Students can study, highlight, and take notes in their Pearson eText on any mobile phone, tablet, or laptop, even when they are offline. Educators can also add their own notes and highlights directly in the eTextbook so that students see what is important for their particular course. Now in its 4th Edition, *Making Reading Relevant* is a brief, intermediate-level reading text that manages to address all of the topics and issues needed to conduct productive and meaningful courses in developmental reading. The authors designed *Making Reading Relevant* to be flexible; it may be used as the primary textbook for a course or as a reference tool to supplement the use of outside reading materials and primary sources. Overall, the authors stress the application of reading strategies using primary reading sources as the basis of the content so that you learn to become a better, more efficient reader, not by just reading about how to read, but by applying skills to reading real sources. The 4th Edition includes chapter updates along with new examples, readings, and updated vocabulary resources. NOTE: Pearson eText is a fully digital delivery of Pearson content. This ISBN is for the standalone Pearson eText access card. In addition to this access card, you will need a course invite link provided by your instructor to register for and use Pearson eText. **New Myreadinglab with Pearson Etext -- Standalone Access Card -- For the Master Reader**
