Apocalypse Randal S. Chase, 2016-10-31 Apocalypse The Great Day of the Lord for the Righteous is a positive look at the positive events of the Apocalypse Just saying the word brings to mind the idea of mass destruction Many think of a fiery end to life on earth or of zombies shuffling ominously through the streets Focusing on the negative makes it an unpleasant subject Contrary to these ideas this book on the Apocalypse focuses on the great blessings that the righteous will receive when the Lord comes a great and glorious day with no fear of the destruction that will simultaneously come down upon the heads of the wicked For the wicked it will indeed be a dreadful day and they will call upon the mountains and rocks to hide them when the full fury of the Lord's anger is poured out upon them see Revelation 6:16 For the righteous it will be a day of unimaginable joy a day of resurrection of peace of safety and of living under the rule of our Eternal King the Lord Jesus Christ If we remember this we can more fully appreciate the great day aspect of the Second Coming of Christ as opposed to a fearful approach That is the purpose of this book so that we along with the Apostle John on the Isle of Patmos will feel to say Even so come Lord Jesus Revelation 22:20 The cover features a stunning image of the Lord descending through the clouds of glory as painted by Del Parson

Book of Mormon Seminary Teacher Manual The Church of Jesus Christ of Latter-day Saints, 2013-10-22 This manual is a resource to help seminary teachers prepare lessons from the scriptures It provides 160 lessons that contain teaching suggestions doctrines and principles and scripture mastery helps In addition there are 32 lessons for teacher of home study classes that correspond to The Book of Mormon Study Guide for Home Study Seminary Students

Latter-day Saint Theology among Christian Theologies Grant Underwood, 2025-03-13 How do the beliefs of Latter day Saints compare with traditional Christian theology Grant Underwood provides answers to this question that are clear detailed and thoughtful Writing for a broad and interested Christian audience he systematically brings Mormon thought into conversation with main currents of Christian theology He focuses on major topics that have engaged Christian thinkers over the years who God is who Jesus Christ is who we are how we are saved what the church is and what the future holds for human history as well as for individual human lives Most chapters follow a format in which relevant themes are introduced with an overview of significant Christian reflection on the topic followed by an exploration of Latter day Saint thought on the subject Throughout the book Underwood's goal is to analyze not catechize While the author is a practicing Latter day Saint that reality only enhances his appreciation

for the theology produced by centuries of fellow Christians of faith who in Anselm's words have diligently and devoutly sought understanding Underwood seeks to facilitate mutual understanding among Christians who may worship differently who conceive of God and God's relations with humanity differently and who articulate their religious beliefs in terms and concepts that are unfamiliar to each other Readers of this book are invited to approach its sympathetic presentation of such Christian theologies including that of the Latter day Saints with an openness and curiosity that can lead to a more accurate nuanced understanding of the doctrines discussed

Communication in Mission Marcus Dean, Scott Moreau, Sue Russell, Rochelle Scheuermann, 2022-10-07 Communicating the Gospel To All People By All Means Communication has always been the heartbeat of God's interaction with humankind and without thoughtful communication mission is not fully effective With the rise of technology and social media the church faces a unique set of opportunities At the same time our shrinking world presents challenges and requires an increased sensitivity to social cultural and geopolitical triggers With case studies that span the globe from Australia and Asia to the Black church and Muslim youth diaspora in the United States this book closely considers what is working in the twenty first century and what isn't From post colonial contexts to creative access countries this collection doesn't shy away from today's complex issues Communication in Mission pulls together diverse voices some seem like shouts and others like gentle whispers but each has an important contribution for all who will listen and learn This synthesis of personal experiences from field practitioners and theoretical concepts from scholars lays a foundation for application calling for careful and intentional communication in the ongoing work of missions Full of hope this book looks forward to the gospel being received as Good News around the globe

Doctrine and Covenants and Church History Study Guide for Home-Study Seminary Students The Church of Jesus Christ of Latter-day Saints, 2014-05-28 This manual was written as the course curriculum for home study seminary students It contains writing assignments for each of the 32 units It also contains insights images and doctrines and principles to help students with their individual study
