First Corinthians Bible Commentary - a Bible commentary on First Corinthians , This verse by verse commentary on First Corinthians offers a thorough but very understandable commentary on the entirety of Paul s letter to the Corinthians Since the First Corinthians letter touches on a number of different subjects this volume also offers some special studies to more fully explore what the Bible says on additional topics like civil government the role of women in the church spiritual gifts etc If you want to have a better understanding of First Corinthians this commentary will help you Here is a small sample of the text Introduction to First Corinthians 13 Some consider 1 Cor 13 the love chapter of the Bible or a parenthetical description of love but this chapter is actually an integral part of Paul s discussion about spiritual gifts Since the Corinthians were rude jealous and boastful it was necessary for them to go beyond their present pursuit To the apostle the development of the

character of the person was superior to the exercise of the gift His contrasts chap 13 are clear gifts without love vs gifts with love and the permanence of love vs the temporal nature of gifts Gromacki p 159 Stated another way verses 1 3 affirm that spiritual gifts were worthless without love verses 4.7 affirm that love was superior to the gifts and verses 8.13 assert that spiritual gifts were temporal but love abides Although 1 Cor 13 may seem familiar to many this chapter is often one of the most misunderstood parts of the New Testament The Corinthians elevation of spiritual gifts over love is seen in places such as 12 13 25 14 27 33 40 It is also found by contrasting the qualities in 1 Cor 13 with other sections of this epistle For instance love suffers long 13 4 but tongue speakers at Corinth were impatient 14 27 28 Love does not envy 13 4 but the Corinthians envied the gifts of others chapter 12 Love is not puffed up 13 4 but tongue speakers were proud compare 13 1 Love causes people to act in a kind and orderly way but some of the Corinthians behavior was disorderly 14 23 40 Love is not unseemly but the Corinthians were at risk of unseemly behavior in their families 1 Cor 7 36 as well as their Sunday assemblies 1 Cor 11 2 16 17 34 Agape love does not seek its own 13 5 but these Christians were seeking their own see 1 Cor 8 and the discussion about idol meat Love keeps people from rejoicing in evil 13 6 but the Corinthians rejoiced in evil 1 Cor 5 2 6 There were various things that provoked these brethren 13 5 and it seems they were keeping a record of evil 1 Cor 13 5 It was time for the members of this congregation to show some spiritual maturity and demonstrate the type of love that bears all things believes all things hopes in all things and endures all things 1 Cor 13 7 Faith Healers and the Bible Stephen J. Pullum, 2015-04-14 An insightful read for anyone who is interested in religion this book offers fresh biblical insight into the preaching of faith healing from a Christian perspective Faith healing has been a popular religious phenomenon in this country for well over a hundred years gaining thousands of followers and raking in millions of dollars annually What faith healers teach however often goes unchallenged Faith Healers and the Bible What Scripture Really Says offers an informed critique of many of the themes found in faith healers preaching that documents that much of what they teach is not biblically based contrary to what they would like their listeners to believe Drawing on a lifetime of study and nearly two decades of teaching a university course titled The Rhetoric of Faith Healing Stephen J Pullum PhD provides scriptural insight into the false claims frequently found in the preaching of healing revivalists After an introductory chapter that explains why faith healers have been so persuasive the author addresses a breadth of topics including the miraculous the providential demon possession the call of God the indwelling of the Holy Spirit and the health and wealth gospel Meeting faith healers on their own turf the Bible Pullum clearly demonstrates that much of what faith healers preach cannot be scripturally supported

being now justified by his blood shall we be saved from the wrath of God through him This verse takes us back to what Paul said at the beginning of this chapter God s people can be justified dikaio the same word used in Rom 3 20 It is possible to completely remove sin This can be done even though we still sin after becoming a Christian Also we can have justification at the present time now In this verse Paul affirmed that our source for justification is Christ's blood Without the blood of Jesus justification would be impossible Heb 10 4 Christ's blood is the basis for our justification but the benefits of it must be accessed This access comes by faith that is obedient 5 1 If Christ had not shed his blood the only thing that we could and would experience is wrath verse 9b However since the precious blood of the Lord was shed Christians can be and will be saved from punishment Christians are people who are at peace with God verse 1 and have no fear of condemnation 8 1

Culture and Biblical Hermeneutics William J. Larkin, 2003-08-05 No issue now occupies contemporary evangelicals more than the role of culture in biblical interpretation In Culture and Biblical Hermeneutics the author not only analyzes the current debate but also makes a significant contribution to it This volume grapples with what the author calls the challenge that historical and cultural relativism poses to the hermeneutical process when applied to the authoritative Scripture He accomplishes his goal admirably by exploring both the origin and the current state of biblical hermeneutics and by developing a biblical theology of hermeneutics and culture The Center is Jesus Christ Himself Cardinal Timothy M. Dolan, Bishop James Massa, 2021-04-02 The polarization in the Church today can be traced back to a more fundamental crisis in theology one which has failed to connect our mundane experiences and the mysteries of the Christian faith with the person of Jesus Christ Ecclesial discourse on the so called hot button issues of the day too often take place without considering the foundation and goal of the Church And this is unfortunately due to a similar tendency in the academic theology that informs that ecclesial discourse In short much of post conciliar Catholic theology is adrift floating aimlessly away from the center of the Christian faith who is Christ The Center is Jesus Christ Himself is a collection of essays which anchor theological reflection in Jesus Christ These diverse essays share a unified focal point but engage with a variety of theological subdisciplines e g dogmatic moral Biblical etc areas e g Christology Pneumatology missiology etc and periods e g patristic medieval and modern Given the different combinations of sub disciplines areas and periods theology is susceptible to fragmentation when it is not held together by some principle of unity A theology in which the person of Jesus Christ serves as that principle of unity is a Christocentric theology Together the essays illustrate not only what Christocentric theology looks like but also what the consequences are when Christ is dislodged from the center whether by a conspicuous silence on or by a relativization of his unique salvific mission The volume is published in honor of Emeritus Professor of Systematic Theology at Boston College Rev Dr Robert P Imbelli who dedicated his teaching and writing to bringing Christ back to the center of Catholic theological discourse Having a Mary Spirit Joanna Weaver, 2008-05-20 A life changing guide to accessing the new life Jesus came to bring from the bestselling author of Having a Mary Heart in a Martha World You ll emerge from this

The Living Church ,1957 What Is Religion? Nigel Ajay Kumar, 2013-09-11 What Is Religion is one of those questions rarely asked by Christian theologians who engage in interreligious discourse Nigel Kumar makes the case however that to answer the question is critical for Christian scholars attempting to negotiate multiple religious identities as well as for those who want a clearer understanding of their own faith as religion Kumar takes a historical approach to answering the question He traces the development of the concept of religion and then formulates a theological answer not only by looking at an Indian theologian Chenchiah but also by listening to other secular and theological voices Why Do Bad Things Happen To Good People David Arnold, 2015-04-10 This simple comprehensive tool teaches readers that the suffering distress and frustration they ve encountered are not outside the assistance of God's grace **The Moral Ouest** Stanley J. Christ has called us and to give in to a world that encourages us to go with the flow How will we respond In his letter to the Philippians Paul gives advice that is invaluable to the twenty first century church The Philippians were assembled in the middle of a corrupt sensual society fighting against the norms of the world around them They were God's representatives in a secular society and they maintained a singular focus vision and purpose In The Power of Purpose Pastor Michael Catt walks us through this letter to the Philippians exploring how God is still calling His church even in the rapidly changing world of the 21 st century to be his representatives He is calling us to maintain a singular focus and vision He is calling us to the power of purpose The Publishers Weekly, 1911
