He needs time; time he may no longer have before everything comes crashing down. Her expansion efforts lead to a chance meeting with Ishmael Abdur Hafiz, an international weapons dealer with the type of connections that could prove beneficial for all parties involved. Their intense attraction and mutual business pursuits draw the attention of a former lover turned enemy intent on ruining everything she has built and permanently removing Ishmael from her life. Can she find a way to deal with the consequences of her decisions and save her company from potential destruction?
