Investigative reporter Rose Howard is exhausted from trying to manage her seemingly perfect life. With her marriage to the man she thought was her one true love collapsing, she desperately needs for one thing to go right. While striving for a promotion to senior reporter, her efforts are interrupted when she learns her former best friend and travel vlogger Eve Castillo isn't responding to attempts to contact her at the North Carolina cottage she's reviewing. Rose knows Eve can be flaky and irresponsible. And after Eve breaks the ultimate ethical friendship code and crosses boundaries to the point of no return, Rose wants nothing to do with her. Still, Rose heads to the tranquil small town of Sage Hill. Rose soon discovers that Eve has vanished without her purse and passport, even after booking a trip abroad. The personable cabin owner's accounts of Eve's stay just don't add up, and most of the town's initially hospitable inhabitants become increasingly less helpful. Rose's instincts tell her the solution lies somewhere in Eve's and Sage Hill's past. To get answers, she'll have to ask inconvenient questions, stumble onto shocking truths, and face vicious attempts on her life. But some truths are best left alone. And secrets Rose never saw coming could easily sink her and her future without a trace.

My Journey Through Breast Cancer Eve Preste, 2012-10-19 Eve Preste aka Eve Dolansky grew up in a small town in Appleton, New York, on a large fruit farm. She went to college at Niagara University and Buffalo State College to study journalism. After meeting her first husband, she moved to Florida and had two daughters, Alexis and Sierra. She then embarked on a 20-year journey in the financial industry. At 45, she was diagnosed with breast cancer. Journaling became her vehicle of deliverance from a bottomless abyss. Writing in her journal allowed her to spend time and make some sense of this surreal dream. By exploring deep within herself, she began to develop clarity in the midst of a storm. After yielding to the higher power, it helped her welcome the beauty of the entire situation. As Dr. Wayne Dyer says, "When you change the way you look at things, the things you look at change." Perfect health is balanced by a life-threatening disease. Once an equilibrium is maintained, we can understand that opposites are joined together. When suffering comes our way, it is how we respond to it that determines who we become. It was her choice to make a calamity or true gift out of her illness. Rather than lamenting, Eve chose to be grateful for each sunrise, sunset, person, and circumstance in her life. After being diagnosed with breast cancer, Eve embarked on a new journey of wellness. She hopes to establish a wellness center to help people balance their mind, body, and spirit. One major event can turn one's life around for the better; we hold true to the saying, "Things happen for a reason."
