

The background of the slide features a stack of old, worn books with yellowed pages and dark covers. In the foreground, there are several sheets of aged, cream-colored paper, some of which appear to be loose or slightly crumpled. The lighting is soft and focused, creating a sense of depth and highlighting the textures of the paper and book covers. A dark, semi-transparent horizontal band is overlaid across the middle of the image, containing the title and editor information.

## **Michel Montaigne Classic Reprint Sichel:**

**Michel De Montaigne (Classic Reprint)** Edith Sichel, 2015-07-14 Excerpt from Michel De Montaigne Also to M Steinheil for so generously giving me the prints from the illustrations Of his own collection Of portraits Of Montaigne etc from which all my illustrations excepting the frontispiece and the print of the page of the Essays are reproduced About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Academy and Literature** ,1911 [The Jewish Contribution to Civilization](#) Charles Archibald Stonehill,1940 [American Book Publishing Record Cumulative, 1950-1977](#) R.R. Bowker Company. Department of Bibliography,1978 *Bulletin of the Indianapolis Public Library* Indianapolis Public Library,1909 [The Spectator](#) ,1911

**American Book Publishing Record** ,1971 *A Harmony Within: Five Who Took Refuge* William A. Reinsmith,2007-05-22 We live in increasingly troubled times with social and political instability everywhere on the globe It is a time of breakdown of massive transition whose end is far from sight Incessant change fragmentation loss of moorings sporadic violence even in the Western societies threaten many who seek to live meaningful lives especially in terms of inward growth To the media driven observer the world is in turmoil and globalization by no means a friendly word Similar conditions have prevailed at certain times in the past Reinsmith's port of entry is just at those periods of crisis those transition periods when social cohesion has all but disintegrated *A Harmony Within* explores five such points in the history of Western civilization the breakdown of the ancient Greek city state the last days of the Roman Empire the religious wars in France during the sixteenth century the transition to the Industrial Age in nineteenth century America the cataclysm of World War I in Europe Within each historical frame the author charts the life and times of one individual who even in the midst of discord finds a way of living fruitfully of making a profound connection which transcends the uncertainties of his particular age In ancient Greece the philosopher Epicurus withdrew from Athens to teach inner tranquility ataraxia to his friends At the end of the Roman era St Benedict founded a safe haven at Monte Casino where he created the Rule which offered spiritual security to his monks With strife all around him Michel Montaigne quit public life and retreated to his Tower to mingle with the great minds of the past Viewing the desperation drudgery of his fellow citizens Henry David Thoreau repaired to Walden Pond there to live alone with Nature for almost two years In a Europe slowly moving toward war Albert Einstein found refuge in the Cosmos where he could contemplate the laws of the physical universe The names of these five individuals are known to the educated general reader Each of them lived in a different era discovered a different track Yet they had one thing in

common They chose neither to grapple with their own society nor directly aid in the coming of the next They did something more radical They withdrew they chose to walk away to take refuge and follow a path where inner harmony could be attained They took arms against the troubles of their age not by encounter but by creative withdrawal Epicurus The Refuge of Philosophy St Benedict The Refuge of Religion Montaigne The Refuge of Letters Thoreau The Refuge of Nature Einstein The Refuge of Pure Science For each of these figures their refuge proved life enhancing Yet a great paradox ensued Though they withdrew from the society of their times what they accomplished reached far beyond them into the future Epicurean communities spread throughout the ancient Mediterranean world and lasted for five hundred years Benedictine monasticism provided Western Europe with spiritual direction down to the Middle Ages Montaigne's Essays have found their place among the annals of great literature Thoreau's stay at Walden Pond immortalized in his journal Walden became the exemplar for living with Nature and a guide for achieving radical simplicity Einstein's four papers written during his years in a Swiss Patent office would be the foundation for the theories of special and general relativity as well as quantum physics all of which would change our view of the universe Each chapter opens with a brief sketch of the age in which a protagonist lives and against which he reacts To this extent A Harmony Within presents a rough outline of Western civilization in crisis But the heart of the book lies in portraying how these five great spirits nursed a calling which brought inner harmony to their lives a harmony which seems to elude most humans at any period reg
