Purchasers can usually download a free scanned copy of the original book without typos from the publisher. Not indexed. Not illustrated. 1917 edition. In these grades the boys and girls should form separate team organizations. For games in the yards the number of teams may be reduced whenever games are to be practiced which demand larger numbers than the teams require in classroom games. This reduction should be effected by combining regularly two or three classroom teams into one schoolyard team. One of the regular room captains should act as outdoor captain. Captains Until a class has had sufficient
