family line the end of a species or the end of the future itself When faced with unfurling catastrophes environmentalists often limit the conversation by focusing on the future Activists work for the welfare of future generations while scientists labor over projections of future outcomes In *Queer Lasting* Sarah Ensor asks what this emphasis on the future makes unthinkable She looks to queer scenes of futurelessness to consider what ecocriticism can learn from queer theory which imagines and inhabits the immanent ethical possibilities of a terminal present While living at the last is often a terrifying prospect queer culture reminds us that to last is itself also one way to go on Defining queerness as a mode of collective life in which these paradigms of lasting ending and persisting are constitutively intertwined Ensor turns to two periods of queer extinction for models of care continuance and collective action predicated on futurelessness the 1890s in which existing forms of erotic affiliation were extinguished through the binary of homo heterosexuality and the 1980s in which the spread of the AIDS epidemic threatened the total loss of gay lives and of specific erotic ways of life Through readings that trace unexpected formal resonances across the works of Sarah Orne Jewett Willa Cather Melvin Dixon Essex Hemphill Allen Barnett and Samuel Delany *Queer Lasting* maintains that queer writing in its intimacy with death and loss offers a rich archive for imagining new ways of thinking through environmental collapse Whether confronting the epidemic contours of the AIDS crisis theorizing the temporary encounters of cruising or reckoning with the lives of non reproductive subjects this book about futurelessness is also a book about persistence It demonstrates how far from giving up in the face of the terminal paradigms that environmentalism fears queer culture has instead predicated its living and its lasting upon them *History of Logan County and Ohio* ,1880
