

# CHEMICAL HAZARDS PROGRAM NEWSLETTER

The latest news from the Chemical Hazards Program

## Welcome Readers!

The *Chemical Hazards Program (CHP) Newsletter* highlights important topics and events from the last year and is published for district and county Environmental Health Specialists, and others working in Georgia Public Health.

Under a cooperative agreement with the Agency for Toxic Substances and Disease Registry, CHP is a non-regulatory program that provides information to the public and other professionals about toxic chemical exposures and their potential health effects, as well as information on how to reduce, eliminate, and prevent exposures to hazardous chemicals in the environment.

Our program provides public health assessments, health consultations, technical assistance, community education, staff training, and referrals for district and local health departments, residents, educators, healthcare professionals, and state and federal agencies.

## We Offer Training

CHP offers a variety of professional training for environmental and public health staff, academia, and other state and federal agencies. Training topics include:

- Chemical Hazards Program Services
- Impacts of Environmental Hazards on Public Health
- Risk Communication for Chemical Exposure-related Issues

## Meet Our Team

Frank Sanchez — Director

Faith Black-Walker — Health Educator

Anita Saha — Health Assessor

## In This Issue:

- **Hot Topic: Choose Safe Places — Georgia Safe Siting Program**
- **What's NEW?**
- **Forever Chemicals: PFAS**
- **Martin Fireproofing, Inc.**
- **Household Hazardous Waste**
