Outsiders In Christ Conversations Near The Edge Of Faith:

The Sermon without End Ronald J. Allen, Prof O. Wesley Allen JR., 2015-10-20 A New Model for Post Apologetic Preaching in a Pluralistic World The relationship between preaching and the public sphere has long been debated Three different theological approaches tend to dominate the discussion In different ways these approaches take into account the movement from the modern mindset of the mid to late 20th century to the emerging postmodern worldview In *The Sermon without End* authors Allen and Allen thoughtfully offer a fourth option one that in their view has not received much attention but which offers a distinct and especially helpful perspective It is a new and dynamic conversational model reaching beyond the earlier work of Tillich and Tracy In this homiletical framework conversation takes place in multiple directions between the text or tradition and the world today It is preaching in conversation not just toward but with voices from the public sphere The book provides a solid foundation for understanding this post apologetic approach but it importantly goes on to offer practical real pulpit guidance for implementation in a preaching ministry It is a book for both scholars and practicing preachers who wish to reach people in meaningful and significant ways and in ways that make sense for today This book deserves to be widely applauded It provides a post apologetic lens to illuminate the history of various modern homiletical discourses even as it envisions a postmodern one I strongly recommend this book for homileticians preachers and lay people alike Duse Lee Boston University School of Theology Reviewed in *Homiletic & Respectful LGBT Conversations* Harold Heie, 2018-05-14 In stark contrast to the shrill and nasty interactions among many Christians regarding contentious LGBT issues this book models a redemptive mode of engagement by featuring respectful conversations among deeply committed Christians who hold to diverging traditional and non traditional views The foundational values guiding these conversations are the quest for truth giving the gift of love to all brothers and sisters in Christ and modeling Christian unity Emerging from these conversations are practical steps for a way forward that include creating safe spaces for ongoing conversation and practicing courageous Christian leadership Based on case studies for a Christian university and two Christian churches this book provides helpful advice for navigating conflict within churches Christian denominations and Christian educational institutions

The Faith of the Outsider Frank A. Spina, 2005-03-29 This book offers a probing insightful look at the outsider motif running through the Bible The biblical story about God's covenant with insiders with Israel as the chosen people is scandalous in today's cultural climate of inclusivity But as Frank Anthony Spina shows God's exclusive election actually has an inclusive purpose Looking carefully at the biblical narrative Spina highlights in bold relief seven remarkable stories that treat nonelect people positively and even more as strategically important participants in God's plan of salvation The stories of Esau Tamar Rahab Naaman Jonah Ruth and the woman at the well come alive in new ways as Spina discusses and examines them from an outsider insider point of view

God or Godless? John W. Loftus, Randal Rauser, 2013-04-15 Perhaps the most persistent question in human history is whether or not there is a God Intelligent people on both sides of the issue have

argued sometimes with deep rancor and bitterness for generations The issue can't be decided by another apologetics book but the conversation can continue and help each side understand the perspectives of the other In this unique book atheist John Loftus and theist Randal Rauser engage in twenty short debates that consider Christianity the existence of God and unbelief from a variety of angles Each concise debate centers on a proposition to be resolved with either John or Randal arguing in the affirmative and the opponent the negative and can be read in short bits or big bites This is the perfect book for Christians and their atheist or agnostic friends to read together and encourages honest open and candid debate on the most important issues of life and faith

The End of Christianity John W. Loftus, 2011-07-12 In this successor to his critically acclaimed anthology *The Christian Delusion Why Faith Fails* a former minister and now leading atheist spokesperson has assembled a stellar group of respected scholars to continue the critique of Christianity begun in the first volume Contributors include Victor Stenger Robert Price Hector Avalos Richard Carrier Keith Parsons David Eller and Taner Edis Loftus is also the author of the best selling *Why I Became an Atheist A Former Preacher Rejects Christianity* Taken together the Loftus trilogy poses formidable challenges to claims for the rationality of the Christian faith Anyone with an interest in the philosophy of religion will find this compilation to be intellectually stimulating and deeply thought provoking

All the Parables of Jesus David M. Brown, 2012-07-31 Like yeast parables are explosive stories of Jesus that invade our lives and transform us into citizens of the kingdom of God But they are also cryptic and that's where this book is useful More than an explanation or interpretation of each parable this definitive work is primarily an exercise in hermeneutics In it readers are taken through a process of discovering which sayings of Jesus are parables problematic questions related to counting and categorizing them and Jesus rationale for speaking in parables The work then analyzes four distinct ways that parables are structured and three levels at which they do their work in us The final chapter presents parable related hermeneutical guidelines and the book ends with seven extensive Appendices and two Indexes It is a must read for every biblical scholar

Evangelicals and the

End of Christendom Hugh Chilton, 2019-12-09 Exploring the response of evangelicals to the collapse of Greater Christian Britain in Australia in the long 1960s this book provides a new religious perspective to the end of empire and a fresh national perspective to the end of Christendom In the turbulent 1960s two foundations of the Western world rapidly and unexpectedly collapsed Christendom marked by the dominance of discursive Christianity in public culture and Greater Britain the powerful sentimental and strategic union of Britain and its settler societies disappeared from the collective mental map with startling speed To illuminate these contemporaneous global shifts this book takes as a case study the response of Australian evangelical Christian leaders to the cultural and religious crises encountered between 1959 and 1979 Far from being a narrow national study this book places its case studies in the context of the latest North American and European scholarship on secularisation imperialism and evangelicalism Drawing on a wide range of archival sources it examines critical figures such as Billy Graham Fred Nile and Hans Mol as well as issues of empire counter cultural movements and racial and national identity This study will be of particular interest to any scholar of Evangelicalism in the twentieth century It will also be a useful resource for academics looking into the wider impacts of the decline of Christianity and the British Empire in Western civilisation

dazzle us with truth The Outsider Nathaniel Lachenmeyer, 2001-10-30 An unsentimental yet profoundly moving look at one family's experience with mental illness A haunting poignant story of a son's life with and without his father A rare and moving portrait of one of life's major struggles the devastation created by severe mental illness John Oldham M D Director of New York State Psychiatric Institute In 1978 Charles Lachenmeyer was a happily married professor of sociology who lived in the New York suburbs with his wife and nine year old son Nathaniel But within a few short years schizophrenia a devastating mental illness with no known cure would cost him everything his sanity his career his family even the roof over his head Upon learning of his father's death in 1995 Nathaniel set out to search for the truth behind his father's haunted solitary existence Rich in imagery and poignant symbolism The Outsider is a beautifully written memoir of a father's struggle to survive with dignity and a son's struggle to know the father he lost to schizophrenia long before he finally lost him to death Recipient of the Kenneth Johnson Memorial Research Library Book Award Winner of the 2000 Bell of Hope Award **A Visible Unity** Josiah Baker, 2024-09-16 The work of uniting churches is slow challenging and multifaceted and it changes in each generation and location In this book Josiah Baker studies the efforts of believers towards reconciliation as something significant for how we understand the church He offers a theology for laborers people for whom unity is not only an idea but a calling and sure hope A Visible Unity is a study in systematic theology on the relation of ecumenical methodology to ecclesiological convergence how acting together results in the churches being together Ecumenical work informs ecclesiology because it involves the actions of Christians together in accordance with their shared views of the church Whenever this work changes the partnering churches change their relations and further resolve their divisions Baker studies ecclesiology by telling stories about a person the Pentecostal ecumenist Cecil Robeck for Robeck's decades of leadership in American and global ecumenical settings By narrating his activities and analyzing his thought the book offers a window into the interrelation of different portions of the ecumenical movement and how the movement has changed over the years Baker compiles archival materials and personal interviews to tell stories about ecumenism never before published Inventing Christic Jesuses, Volume 1 Charles A. Wilson, 2017-11-09 Inventing Christic Jesuses is the first comprehensive proposal for how revisionist theology can deploy historical Jesus research in a methodologically sophisticated way Rejecting positions that insulate theology from Jesus research the proposal sets out warrants and rules for a quested Christology in dialogue with an analysis of the conduct of historians of Jesus from the period of the Third Quest c 1980 2010 The volume Method analyzes for theology the methods and values of historical research on Jesus It argues that the methodic construction of historical images of Jesus in conversation with sources is simultaneously a retrojective activity of value production First in defining the terms of the inquiry Wilson locates a middle ground between hostility to questing and a too ready application of historical results to Christology He then identifies rules and warrants for the deployment of Jesus research in theology and reconstructs the notion of the retrojection of value in the production of a historical Jesus The volume ends with a case study of retrojective

Jesus production an analysis and assessment of the new notion that Jesus is a sage in the tradition of wisdom Christian Faith and the Problem of Evil Peter Van Inwagen, 2004 Gathers some of the most meaningful recent reflections on the problem of evil Turning the Tables on Apologetics Jeffery L. Hamm, 2018-05-22 Does apologetic method matter Helmut Thielicke argues that the method should conform to its own message He thus rejects traditional apologetic methodologies beholden to supposedly neutral scientific and philosophical paradigms Seeking to reform Christian conversation Thielicke discovers a lost way of persuasion that is the table turning approach found in Christ s conversations Whenever Jesus is questioned he seldom answers directly For he refuses to allow the conversation to be framed by an autonomous mindset and instead responds with a counterquestion Christ s style of persuasion as the controller of the question subverts his hearers presuppositions and challenges their unbelief This approach is the reverse of the defensive answer giving mode of traditional apologetics In view of renewing Christ s method Thielicke insists that the task of apologetics is something which is always on the offensive and far from giving ready made answers to the doubtful questions of men turns the tables by putting questions on its own account aggressive violent radical questions and striking straight to the hearts of men Christian conversation must integrate Christ s method with his message in order to advocate the message itself For it is not the world that questions Christ but rather Christ questions the world
