Hospers, 2023-11-27 **Studiën over de geschiedenis van de Islam in Indonesia, 1900-1950** Pijper, 2024-10-28 De kunst van het missen Olaf Tempelman, 2025-01-25 Hoe welvarender mensen zijn en hoe meer mogelijkheden ze hebben hoe sterker ze zich bewust kunnen raken van gemis in hun leven Legden mensen zich in het verleden neer bij de mores van een levenscyclus nu willen velen uit het leven halen wat erin zit meemaken waar het echt om gaat deelgenoot worden van wat Norman Mailer the sweet of life noemde Begrippen als bucketlist en fomo vinden we inmiddels ook in Nederlandse woordenboeken terug En van de gedaantes van de moderne mens die zoekt naar vervulling is De Reiziger Aan de hand van het gedrag van reizigers brengt Volkskrant journalist Olaf Tempelman in kaart wat bevoorrechte mensen in hun leven missen en waarin moderne maatschappijen tekortschieten Over de hele wereld ziet hij reizigers zoeken naar liefde verlichting bevlogenheid geborgenheid en meer Hij ziet k dat er veel voorbijgaat aan mensen die niets willen missen In een boek waarin hij reisimpressies met contemplaties mengt pleit hij voor de kunst van het missen **Analecta Orientalia: Turcology** Johannes Hendrik Kramers, 1954 **Concise Biographical Companion to Index Islamicus** Wolfgang Behn, 2006-03-01 This second of the three volume Who s Who in Islamic Studies presents the scholarly world at long last with its own biographical encyclopaedia Taking as a starting point the inventory of authors from the renowned Index Islamicus the author Wolfgang Behn Berlin has systematically collected numerous data on the lives and works of the tens of thousands of authors listed in the Index Islamicus from 1665 to 1980 This Biographical Companion will be an indispensable reference tool for the serious student and scholar of Islamic Studies It enables the user to quickly gain knowledge on the life work and professional background of almost every major and minor author and thus to place each author in his her proper perspective A tremendous achievement and a true must for every library Cultuur & Lichaam Paul Voestermans, Theo Verheggen, 2007-05-21 I was deeply impressed by this book It is a fresh and original analysis of cultural psychology there is nothing like this on the market the argument is so clear and the material so well constructed that one can t help but argue with the authors at the same time as one is urging them on In one fell swoop they take on the trend to evolutionary psychology the worst of social psychology integrate little known facts with the better known make a plea for the centrality of the body and a practice orientation to psychology explain religious tolerance and intolerance add aging to the mix and come out with a coherent picture of the relation between culture and psychology Brilliant really Professor Henderikus Stam University of Calgary The book is in one word a gem Compared to the many books in the cultural studies field this book reaches far deeper and higher Tom ter Bogt professor Music and Youth Culture Utrecht University The book is written in a

lively stimulating provocative style It draws on a wide variety of disciplines apart from psychology sociology anthropology history religious studies philosophy etc as indeed any good book about culture should Indeed this multidisciplinary perspective is perhaps the book's main strength David Ingleby Professor of Intercultural Psychology Utrecht University This book presents both an innovative theoretical account of the persistence of behavioural patterns and an intriguing and detailed analysis of five central areas of cultural problem solving Both theory and empirical analysis are coherent and consistent and complicated issues usually are clarified by many well chosen examples that can easily be related to current cultural themes and debates Moreover the book is written in a fluent style Ruud Abma Professor of Social Science Utrecht University Kennis en kunst , De eerste moslimse vorstendommen op Java H.J. de Graaf, Theodore G.Th.

Bibliography of Art and Architecture in the Islamic World (2 vols.) Susan Sinclair,2012-04-03 Following the tradition and style of the acclaimed Index Islamicus the editors have created this new Bibliography of Art and Architecture in the Islamic World The editors have surveyed and annotated a wide range of books and articles from collected volumes and journals published in all European languages except Turkish between 1906 and 2011 This comprehensive bibliography is an indispensable tool for everyone involved in the study of material culture in Muslim societies **Religious Education in a World of Religious Diversity** Wilna A.J. Meijer,Siebren Miedema,Alma Lanser-van der Velde,2009 This volume brings together a selection of papers presented at the Fifteenth Session of the International Seminar on Religious Education and Values ISREV which took place in 2006 in Driebergen the Netherlands addressing the theme Religious Education in a World of Religious Diversity The authors were invited to combine the concept of diversity with the dimensions of temporality of time and history in reworking their contributions for this book This temporal aspect is in a sense inherent in educational thinking On the one hand education as intergenerational transmission has a conservative aspect tradition being what is actually and presently transmitted from the past and or what is considered worthwhile to be passed on On the other hand acknowledging the activity of students themselves as a prerequisite for any education to happen brings the open endedness and therefore the future into the pedagogical arena in terms of development learning reflection edification et cetera So the question answered in this volume is what does this inherent historicity mean for religious education as well as for the concept religion and religious diversity In answering this question the contributions represent the global character of the concern with religious diversity in relation to religious education and originate respectively from the following countries Canada Bhikkhu English United States Moran Latvia Ilishko Russia Kozyrev Germany Pirner South Africa Roux du Preez Ferguson Japan Omori Australia de Souza Turkey Sel uk and the Netherlands Meijer Miedema
