Micha De Profeet Vol Recht En Heldenmoed:

A Transverse Dreamer Bob Becking, 2023-07-24 The final text of the Book of Micah provokes a series of questions Can the Book be read as a coherent composition or is it the result of a complex redaction history Was Micah a prophet of doom whose literary heritage was later softened by the inclusion of oracles of salvation The essays in this book center around these questions Some of them are of a more general character while others analyze specific passages Some articles discuss the Book of Micah by looking at specific themes prophecy religious polemics metaphors The others are concerned with the proclamation of a peaceful future Micah 4 1 5 the famous moral incentive in Micah 6 8 and the question of prophetic and divine gender in Micah 7 8 13 They have two features in common A thorough reading of the Hebrew text informed by grammar and syntax A comparative approach the Book of Micah is seen as part of the ancient Near Eastern culture All in all the author defends the view that the Book of Micah contains three independent literary elements Micah 1 a prophecy of doom Micah 2 5 a two sided futurology and 6 8 a later appropriation of Micah s message *The Present State of Old Testament Studies in the Low Countries* Klaas Spronk, 2016-08-15 In *The Present State of Old Testament Studies in the Low Countries* fifteen leading scholars from Belgium and the Netherlands give an overview of their work This collection celebrating the seventy fifth anniversary of the Oudtestamentisch Werkgezelschap brings together the results of high quality research on many fields from computer assisted analysis to biblical theology from the archaeology of Palestine to early rabbinic exegesis from logotechnical analysis to delimitation criticism It shows that Old Testament research in Belgium and the Netherlands is multifaceted and innovative Micha Albertus Hendrik Edelkoort, 1960 The Library of Congress Author Catalog Library of Congress, 1953 **Profetie en cultus in Israel** Klarinus Roubos, 1956 Kommentar zum Alten Testament, begründet von Ernst Sellin: pt.1.
