CMS FY 2010 Top Ten Hospice Survey Deficiencies (Compliance Tip Sheet)

Introduction

The Centers for Medicare and Medicaid Services (CMS) identifies the top ten most frequent survey deficiencies cited during Medicare hospice recertification surveys annually. This compliance tip sheet will:

- ✓ List the survey deficiency by Medicare hospice Condition of Participation* (CoP) and by Hospice Program Interpretive Guidance** L-Tag from federal Fiscal Year 2000.
- ✓ Provide an example of the deficiency based on actual CMS survey deficiency data.
- ✓ Provide suggestions from a clinical, documentation, and administrative perspective for compliance.
- ✓ List the standard and practice example from the NHPCO [Standards of Practice for Hospice Programs \(2012\)](#) related to the cited deficiency.

* The [Medicare hospice Conditions of Participation \(2008\)](#) contain the federal regulations that govern all Medicare-certified hospice programs.

** The Hospice Program Appendix M: [Interpretive Guidelines \(2000\)](#) are guidance to personnel conducting surveys of hospices, and serve to clarify and/or explain the intent of the regulations. All surveyors are required to use them in assessing compliance with federal requirements. The purpose of the protocols and guidelines is to direct the surveyor's attention to avenues of investigation in preparation for the survey, conducting the survey and evaluating the survey findings.

CMS Top Ten Hospice Survey Deficiencies

The top ten hospice survey deficiencies listed in order of the most frequently cited are:

1. **Medicare hospice CoP: §418.56(b) Standard: Plan of care.**
All hospice care and services furnished to patients and their families must follow an individualized written plan of care established by the hospice interdisciplinary group in collaboration with the attending physician (if any), the patient or representative, and the primary caregiver in accordance with the patient's needs if any of them so desire.
Interpretive Guidelines L-Tag: L1411
2. **Medicare hospice CoP: §418.56(c) Standard: Content of the plan of care.**
The hospice must develop an individualized written plan of care for each patient. The plan of care must reflect patient and family goals and interventions based on the problems identified in the

The Changing Face of Health Care Social Work, Third Edition Sophia F. Dziegielewski, 2013-05-03 This third edition of a best selling social work text reflects the dramatic changes that have taken place in our health care environment since the second edition was published in 2004 and will likely continue to take place. It is a practical guide for social workers who must navigate our complex health care environment and accept new challenges while adapting to continual change. The book encompasses many facets of professional health care social work within the U S health care system across key health care settings and with numerous different patient populations. The book is also a call to action for social workers who today must not only be therapeutically effective but must be professionally competitive with other health care providers that claim similar treatment strategies and techniques. Permeating the third edition is a strong emphasis on the importance of developing best practices that are evidence based, supportive and ethically accountable while remaining time limited and cost effective. Each chapter contains a Glossary, Questions for Further Study and a list of relevant websites. At the end of each chapter a Future Directions section helps social workers understand what to expect and how to prepare for changes in order to practice successfully. This third edition additionally encompasses updated professional profiles for diverse arenas of practice and is accompanied by an Instructor's Manual that provides a test bank, activities designed to enhance learning and a sample syllabus. Completely new or updated sections examine Mental health parity, Changes in billing, Evidence based practice, strategy, Electronic record keeping and other advances in health technology. Information related to the DSM 5, Protecting yourself legally in your documentation, Protecting the privacy of the client, Supervision in the health care setting, The importance of teamwork and collaboration, Social work in the military and VA settings, Safety planning. **Music**
